**Life in the Wrong Lane** Greg Dobbs, 2009-08-20 The book is called Life in the Wrong Lane because that's where journalists live in the one lane heading toward a catastrophe. Although Dobbs travels first for ABC News and now for HDNet Television have taken him to many troubled corners of the country and the world Life in the Wrong Lane isn't a travel guide about exotic places or a contemporary history of the events he covered. Rather it's about all the funny, bizarre, scary, stupid, dangerous, distasteful, unwise and unbelievable things that journalists experience just getting to the point of reporting a story experiences that possibly are even more interesting than the stories being covered but which never become part of the stories they finally report to their audiences.
