Hollywood and the O.K. Corral Michael F. Blake,2015-01-28 A lot can happen in 30 seconds In the case of the shoot out at the O K Corral 30 seconds found three men dead left two men wounded and ultimately captured the imagination of generations of Americans Wyatt Earp an against all odds hero who was literally the last man standing Doc Holliday Earp's unlikely crony the tragic tale of the Earp family all of these elements make the story of the O K Corral irresistible to a great many people Hollywood filmmakers were quick to recognize the legend's attraction and its potential As early as 1939 with the production of Frontier Marshal moviemakers were recreating the gunfight at the O K Corral and its attendant happenings in Tombstone Arizona on October 26 1881 The following decades produced various renderings of the story some more historically accurate than others but all with the American flair for entertainment This

volume examines eight movie renderings of the legendary gunfight Produced from 1939 to 1994 these movies each use Wyatt Earp and other real life characters as their sources The work focuses on the filmmakers treatment of the history and the skill with which each balances fact with the necessity of entertainment The ways in which Wyatt Earp is presented in each film and this portrayal s relationship to the period in which the film was made is also examined in detail Films discussed are Frontier Marshal 1939 Tombstone The Town Too Tough to Die 1942 My Darling Clementine 1946 Gunfight at the O K Corral 1957 Hour of the Gun 1967 Doc 1971 Tombstone 1993 and Wyatt Earp 1994 Period photographs are also included

**Supreme Court** ,1912 Mediterranean Urbanism Besim S. Hakim,2014-09-22 This book brings together historic urban building rules and codes for the geographic areas including Greece Italy and Spain The author achieved his ambitious goal of finding pertinent rules and codes that were followed in previous societies for the processes that formed the built environment of their towns and cities including building activities at the neighborhood level and the decision making process that took place between proximate neighbors The original languages of the texts that were translated into English are Greek Latin Italian Arabic and Spanish The sources for the chapter on Greece date from the 2nd century B C E to the 19th century C E Those for the chapter on Italy date from the 10th to the 14th centuries C E and for the chapter on Spain from the 5th to the 18th centuries C E Numerous appendices are included to enhance and elaborate on the material that make up the chapters This book provides lessons and insights into how compact and sustainable towns and cities that are greatly admired today were achieved in the past and how we and future generations can learn from this rich heritage including the valuable insight provided by the nature of the rules and codes and their application through centuries of continuous use **Tokyo**

**Vernacular** Jordan Sand,2013-07-13 Preserved buildings and historic districts museums and reconstructions have become an important part of the landscape of cities around the world Beginning in the 1970s Tokyo participated in this trend However repeated destruction and rapid redevelopment left the city with little building stock of recognized historical value Late twentieth century Tokyo thus presents an illuminating case of the emergence of a new sense of history in the city s physical environment since it required both a shift in perceptions of value and a search for history in the margins and interstices of a rapidly modernizing cityscape Scholarship to date has tended to view historicism in the postindustrial context as either a genuine response to loss or as a cynical commodification of the past The historical process of Tokyo s historicization suggests other interpretations Moving from the politics of the public square to the invention of neighborhood community to oddities found and appropriated in the streets to the consecration of everyday scenes and artifacts as heritage in museums Tokyo Vernacular traces the rediscovery of the past sometimes in unlikely forms in a city with few traditional landmarks Tokyo s rediscovered past was mobilized as part of a new politics of the everyday after the failure of mass politics in the 1960s Rather than conceiving the city as national center and claiming public space as national citizens the post 1960s generation came to value the local places and things that embodied the vernacular language of the city and to seek what
