### **The Sage Encyclopedia of Mood and Anxiety**

**Disorders** Dara G. Friedman-Wheeler, Amy Wenzel, 2024-10-15. Mood and anxiety disorders are among the most prevalent disorders covered in courses on psychological distress and disorders and encountered by mental health professionals. The SAGE Encyclopedia of Mood and Anxiety Disorders will provide students and other interested readers with a comprehensive and accessible reference for understanding these disorders with respect to their phenomenology, etiology, and treatment through an inclusive lens that consistently considers how these symptoms appear and are construed across cultures, addressing societal factors such as race, culture, equity, and oppression. Readers will become familiar with past and current approaches and theories and will enhance their understanding of the sociocultural factors that affect how we discuss, approach, and treat these types of psychological distress. As such, consideration of these factors will infuse this three-volume set.
