The End Of Me:

The End of Me Kyle Idleman, 2015-10-01 Are you sometimes perplexed with Jesus's teaching? Do you really want what he wants? Bestselling author Kyle Idleman reveals that the key to the abundant life Jesus promised lies in embracing His inside-out way of life. As he examines Jesus's Sermon on the Mount, Kyle unpacks the many counter-intuitive truths including brokenness is the way to wholeness, mourning is the path to blessing, and emptiness is required in order to know true fullness. Ultimately, you will discover how Jesus transforms you as you begin to live out these paradoxical principles. Because only when you come to the end of yourself can you begin to experience the full, blessed, and whole life Jesus offers. [The End of Me](#)

System of Ethics Johann Gottlieb Fichte, 2005-11-17 Fichte's *System of Ethics* published in 1798 is at once the most accessible presentation of its author's comprehensive philosophical project *The Science of Knowledge* or *Wissenschaftslehre* and the most important work in moral philosophy written between Kant and Hegel. Fichte's ethics integrates the discussion of our moral duties into the systematic framework of a transcendental theory of the human subject. Its major philosophical themes include the practical nature of self-consciousness, the relation between reason and volition, the essential role of the drives in human willing, the possibility of changing the natural world, the reality of one's own body, the reality of other human beings, and the practical necessity of social relations between human beings. This volume offers a translation of the work together with an introduction that sets it in its philosophical and historical contexts. [The Image of His Father](#) Augustus
