**The Elementals** Sharada M Subrahmanyam, 2015-06-16 Here is your riddle I am greater than god I am more evil than the devil The poor have me The rich need me And death comes to those who eat me Who am I I am ever hungry And live if you feed me I am never thirsty And die if you quench me What am I I see much but change little I am firm irresolute Powerful but gentle I have enough strength to rip apart mountains Yet be moved by gentle stirrings I am life itself And I give life to others Who am I I m a five letter word that has no end One through three can amend One four and five are something alive Two and three occur near thee What am I I am light as a feather Yet no man can hold me for long My presence causes life My absence death I welcome the day with a show of light I stealthily came here in the night I bathe the earthy stuff at dawn But by the noon alas I m gone The last but not the least little one Lighter than what I am made of More of me is hidden than is seen I am the bane of the mariner A tooth within the sea Speak my name Fire: The Elementals Book One L.B.
