*The End of Enlightenment* Richard Whatmore,2023-12-07 A brilliant work of intellectual interpretation by our foremost historian of Enlightenment ideas Whatmore rescues the Enlightenment from today s circular debates and places it where it belongs in the pulsing chaotic era of its genesis and demise Christopher de Bellaigue The Enlightenment is popularly seen as the Age of Reason a key moment in human history when ideals such as freedom progress natural rights and constitutional government prevailed In this radical re evaluation historian Richard Whatmore shows why for many at its centre the Enlightenment was a profound failure By the early eighteenth century hope was widespread that Enlightenment could be coupled with toleration the progress of commerce and the end of the fanatic wars of religion that were destroying Europe At its heart was the battle to establish and maintain liberty in free states and the hope that absolute monarchies such as France and free states like Britain might even subsist together equally respectful of civil liberties Yet all of this collapsed when states pursued wealth and empire by means of war Xenophobia was rife and liberty itself turned fanatic The End of Enlightenment traces the changing perspectives of economists philosophers politicians and polemicists around the world including figures as diverse as David Hume Adam Smith Edmund Burke and Mary Wollstonecraft They had strived to replace superstition with reason but witnessed instead terror and revolution corruption gross commercial excess and the continued growth of violent colonialism Returning us to these tumultuous events and ideas and digging deep into the thought of the men and women who defined their age Whatmore offers a lucid exploration of disillusion and intellectual transformation a brilliant meditation on our continued assumptions about the past and a glimpse of the different ways our world might be structured especially as the problems addressed at the end of Enlightenment are still with us today

*Application of Most-Favoured-Nation Clauses by Investor-State Arbitral Tribunals* Tanjina Sharmin, 2020-04-01 This book comprehensively examines various issues regarding the scope of Most Favoured Nation MFN Clauses in International Investment Agreements IIAs and addresses the reform interpretation and enforcement of IIAs with a specific focus on the MFN clause The book begins with a study of the history and evolution of the MFN It then presents a substantive analysis focusing on the drafting style and how it affects the scope of the MFN rules of interpretation and arbitral case law on the scope of the MFN procedural prerequisites to arbitration and jurisdiction of arbitral tribunals and the implications of adopting an expansive approach to the MFN clause The book's argument centres on the need for arbitral tribunals to interpret the MFN in a manner that reflects the expressed intent of the parties This requires taking into consideration the text of the MFN its purpose and the overall context of the IIA rather than relying on values and assumptions that have nothing to do with the original intent of the parties In making this argument the book draws on Articles 31 and 32 of the Vienna Convention on the Law of Treaties and other interpretative rules What sets the book apart is its comprehensive

coverage of issues concerning the interpretation and application of the MFN in IIAs At the same time it addresses issues in connection with an expansive interpretation of MFN clauses as well as concerns regarding the legitimacy crisis in investor state arbitration Accordingly it contributes to future Investor State Dispute Settlement ISDS reform while also offering a wealth of theoretical and practical insights for future treaty drafters arbitrators and policymakers **The Japan Daily Mail**,1886 *The Jesus Lizard Book* The Jesus Lizard,2014-03-04 A coffee table book of exclusive photography art and other imagery with written pieces by all four members of the seminal indie rock band The layout is stylish and elegant and includes many Polaroids by David Wm Sims a delicious recipe by David Yow a concise list of every show The Jesus Lizard played and writings by the three producers who recorded the band Steve Albini Andy Gill and Garth Richardson The book includes biographic material of each member from childhood to the demise of the group Other contributors include Mike Watt Alexander Hacke and Steve Gullick
