[The Encyclopedia of Modern American Small Arms/09315](#) Clemens Elwell,1987-11-01 *The Encyclopedia of Modern American Small Arms* Clemens Elwell,1987 A study of firearms manufactured in the mid 1980 s **Modern American Pistols and Revolvers** Arthur Corbin Gould,1894 **The Encyclopedia Americana** ,1927 **The Encyclopedia Americana** Frederick Converse Beach,Forrest Morgan,E. T. Roe,George Edwin Rines,Nathan Haskell Dole,Edward Thomas Roe,Thomas Campbell Copeland,1904 **Small Arms** Martin J. Dougherty,2012-12-15 Profiles small arms assault rifles light support weapons and infantry soldiers **Machine Guns** James H. Willbanks,2004-11-23 The machine gun often called the killing machine revolutionized modern ground combat brought an end to the traditional infantry and cavalry charge and changed the battlefields of war forever This volume in the Weapons and Warfare series describes the history of machine guns from the mid 19th century to the present following both the evolution of small arms technology and the impact of machine guns on the battlefield on military strategy and on human society This book discusses subjects ranging from the forerunners of mechanical and automatic guns to the unusual history of the Civil War era Gatling gun the first practical machine gun not used by the Union army because Gatling was a Southerner to the machine guns developed for the world wars and those for present day use Readers will see how the advent of the machine gun revolutionized ground combat and how in some instances technology outran tactics and doctrines with disastrous consequences *Nelson's Encyclopaedia* ,1913 **The Encyclopedia of Nineteenth-century Land Warfare** Byron Farwell,2001 This definitive one volume reference tells of the armies arms and actions of the century that defined modern warfare It s comprehensive coverage includes weapons development battles campaigns military leaders medicine and wartime journalism Contains nearly 1 000 illustrations reproduced from period sources Maps **The Encyclopedia of the Arab-Israeli Conflict** Spencer C. Tucker,Priscilla Roberts,2008-05-12 This exhaustive work offers readers at multiple levels key insights into the military political social cultural and religious origins of the Arab Israeli conflict *The Encyclopedia of the Arab Israeli Conflict A Political Social and Military History* is the first comprehensive general reference encompassing all aspects of the contentious Arab Israeli relationship from biblical times to the present with an emphasis on the era beginning with World War I *The Encyclopedia of the Arab Israeli Conflict* goes beyond simply recapping military engagements In four volumes with more than 750 alphabetically organized entries plus a separate documents volume it provides a wide ranging introduction to the distinct yet inextricably linked Arab and Israeli worlds and worldviews exploring all aspects of the conflict The objective analysis will help readers understand the dramatic events that have impacted the entire world from the founding of modern Israel to the building of the Suez Canal from the Six Day War to the Camp David Accords from the assassinations of Anwar Sadat and Yitzhak Rabin to the rise and fall of Yasser Arafat the 2006 Palestinian elections and the Israeli Hezbollah War in Lebanon **American Military History** Daniel K. Blewett,2008-12-30 In this companion volume to his 1995 bibliography of the

same title Daniel Blewett continues his foray into the vast literature of military studies As did its predecessor it covers land air and naval forces primarily but not exclusively from a U S perspective with the welcome emergence of small wars from publishing obscurity In addition to identifying relevant organizations and associations Blewett has gathered together the very best in chronologies bibliographies biographical dictionaries indexes journals abstracts glossaries and encyclopedias each accompanied by a brief descriptive annotation This work remains a pertinent addition to the general reference collections of public and academic libraries as well as special libraries government documents collections military and intelligence agency libraries and historical societies and museums **Shooting and Fishing ,1919 From Child Terrorism to Peace**

Activism Jonathan Matusitz,2022-10-14 This book examines the reasons for which children join terrorist movements and how they eventually become peace activists fighting the very crimes that they once committed The transformation of child terrorists into peace activists has received scant attention from academics and practitioners alike Particular focus is placed on child jihadism child terrorism in Africa and Latin America child separatist terrorism and White child supremacism These five groups of child terrorists represent about 80% of the problem across the world The text serves as a primer for anti terrorism and peace activism for global social change It includes original applied research and features personal accounts from former child terrorists who became peace activists themselves One of the nine chapters provides an in depth thematic analysis of the lives of 24 subjects from all five aforementioned groups The analysis produced four main themes that encapsulate the time and effort that it takes to become a peace activist today metamorphosis terrorist behavior disillusionment and anti terrorist behavior The book ends with multiple solutions from the perspective of social work including the reintegration of former child terrorists into society From Child Terrorism to Peace Activism is a resource of deep and broad appeal The text is essential reading for upper level undergraduate and Master s students in political science military studies international relations international law and peace and conflict studies It can be pertinent reading for students and instructors in international social work contemplating social work related solutions to rehabilitate former child terrorists and child soldiers into society through peace activism anti terrorist endeavors and other socio psychological methods that will produce social change The text also would appeal to faculty and students in childhood studies with an interest in child terrorism child development and child trauma and resilience Given the essentials depth and possibilities that the book offers it is a useful resource for audiences within counterterrorism institutes national security agencies and academic think tanks Information on motives strategies radicalization processes and recruitment methods used by terrorist organizations as well as their effects on various audiences will draw readers from law enforcement agencies and institutions
