Psalm 78:38

He being compassionate, forgave their iniquity

The Compassionate God

Jonathan Miller

The Compassionate God:

The Compassionate God Choan-Seng Song, **Children of a Compassionate God** L. John Topel, 2001 Luke 16:16 forms the literary context for the Sermon on the Plain. This context grounds Jesus' teaching authority as the Son of God. The beatitudes and woes 6:20-26 establish a revolutionary vision of the authentic human life. The love commandment is grounded in two general ethical principles: the Golden Rule 6:31 as a maxim of general altruism and the imitatio Dei 6:36 making human conduct respond to the deepest human desires intimated in the Rule. Consequently, Christian disciples are to avoid hostile judgment as their master did; one can judge truly only by examining the fruits one produces. These commands which carry human authenticity beyond its limits are the only way to avoid total destruction. **The Compassionate, but Punishing God** Nathan C. Lane, 2010-03-08 Lane provides a canonical analysis of the credo of Exodus 34:6-7 and its major parallels in the Hebrew Bible. He argues that the credo was an important theological expression for the ancient Israelites and that the final form of the Tanak is marked by the use of the credo. These uses in the final form of the canon give evidence of the theological tension over the presence of the foreigners in the postexilic community. And this tension is marked by the use of the credo in texts that emphasize YHWH's covenantal relationship with ancient Israel. Torah movement toward the nations. Prophets and YHWH as king over the whole earth. Psalms. *The Compassionate Community* Jonathan Miller, 2007-09-18 Kentucky State Treasurer Jonathan Miller, a rising star in the Democratic party and the leading advocate for a broader discussion of faith within politics, identifies ten nonpartisan values that unite all Americans and uses Old Testament stories to highlight them. As an elected official in a red and largely Christian state, he has come to understand that although faith is often the source of divisiveness, the language of faith can bring Americans together. Inspiring stories from the Hebrew Bible illustrate Miller's plan to form a Compassionate Community. He shows that these lessons have the power to strengthen our country for future generations. **The Compassionate God** Samson Adedokun, 2010-11 Interpreting the book of Hebrews presents many challenges for the modern reader. One reason for this is that the letter represents only part of a dialogue between an unknown writer and a group of Jewish Christians. To truly understand its content requires carefully searching for clues and uncovering background information on Old Testament symbols and rituals that would have been apparent to the author's readers. In *The Compassionate God*, internationally acclaimed preacher and Bible teacher Samson A. Adedokun delves into the complexities of the text to unravel its meaning for the modern reader. He examines the coherency of the author's arguments as a theology of worship and shows how the letter was intended as both a challenge and encouragement to believers to persevere for Christ. He also examines questions such as: What gives Christ the right to cleanse people from sin? In what way is Christ superior to the angels? What does it mean to become apostate? If the Old Covenant focused on law, what does the New Covenant focus on? What are the three requirements of faith? What is unique about the cleansing that comes from Jesus Christ's sacrifice? How are Christians to respond to those who rule over them? What are Christians exhorted to do?

for their leaders In addition to the answers to these questions you will discover insight and understanding that will help you to have a transformational life as a member of the kingdom of God The Compassionate Community Catherine M.

Harmer,2005-01-11 It is easier to identify the problems in our world than the solutions And yet in many cases there are solutions at hand What is lacking is the will to apply them In the heart of this book Harmer identifies several problems endemic poverty homelessness domestic violence and inadequate health care In each case the significant causes of the current problem are juxtaposed with an analysis of failed strategies which continue to be fostered in spite of their failure She then reviews alternative approaches strategies that work which are actually being used and which involve the whole community The Compassionate Community is a wise and inspiring book that cuts through ideological polarities and political impassess and provides hope for a different future in this new millennium It includes a helpful resource list of community organizations many of them profiled here **The Compassion Quest** Trystan Owain Hughes,2013-02-21 In this follow up to

his much praised Finding Hope and Meaning in Suffering Trystan Owain Hughes encourages us to develop an approach to life that looks beyond our own concerns Using illustrations from poetry literature and film and drawing on contemporary scientific thought the author makes plain that our natural state is an interconnected harmony with God with each other and with the world around us Gradually we come to realize that loving others and desiring the best for them is worthwhile even when there seems to be little in it for us Just as Christ chose to humble himself and become God with us so we too will bring light to the lives of those around us by transcending our self centredness and becoming fully present to those in need And as we begin to attune ourselves to love s frequency our inner being will instinctively embrace all creation as sacred and deserving of our care and attention **The Compassion-Based Workbook for Christian Clients** Joshua J.

Knabb,2018-09-14 The Compassion Based Workbook for Christian Clients integrates contemporary research in clinical psychology on compassion based approaches to shame with a Christian worldview offering a wide variety of strategies for Christians to better understand and combat shame and negative self judgments Chapters lay out a four step process to help clients let go of unhelpful thinking patterns that lead to shame experience God s compassion on a deeper level and extend this compassion to themselves and others Readers will find a wealth of Christian sensitive experiential exercises journaling assignments biblical examples and case examples throughout the workbook Audio recordings for several guided meditations are also provided to help Christians practice the strategies offered in the workbook **A Gracious and Compassionate**

God Daniel C. Timmer,2016-03-11 In this New Studies in Biblical Theology volume on Jonah Daniel Timmer seeks to secure the book s ongoing relevance for biblical theology and for the spiritual life Timmer examines Jonah s historical backgrounds and Christocentric orientation hoping to bring clarity to problems of mission and religious conversion raised by the text
