The Eighteen Wheeler Hijack:

Skyjack: a full-throttle hijacking thriller that never slows down K.J. Howe, 2018-04-10 ACTION PACKED THRILL RIDE KARIN SLAUGHTER SENSATIONAL LEE CHILD HIGH STAKES UP TO THE MINUTE REALISM AND NONSTOP ACTION KAREN DIONNE In the follow up to her exhilarating debut *The Freedom Broker* K J Howe delivers a riveting and rip roaring thriller perfect for fans of Sandra Brown and Lisa Gardner International kidnap expert Thea Paris is escorting two former child soldiers on a plane from an orphanage in Kanzi Africa to adoptive parents in London when the Boeing Business Jet is hijacked and forced to make an emergency landing in the remote Libyan desert When the dust settles on a tense negotiation Thea finds herself at the beck and call of a ruthless criminal who will stop at nothing to crush his rivals even if it means forcing her to break international law Revealing a deadly conspiracy that connects the dark postwar legacy of World War II to the present this case will bring all parties to an explosive conclusion that will decide the fate of millions across Europe and the Middle East

Hijacking of the American Presidency Assad R. Wright, 2022-05-16 In the Hijacking of the American Presidency Terrorists in the White House when Chuck Chisolm gave his report of the splinter group s intent to assassinate the sitting president and have the vice president their hand picked puppet installed in his stead the reaction by the agents and policy makers present was indicative of the view held by many that Americans would always behave according to the rule of law provided in the constitution and a belief system long considered superior to others But that s like hijacking the presidency of the United States of America one agent protested his voice almost cracking in panic And putting terrorists in the White House another joined the protest This cannot be the deputy exclaimed We are the United States of America not a Third World country ruled by juntas Later when the deputy of the Department of Defense was apprised of the plan his reaction was similar Mother of God the Department of Defense deputy shouted What you re talking about is madness madness Madness You re talking about hijacking the presidency of the United States You re talking about overthrowing the constitution of the United States and you re talking about a coup de tat right here in the United States of America Has everybody gone mad The bottom line is since the tenets of the constitution and the long held values considered American are no longer considered sacrosanct one can expect radical changes that mirror even fractious societies Consequently our security forces can no longer be merely reactive but must be placed on a proactive footing with the ability to act preemptively if it becomes necessary

THREAT NEXUS Cortez Law III, 2020-10-22 Homicide Sergeant Malcolm Hobbs leading a counteroffensive against rogue military operatives with a doomsday countdown for the city of Atlanta and America

104th Meridian West Daniel Parks, 2018-01-18 Just when you thought you knew everything there was to know about the American Southwest you discover you were wrong very very wrong I've traveled throughout the West from California to Texas from the southern border to the upper reaches of the north and I've witnessed some unimaginable phenomenon and extraordinary wonders that baffle the understanding and confound the very soul of man This book is an account of the

connection of seemingly unrelated events that turned out to be mystically linked by an impalpable longitudinal line that augurs doom and death to those who dared to cross it When you open this book you are about to enter The 104th Meridian West may you rest in peace **Time for Frankie Coolin** Bill Granger,2014-11-06 The acclaimed journalist and author delivers a raw and vivid slice of Chicago in a novel that explores the changing tide of race class and politics The New York Times Time for Frankie Coolin is the story of a plasterer turned landlord in Chicago who in the late 1970s buys abandoned buildings and makes them just habitable enough to charge minimal rent from his mostly black tenants In this way Frankie is able to move his family to a house in the suburbs But Frankie s well ordered life comes apart when a casual favor for a cousin combined with a random act of arson set in motion a cascade of crises Suddenly Frankie s up against menacing G men and threats of prison if he doesn t talk But since talking has never been one of Frankie s strengths he copes as he always has by trying to tough it out on his own Time for Frankie Coolin is both a psychological thriller and a 70s Chicago period piece that shines a surprisingly sympathetic light on the often overlooked people who lived worked and died at the city s margins This edition includes a foreword by Bill Savage *Roger Ebert's Movie Yearbook 2004* Roger Ebert,2003 Featuring every review Ebert wrote from January 2001 to mid June 2003 this treasury also includes his essays interviews film festival reports and In Memoriams along with his famous star ratings *American Heiress* Jeffrey Toobin,2017-04-04 A National Bestseller From New Yorker staff writer and bestselling author of The Nine and The Run of His Life The People v O J Simpson the definitive account of the kidnapping and trial that defined an insane era in American history On February 4 1974 Patty Hearst a sophomore in college and heiress to the Hearst Family fortune was kidnapped by a ragtag group of self styled revolutionaries calling itself the Symbonese Liberation Army The weird turns that followed in this already sensational take are truly astonishing the Hearst family tried to secure Patty s release by feeding the people of Oakland and San Francisco for free bank security cameras captured Tania wielding a machine gun during a robbery the LAPD engaged in the largest police shoot out in American history the first breaking news event was broadcast live on television stations across the country and then there was Patty s circuslike trial filled with theatrical courtroom confrontations and a dramatic last minute reversal after which the term Stockholm syndrome entered the lexicon Ultimately the saga highlighted a decade in which America seemed to be suffering a collective nervous breakdown American Heiress portrays the electrifying lunacy of the time and the toxic mix of sex politics and violence that swept up Patty Hearst and captivated the nation *A Walk on the Rough Side* Charles W. Sharp Jr.,2008-06-27 The book is about a family who live on the northside of Pittsburgh PA They are a typical family living in the projects and wanting to get out and move to the suburbs away from crime and violence The father Henry is a long distance truck driver and his wife Mary is a stay at home mom John their son is a high school student who would love to be able to attend college in a major city and help his family move out of the projects They encounter many obstacles in their journey including an uncle who is shot by a gang of drug dealers Come join the family as they try and maneuver their way

through these streets and out of the ghetto Hard hitting gang violence affiliated with a ruthless drug lord and his Mafia contacts

INSIDE THE CHI LITES MUSIC Darren Cubie ,2022-12-26 The son of an R B legend tells the incredible but true story of a family torn apart by greed corruption and the systematic abuse of black artists in the United States Darren Cubie grew up in St Louis not knowing why assassination attempts FBI investigations and witness protection programs weren t supposed to be a normal part of life With the hall of fame success of the iconic soul group known as the Chi Lites Darren s father founding member Creadel Red Jones came a terrible price Like so many other black artists of the day the devil was in the details in the form of contracts and agreements with the mob filtered thru corrupt record executives and banksters The bitter ending of Creadel s journey in 1994 penniless on the streets of L A has spurred Darren on to become a champion for artists everywhere who ve suffered from this decades old system of abuse

The Federal Bureau of Investigation Douglas M. Charles,Aaron J. Stockham,2022-05-18 This authoritative set provides a one stop resource for understanding specific FBI controversies as well as for those looking to understand the full history law

enforcement authority and inner workings of the nation's most famous and important federal law enforcement agency. This authoritative two-volume reference resource uses a combination of encyclopedia entries and primary sources to provide a comprehensive overview of the FBI, detailing its history, most famous leaders and agents, institutional structure and authority, law enforcement responsibilities, reporting relationships to other parts of government, and major events and controversies. Today the FBI sits squarely at the intersection of major controversies surrounding the presidential campaign and administration of Donald Trump, foreign interference in U.S. elections, and politicization of law enforcement. But the FBI has always been in the political spotlight; its history is dotted with episodes that have come under heavy scrutiny, from its surveillance of civil rights leaders during the 1960s to the methods it employs to combat domestic terrorism in the post-9/11 era. And all the while, FBI agents and offices across the country continue to investigate a wide range of lawbreaking, from organized crime in all its facets to white-collar crime and corruption by public officials.

The Director Paul

Letersky, 2022-07-12. In 1965, at the beginning of the chaos, twenty-two-year-old Paul Letersky was assigned to assist the legendary FBI director J. Edgar Hoover, who'd just turned seventy and had by then led the Bureau for an incredible forty-one years. Hoover was a rare and complex man who walked confidently among the most powerful. His personal privacy was more tightly guarded than the secret files he carefully collected, and that were so feared by politicians and celebrities. Through Letersky's close working relationship with Hoover and the trust and confidence he gained from Hoover's most loyal senior assistant, Helen Gandy, Paul became one of the few able to enter the Director's secretive and sometimes perilous world. Since Hoover's death half a century ago, millions of words have been written about the man, and hundreds of hours of TV dramas and A-list Hollywood films produced. But until now, there has been virtually no account from someone who, for a period of years, spent hours with the Director on a daily basis.

The Pied Piper Ridley Pearson, 2012-08-14. A wave of kidnappings has terrified parents from San Diego to Portland. And when the Pied Piper, named for the penny flute he leaves in the cribs of his victims, claims his first Seattle infant, the investigation draws in homicide detective Lou Boldt. Assigned temporarily to Intelligence so he can spend more time with his kids while his wife is hospitalized for chemotherapy, Boldt's role is to keep the FBI out of the Seattle Police Department's way. But FBI special agent Gary Flemming is a tough adversary, so tough it almost seems as if he's intentionally sabotaging the SPD's investigation. Then the Pied Piper snatches Boldt's own daughter, promising that unless Boldt throws both the Feds and the SPD off his trail, he'll never see his child again. Caught between his professional obligations and his fear for Sarah's life, Boldt launches his own private manhunt with the help of John La Moia, his replacement in homicide, and police psychologist Daphne Matthews, his closest friend in the department. They form a sub rosa task force under the noses of the Feds and the SPD and soon discover how the Piper has managed to stay a step ahead of the police, elude capture, and find his small victims. The chase moves from Seattle to Portland to New Orleans, culminating in a thrilling denouement in the daffodil fields of Washington's Skagit Valley. Combining strong

characterizations with an impressive command of both policing and pacing Ridley Pearson author of *Chain of Evidence* and *Beyond Recognition* delivers another sure winner in this outing for Lou Boldt Jane Adams *Covert Operations Unveiling Organized Crime* Daniel M. Rudofossi, 2022-12-30 New York Police Department cop doc Dr Dan Rudofossi delves into what it meant to live as a deep cover operative through narratives with Joe Pistone the FBI agent who spent six years living as Donnie Brasco as a member of the Bonanno crime family When Operation Donnie Brasco abruptly closed it was the longest and most successful infiltration of a Mafia family Dr Rudofossi underscores Pistone s genius to survive daily challenges of infiltration by using innovations in the ecological niches of Mafia violence Donnie Brasco s mental toughness resilience and ingenuity are understood through Rudofossi s signature Eco Ethological Existential Analysis Mapping out why and how trauma shaped functional dissociation as unconscious adaptation the author s experience as a police psychologist that is a cop doc helps decode the bigger picture of conflict resolution and compromise in the disparate worlds of policing and organized crime This unique look at the costs and successes of tracking infiltrating arresting and convicting those involved in organized crime is a groundbreaking read for law enforcement personnel criminal justice homeland security law students police psychologists as well as anyone fascinated by the world of organized crime *Steeped in a Culture of Violence* Brandon T. Jett, Kenneth Howell, 2023-05-15 The Texas shooting at Santa Fe High School on May 18 2018 which killed ten and injured thirteen prompted public debate over the causes and potential solutions to this type of violent episode On May 21 2018 National Rifle Association president Oliver North declared that a culture of violence is largely responsible for these killings The problem that we ve got is we re trying like the dickens to treat the symptom without treating the disease The disease is youngsters who are steeped in a culture of violence This debate has captivated the American media and general public for decades Texas history is steeped in brutality and bloodshed creating a narrative that these conditions are still a vital part of the state s culture in the twenty first century But perceptions of violence are often at odds with realities on the ground Over several centuries violence has decreased with the development of modern society but popular perception seems to be that a culture of violence has emerged and perhaps persisted despite demographic economic cultural and political shifts in Texas Starting from the notion that a culture of violence existed historically in the state and asking if such a culture still persists in modern Texas this collection of essays examines trends associated with various types of violence within the state as well as social and political responses from 1965 to 2020 This important and timely work provides valuable context for discussions on violence in the past and for the future **Midnight Pass** Stuart M.
