# The End Of A Presidency

**Martin J. Medhurst**

## **The End Of A Presidency:**

**The End of the Rhetorical Presidency?** Diane Heith, 2020-07-30 The End of the Rhetorical Presidency Public Leadership in the Trump Era explores one of the most disruptive aspects of the Trump presidency Since the FDR administration presidents developed the capacity and skill to use the public to influence the legislative arena gain reelection survive scandal and secure their legacy Consequently presidential rhetorical leadership has its own norms and expectations Comparing President Trump s communications apparatus as well as rhetoric including Twitter to previous presidents Diane Heith demonstrates how Trump exercises leadership by adhering to some of these norms and expectations but rejects abandons and undermines most Heith argues that his individual rather than institutional approach to leadership represents a change in tone language and style She concludes that the loss of skill and capacity represents a devolution of the White House institution dedicated to public leadership especially in the legislative arena More significantly the individual approach emphasizes weakening the ability of the press and other political elites to hold the president accountable This book will appeal to students and scholars of the presidency as well as general readers who quest for a deeper understanding of the Trump White House

The Powers of the Presidency, 2013 This is a comprehensive and illustrative work on the historical and contemporary perspective on presidential powers guiding readers through the presidency as a constitutional office with many updated features from the previous edition

*Guide to the Presidency and the Executive Branch* Michael Nelson, 2012-08-13 This comprehensive two volume guide is the definitive source for researchers seeking an understanding of those who have occupied the White House and on the institution of the U S presidency Readers turn Guide to the Presidency and the Executive Branch for its wealth of facts and analytical chapters that explain the structure powers and operations of the office and the president s relationship with Congress and the Supreme Court The fifth edition of this acclaimed reference completes coverage of the George W Bush presidency the 2008 election and the first 3 years of the presidency of Barack Obama This includes coverage of their handling of the economic crisis wars abroad and Obama s healthcare initiatives The work is divided into eight distinct subject areas covering every aspect of the U S presidency and all chapters in each subject area have been revised and updated

Origins and Development of the Presidency including constitutional beginnings history of the presidency and vice presidency and presidential ratings Selection and Removal of the President including the electoral process a chronology of presidential elections removal of the president and vice president and succession Powers of the Presidency including the unilateral powers of the presidency and those as chief of state chief administrator legislative leader commander in chief and chief economist The President the Public and the Parties including presidential appearances the president and political parties the president and the news media the presidency and pop culture public support and opinion and the president and interest groups The Presidency and the Executive Branch including the White House Office the Office of the Vice President supporting organizations the cabinet and executive departments

presidential commissions and executive branch housing pay and perquisites Chief Executive and Federal Government including the president and Congress the president and the Supreme Court and the president and the bureaucracy Presidents their Families and Life in the White House and Beyond including the daily life of the president the first lady the first family friends of presidents and life after the presidency Biographies of the Presidents Vice Presidents First Ladies This new volume also features more than 200 textboxes tables and figures Major revisions cover the supporting White House organizations and the president's role as chief economist Additional reference materials include explanatory headnotes as well as hundreds of photographs with detailed captions     The Presidency in Mexican Politics George D.E. Philip,1992-06-18 A study of the relationship between the presidential power in Mexico and of key societal groups This text examines how this has developed since the 1960s Other titles in this series include Gender Culture and Empire Black Writers From South Africa and Kabuki in Modern Japan     **The Post-Heroic Presidency** Michael A. Genovese,Todd L. Belt,2016-06-13 This book examines how presidents from Nixon to Obama have faced the challenges of global leadership in a dramatically changing world one with more limited resources and an increasing number of threatening challengers The immediate post World War II era was undeniably a period of American power and influence Even during the Cold War the United States was the leader of the West exerting wide ranging power internationally But beginning with the Vietnam War America began experiencing a series of setbacks and challenges to its power The Post Heroic Presidency Leveraged Leadership in an Age of Limits examines how U S presidents have attempted to reverse or contend with this new era of limited power in which presidential leadership is hamstrung due to an increasingly globalized and interdependent world one where power is more diffuse and the system of checks and balances bind a president in an age of hyper partisanship The book examines presidents of the 20th and 21st centuries explaining how the first U S president to confront this new age was Richard Nixon who along with Henry Kissinger developed a sophisticated approach to deal with the recalibration of American power It documents how other recent presidents have either tried to make peace with limited power Jimmy Carter reverse the decline Ronald Reagan ignore the implications of limits George W Bush or find ways to lead that were less ambitious more prudent and less unilateral George H W Bush Bill Clinton and Barack Obama In the cases of Clinton and Obama this shift to using soft power persuasion and multilateralism earned them criticism that they are weak thereby undermining their efforts to lead both at home and abroad     *The Politics of the Presidency* John Anthony Maltese,Andrew Rudalevige,Joseph A. Pika,2024-02-06 The Politics of the Presidency thoroughly analyzes the change and continuity in Biden's first two and a half years in office and looks forward to the competitive setting for the 2024 presidential race     **The Post-Cold War Presidency** Anthony J. Eksterowicz,Glenn P. Hastedt,1999 With the end of the Cold War U S presidential leadership has become both more important and more difficult Post war periods have historically posed challenges to leadership and this time around the long time image of the Oleader of the free worldO has declined in the face of globalization and increased interdependence among nations It is

exactly this complex environment that makes Americans look ever more to their president for guidance This accessibly written volume discusses socio cultural political and economic changes during and after the Cold War period and how these have affected modern presidential leadership Prominent contributors cover key issues\_image and character domestic and foreign policy distraction theory domestic and international economics executive legislative relations security intelligence executive dominance and activist government\_and suggest strategies for helping to ensure a strong presidency in the future

The President's Family: An Inside Story Pasquale De Marco,2025-04-15 In the heart of the nation s capital within the iconic walls of the White House resides the President s family a unique and extraordinary clan entrusted with the immense responsibility of leading the United States of America This book takes readers on an exclusive journey into the lives of the First Family offering a captivating exploration of their roles challenges and triumphs Through intimate interviews historical accounts and behind the scenes anecdotes the book delves into the personal stories of the President s spouse the First Children and other family members It unveils the challenges they face in balancing public and private life the pressures of living under constant scrutiny and the unique opportunities they have to shape the nation s future Readers will gain an unprecedented glimpse into the daily routine of the First Family from their morning rituals to their state dinners their travels abroad to their quiet moments at home They will witness the challenges of raising children in the public eye the intricacies of working with the President and the sacrifices the family makes for the sake of the country Beyond the public facade the book also explores the profound impact the President s family has on American society and culture It examines their role as symbols of unity their influence on public opinion and their ability to inspire and motivate the nation This book is a fascinating and insightful exploration of the President s family shedding light on their lives their hopes and their dreams It is a story of leadership resilience and the enduring spirit of the American family If you like this book write a review on google books

*The Politics of the Presidency* Joseph A. Pika,John Anthony Maltese,Andrew Rudalevige,2021-11-16 The Politics of the Presidency maintains a balance between historical context and contemporary scholarship on the executive branch providing a solid foundation for any presidency course Get the most up to date coverage and analysis of the 2020 election and the Biden administration in the Revised Tenth Edition of this bestseller

**The Rhetorical Presidency of George H. W. Bush** Martin J. Medhurst,2006-02-15 For George H W Bush the distinction between campaigning politics and governing principles was crucial Once in office he abandoned his campaign mode and with it the rhetorical strategies that brought electoral success Not recognizing the crucial importance of rhetoric to policy formation and implementation Bush forfeited the resources of the bully pulpit and paid the price of electoral defeat In this first ever analysis of Bush s rhetoric to draw on the archives of the Bush Presidential Library scholars explore eight major events or topics associated with his presidency the first Gulf War the fall of the Berlin wall the New World Order Bush s education presidency his environmental stance the vision thing and the influence of the Religious Right The volume concludes with a cogent of the 1992 re election campaign

and Bush's last gasp use of economic rhetoric Drawing on the resources of the Bush Presidential Library and interviews with many of Bush's White House aides the scholars included in this tightly organized volume ask How well did President Bush and his administration respond to events issues and situations In the process they also suggest how a more perceptive embrace of the art of rhetoric might have allowed them to respond more successfully The Rhetorical Presidency of George H W Bush breaks important ground for our understanding of the forty first president's time in office and the reasons it ended so quickly

**Mental Maps in the Era of Détente and the End of the Cold War 1968-91** Jonathan Wright, Steven Casey, 2015-09-29 Mental Maps in the Era of D tente and the End of the Cold War recreates the way in which the revolutionary changes of the last phase of the Cold War were perceived by fifteen of its leading figures in the West East and developing world

*The Logic of American Politics* Samuel Kernell, Gary C. Jacobson, Thad Kousser, Lynn Vavreck, 2017-02-27 This new edition of the bestselling *The Logic of American Politics* is thoroughly updated and covers the dramatic 2016 election results with a thorough analysis of those results It arms students with a revised introduction to institutional design that makes concepts such as command veto agenda control voting rules and delegation easier for students to master and apply so they clearly see how the American political system was devised and why it works the way it does Authors Samuel Kernell Gary C Jacobson Thad Kousser and Lynn Vavreck build students critical thinking through a simple yet powerful idea politics is about solving collective action problems This new edition continues to delve into partisan differences among voters and in government and highlight the increasingly partisan nature of campaigns By exploring issues such as the Affordable Care Act's troubled implementation the increasing legalization of marijuana and same sex marriage in the states and the debate over immigration the book illustrates how the institutional structures of government federalism and even campaigns can help voters make sense of their choices The concluding chapter on policymaking examines the noticeable logic that guides American policy as shown through issues like health care reform global climate change and the federal budget Students glean insights into the sources of policy problems identify possible solutions and realize why agreement on those solutions is often so hard to achieve

*Understanding the Fundamentals of the U.S. Presidential Election System* Alexander S. Belenky, 2012-04-25 This is the first book on the U S presidential election system to analyze the basic principles underlying the design of the existing system and those at the heart of competing proposals for improving the system The book discusses how the use of some election rules embedded in the U S Constitution and in the Presidential Succession Act may cause skewed or weird election outcomes and election stalemates The book argues that the act may not cover some rare though possible situations which the Twentieth Amendment authorizes Congress to address Also the book questions the constitutionality of the National Popular Vote Plan to introduce a direct popular presidential election de facto without amending the Constitution and addresses the plan's Achilles Heel In particular the book shows that the plan may violate the Equal Protection Clause from the Fourteenth Amendment of the Constitution Numerical examples are provided to

show that the counterintuitive claims of the NPV originators and proponents that the plan will encourage presidential candidates to chase every vote in every state do not have any grounds Finally the book proposes a plan for improving the election system by combining at the national level the one state one vote principle embedded in the Constitution and the one person one vote principle Under this plan no state loses its current Electoral College benefits while all the states gain more attention of presidential candidates

Guide to the Presidency Michael Nelson, 2015-05-01 The Guide to the Presidency is an extensive study of the most important office of the U S political system Its two volumes describe the history workings and people involved in this office from Washington to Clinton The thirty seven chapters of the Guide arranged into seven distinct subject areas ranging from the origins of the office to the powers of the presidency to selection and removal cover every aspect of the presidency Initially dealing with the constitutional evolution of the presidency and its development the book goes on to expand on the history of the office how the presidency operates alongside the numerous departments and agents of the federal bureaucracy and how the selection procedure works in ordinary and special circumstances Of special interest to the reader will be the illustrated biographies of every president from Washington to the present day and the detailed overview of the vice presidents and first ladies of each particular office Also included are two special appendices one of which gathers together important addresses and speeches from the Declaration of Independence to Clinton s Inaugural Address and another which provides results from elections and polls and statistics from each office

*French Defence Policy Since the End of the Cold War* Alice Pannier, Olivier Schmitt, 2020-12-27 This book describes the evolution of French defence policy since the end of the Cold War For the past thirty years there have been significant changes to French defence policy as a result of several contextual evolutions Changes include shifts in the global balance of power new understandings of the notion of international security economic downturns and developments in European integration Yet despite these changes the purpose of France s grand strategy and its main principles have remained remarkably stable over time This book identifies the incentives representations and objectives of French defence policy The authors examine the general mechanisms that influence policy change and military transformation in democracies the importance of status seeking in international relations the processes of strategy making by a middle power and the dilemmas and challenges of security cooperation By doing so the book raises a number of questions related to the ways states adjust or not their security policies in a transformed international system This book makes French language sources available to non French speaking readers and contributes to a better understanding of a country that is at the forefront of Europe s external action This book will be of great interest to students of defence studies French politics military studies security studies and IR in general

**Public Papers of the Presidents of the United States** United States. President, 2000 Containing the public messages speeches and statements of the President 1956 1992

*Before the Rhetorical Presidency* Martin J. Medhurst, 2008-11-05 Since its identification in 1981 the rhetorical presidency has drawn both defenders and critics Chief among those critical of the

practice is political theorist Jeffrey K Tulis whose 1987 book *The Rhetorical Presidency* helped popularize the construct and set forth a sustained analysis of the baleful effects that have allegedly accompanied the shift from a constitutional presidency to a rhetorical one. Tulis locates this shift in the presidencies of Theodore Roosevelt and Woodrow Wilson, arguing that the rhetorical presidency is a twentieth century phenomenon. Yet not all scholars agree with this assessment. Before the Rhetorical Presidency is an attempt to investigate how U.S. presidents in the nineteenth century communicated with their publics, both congressional and popular. In part 1, Martin J. Medhurst, Mel Laracey, Jeffrey K. Tulis, and Stephen E. Lucas set forth differing perspectives on how the rhetorical presidency ought to be understood and evaluated. In part 2, eleven scholars of nineteenth century presidential rhetoric investigate the presidencies of Martin Van Buren, John Tyler, James K. Polk, Franklin Pierce, James Buchanan, Andrew Johnson, Ulysses S. Grant, Rutherford B. Hayes, Benjamin Harrison, Grover Cleveland, and William McKinley. As the first volume ever to focus on nineteenth century presidents from a rhetorical perspective, *Before the Rhetorical Presidency* examines administrations, policies, and events that have never before been subjected to rhetorical analysis. The sometimes startling outcomes of these investigations reveal the need for continuing debate over the nature, practices, and effects of the rhetorical presidency. In a brief afterword, Medhurst raises eight challenges to the original formulation of the rhetorical presidency and, in so doing, sets forth an agenda for future studies.

**Public Papers of the Presidents of the United States, William J. Clinton** United States. President (1993-2001 : Clinton), 1994 **Public Papers of the Presidents of the United States**, 2001-11 Contains public messages and statements of the President of the United States released by the White House from January 1 to June 30, 2002 *The American Presidency* Irwin L. Morris, 2010-08-15 Presidential scholars increasingly turn to science to address the fundamental issues in the field, but undergraduates are rarely taught the skills to do the same. *The American Presidency* introduces students to new insights produced by the scientific study of the presidency and the scientific endeavor itself. After chapters on the scientific study of the presidency and background information on the presidency, the text discusses prominent theories of presidential power. Chapters on presidential elections, the president's relationship with other political actors such as Congress and the Supreme Court, the president's role in foreign and economic policy, and presidential greatness include guided research exercises that provide students with the opportunity to apply the scientific method to empirical questions with significant theoretical content. *The American Presidency* provides students with the opportunity to learn about the presidency and enables them to draw their own reasoned conclusions about the nature of presidential power.

Eventually, you will agreed discover a supplementary experience and success by spending more cash. yet when? get you receive that you require to acquire those every needs past having significantly cash? Why dont you try to get something basic in the beginning?
