

THE CHALLENGE

Increasing Profits Through Focused Management

The Challenge is an insider's look at the remarkable success of a major US corporation troubled by foreign competition and routine management.

This book shows how, by challenging routine action, and the assumptions behind that action, we can achieve a new level of competitive excellence. The answers are easy. It's asking and continuing to ask the right questions that will lead us to the right answers—answers which result in greater real efficiency, a competitive edge and increased profits.
