The Enchanters Vs Sprawlburg Springs:

The Enchanters Vs. Sprawlburg Springs Brian Costello, 2005 *The Enchanters vs Sprawlburg Springs* is a satirical riotous story of a band trapped in suburbia and bent on changing the world A frenzied scene whips up around them as they gain popularity and the band members begin thinking big It s a hilarious crazy send up of self destructive musicians **The Awful Possibilities** Christian TeBordo, 2010-05-01 After three novels dynamic and masterful young writer Christian TeBordo has finally collected his best short stories in *The Awful Possibilities* A girl among kidney thieves masters the art of forgetting A motivational speaker skins his best friend to impress his wife A man outlines the rules and regulations for sadistic child rearing A teen in Brooklyn Iowa deals with the fallout of his brother s rise to hip hop fame Populated with the people we ve all heard whispering in hallways mumbling in diners shouting in the apartment next door these brilliantly strange set pieces explode the boundaries of short fiction and locate the awe in the awful possibilities we could never have imagined *Am/Pm* Amelia Gray, 2010-02 If anything s going to save the characters in Amelia Gray s debut from their troubled romances their social improprieties or their hands turning into claws it s a John Mayer concert tee In *AM PM* Gray s flash fiction collection impish humor is on full display Tour through the lives of 23 characters across 120 stories full of lizard tails Schrödinger boxes and volcano love Follow June who wakes up one morning covered in seeds Leonard who falls in love with a chaise lounge and Andrew who talks to his house in times of crisis An intermittent love story as seen through a darkly comic lens Gray mixes poetry and prose humor and hubris to create a truly original piece of fiction Hiding Out Jonathan Messinger, 2007 A collection of short stories featuring people coping with the consequences of poor decisions includes *Not Even the Zookeeper Can Keep Control Bicycle Kick and Christmas Spirit* **Mammoth** Zachary Schomburg, 2017-09-12 The people of Pie Time are suffering from God s Finger a mysterious plague that leaves its victims dead with a big hole through their chests In each hole is a random consumer product Mano Medium a sensitive young cigarette factory worker in love does his part by quitting the factory to work double time as Pie Time s replacement barber and butcher and by holding the things found in the holes of the newly dead However the more people die the bigger Mano becomes XO the power hungry corporation bent on overtaking Pie Time and Father Mothers the bumbling priest have their own ideas about how to capitalize on God s Finger By contrast and powered by honoring his own lost loves Mano fights to resist this exploitation by teaching death to those who can t afford to survive it As Pie Time and Mano both grow irrevocably Mano must make a decision about how he can best fit into his own life With a large cast of unusual characters each struggling with their own complex and tangled relationships to death money and love *Mammoth* is a fabulist s tale of how we hold on and how we let go in a rapidly growing world I m Fine, But You Appear to Be Sinking Leyna Krow, 2017-02-14 In *I m Fine But You Appear to Be Sinking* the strange and the mundane collide These are stories of strange experiences set in familiar places and of familiar experiences set in strange places Many of the pieces in *I m Fine* take place close to home in suburban neighborhoods or rural communities The settings

are conventional yet something unexpected or even magical is occurring In one piece a couple speculates about random objects that appear without reason in their backyard In another neighbors try to figure out if a local meth dealer is keeping a live tiger captive on his property In other pieces it's the setting that's fantastical but the characters' reactions that remain ordinary like in the titular story where a journalist lost at sea and hunted by a mythical ocean creature admits to struggling with loneliness and isolation in much the same way he does even when he's safe at home Although they are not directly linked by any specific character the pieces in this collection are bound through reoccurring imagery and a shared theme of protagonists in emotional peril There are unexpected appearances and disappearances movement of inanimate objects the search for something lost the finding of something unusual There are prophecies dreams unidentifiable creatures and environmental catastrophes on a scale both large and small There are action figures and octopuses sullen teenagers and missing cats At their core these stories are imbued with mystery oddity humor and empathy They each stand on their own but mean considerably more when read together

Scorch Atlas Blake Butler, 2010-06-11 In this striking novel in stories a series of strange apocalypses have hit America Entire neighborhoods drown in mud glass rains from the sky birds speak gibberish and parents of young children disappear Millions starve while others grow coats of mold But a few are able to survive and find a light in the aftermath illuminating what we've become In the Disappeared a father is arrested for missing free throws leaving his son to search alone for his lost mother A boy swells to fill his parents ransacked attic in the Ruined Child Rendered in a variety of narrative forms from a psychedelic fable to a skewed insurance claim questionnaire Blake Butler's full length fiction debut paints a gorgeously grotesque version of America bringing to mind both Kelly Link and William H Gass yet imbued with Butler's own vision of the apocalyptic and bizarre

The Universe in Miniature in Miniature Patrick Somerville, 2010-11-01 From award winning novelist Patrick Somerville comes this genre busting novel in stories that leaps between small town suburbs and the outer reaches of outer space A cast of outcasts including the world's angriest mercenary a sad surrealist and a messianic alcoholic lawyer bind together in this surprisingly warm exploration of love and identity in the post millennial world

Failure to Comply Cavar, 2024-08-06 How far would you go to have real freedom To have true autonomy of both mind and body The narrator of Failure to Comply wants self determination at all costs and they want you to know what it did in fact cost them Their story is just a little hard to convey as they're not entirely sure where or even when they are Set in a dystopian post apocalyptic future this literary sci fi novel presents a world where humans have been unshackled from disease and their basest desires thanks to the genetic engineering and societal supervision of RSCH an inscrutable entity with unimaginable power including the ability to literally shape reality In RSCH's march toward perfecting the species however there are deviants including LGBTQ people and people with disabilities who are fighting for a different vision of humanity But where can they find hope when horror abounds projected into their own bodies and minds by RSCH
