OUTREACH RESOURCE OF THE YEAR EVANGELISM An essential guide in the art and instruction of issuing Christ's invitation to the lost Historic denominations are dying Church memberships and baptisms plummet with every passing year Pastors and church leaders are concerned about their churches plateauing Why One of the major reasons is because congregations aren't being publicly called to faith in Christ A growing number of evangelical pastors have opted for non confrontational approaches to calling people to faith in Jesus Some seminaries have removed evangelism classes from their curriculum and pastors aren't being taught how to give an effective God honoring public invitation void of manipulation Authors O S Hawkins and Matt Queen are asking church leaders to reconsider and rediscover the effectiveness of asking people to publicly decide to follow Christ O S Hawkins is a respected pastor who has led thousands to faith in Christ in both church and public settings Matt Queen is a trusted and gifted professor of evangelism who has consulted multitudes of pastors in personal and congregational evangelism Together they wrote *The Gospel Invitation* to assist others in successfully issuing a public appeal to receive Christ *The Gospel Invitation* covers A brief history of public gospel invitations The biblical justification for gospel invitations Practical and proven instructions for incorporating invitations into sermons Best practices *The Gospel Invitation* will equip pastors seminary students and anyone who evangelizes with the confidence to share the gospel and help more people come to Christ **Invitation to Evangelism** Timothy K. Beougher, 2021-08-24 Essential

Evangelism welcomes believers into the experience of stepping out in faith of behalf of people God loves Most Christians know that they should be sharing the good news of Jesus Christ with nonbelievers and most also know they aren't witnessing very well or even at all They need help internalizing the content of gospel proclamation and identifying the best way to go about making evangelism a natural part of their lives Invitation to Evangelism guides readers through the essential issues of the gospel message evangelism methods and witnessing models so they are ready and excited to move out in faith as everyday evangelists Beougher's biblical theological historical and practical teaching revolves around following essential aspects of being an evangelist Having compassion as the motivation for evangelism Understanding the good news of Jesus Christ Seeing lost people as persons God loves Relying on the power of the Holy Spirit Paving the way for new believers to share their faith eagerly with others

The Secret of Soul Winning Stephen Olford, David Olford, 2007 Olford's classic book on how to share one's faith with others returns to print with updates from his son and contributions from Billy Graham and Adrian Rogers

The Church of Us vs. Them David E. Fitch, 2019-07-16 We are living in angry times No matter where we go what we watch or how we communicate our culture is rife with conflict Unfortunately Christians appear to be caught up in the same animosity as the culture at large We are perceived as angry judgmental and defensive fighting among ourselves in various media while the world looks on How have we failed to be a people of reconciliation and renewal in the face of such tumult Claiming that the church has lost itself in the grip of an antagonistic culture David Fitch takes a close look at what drives the vitriol in our congregations He traces the enemy making patterns in church history and diagnoses the divisiveness that marks the contemporary evangelical church Fitch shows a way for the church to be true to itself unwinding the antagonisms of our day and making space for Christ's reconciling presence in our day to day lives He offers new patterns and practices that move the church beyond making enemies to being the presence of Christ in the world helping us free ourselves from a faith that feeds on division

The Great Commission Resurgence Chuck Lawless, Adam W. Greenway, 2010 A collection of essays by Southern Baptist leaders on the biblical theological and practical matters relating to their convention's Great Commission Resurgence initiative

Neo-Pentecostalism Nelson Kalombo Ngoy, 2019-05-23 For centuries Pentecostalism has played a significant role in oppressively shaping the life of formerly colonized people of Africa Moreover its theologies have perpetuated neocolonial policies developed through the lens of colonial legacies rooted in la mission civilizatrice mission to civilize However since the 1980s Neo Pentecostalism is increasingly reshaping the Congolese Christendom It sanctions the theologies of a prosperity gospel rooted in an uncritical reading of the Bible and self theologizing informed by a lack of literal contextual translation effects This book argues that the prosperity gospel bankrupts its adherents in this case the vulnerable impoverished sections of Sub Saharan Africa and particularly the Postcolonial Congo and instead offers a balanced theological reflection that broadens Neo Pentecostal studies with an African voice encouraging the rewriting and rereading of the story of redemptive mission The research engages a paradigm shift within global missions

and world Christianity or the history of missions as the platform to negotiate literal prophetic and contextual translation and retransmission of the biblical gospel It is critical to reclaim and reestablish a hermeneutic of mixed methodologies and construct a contextual and critical interpretation of the Bible in the Congo To avoid the African assumption of cultural baggage which affects how the Congolese interpret the Bible the interpreter has to be neutral and experience the voice of Christ in the text instead of the voice of Congolese culture they must be a prophetic voice to reconstruct the authentic meaning of the salvific story *Mobilizing a Great Commission Church for Harvest* Thomas P. Johnston, 2011-05-23

Mobilizing a Great Commission Church for Harvest addresses practical aspects of evangelism in the local church with the voices and views of nineteen current Southern Baptist professors of evangelism They address important topics to local church evangelism such as Invitations with integrity and Preparing for Spiritual Warfare Key leaders and professors write in their areas of expertise For examples Alvin Reid writes on Mobilizing Students David Wheeler on Servant Evangelism Josef Solc on Sports Evangelism and Darrell Robinson on The Evangelist In addition the book begins and ends with two different applications of Matthew s Great Commission Mobilizing a Great Commission Church for Harvest is a gold mine of information for both pastor and deacon as it is for students considering the importance of evangelism to local church ministry It is fresh new and true as all of its authors teach at SBC affiliated schools and are grounded in the Bible as the inerrant Word of God

Eutsler, 2025-04-24 For years the best sages have warned Those who fail to plan plan to fail Experience has proven this advice to be true in the spiritual realm as well as in the secular Without careful planning even Pentecostal ministers of the gospel often repeat certain texts or topics while they neglect other critical truths This frequent phenomenon inspired the integrated approach in this project Dr Eutsler has written a book on preaching that Pentecostal Charismatic pastors and ministers have needed for a long time Based on years of practical experience and sound scholarship it combines an emphasis on the guidance of the Holy Spirit along with long range planning After exploring the unique dynamics of Pentecostal preaching he discusses step by step how to increase their implementation on a more consistent basis This volume will benefit both beginning and veteran students of preaching It could easily be used personally or in a classroom setting Those preachers who read and implement its wise counsel will improve the quality creativity and variety of their preaching George O Wood General Superintendent of the Assemblies of God *Preaching for*
