BESTSELLER Hope blooms anew for the Four Lands in this riveting conclusion not only to the Fall of Shannara series but to the entire Shannara saga a truly landmark event over forty years in the making Since he first began the Shannara saga in 1977 Terry Brooks has had a clear idea of how the series should end and now that moment is at hand As the Four Lands reels under the Skaar invasion spearheaded by a warlike people determined to make this land their own our heroes must decide what they will risk to save the integrity of their home Even as one group remains to defend the Four Lands another is undertaking a perilous journey across the sea to the Skaar homeland carrying with them a new piece of technology that could change the face of the world forever And yet a third is trapped in a deadly realm from which there may be no escape Filled with twists and turns and epic feats of derring do not untouched by tragedy this is vintage Terry Brooks and a fitting end to a saga that has gathered generations of readers into its fold **The Skaar Invasion** Terry Brooks,2018-06-19 NEW YORK TIMES BESTSELLER Following The Black Elfstone The Skaar Invasion is the second book of the epic four part conclusion to the Shannara series from one of the acknowledged masters of the fantasy genre The Four Lands are under siege Wielding a magical ability virtually impossible to combat mysterious invaders defeat the most fearsome Troll armies then focus their savagery on the Druid order and all hope seems lost Eventually the invaders reveal a more human face but understanding their motives in no way mitigates the brutality of their actions Dar Leah once the High Druid s Blade has crossed paths and swords with their ruthless leader before So he knows that if any hope exists it rests in the hands of the Druid Drisker Arc now trapped inside vanished Paranor As Drisker races to find the ancient knowledge that could free him Dar goes in search of Tarsha Kaynin the young woman blessed with the powerful gift of the wishsong whose magic could draw Drisker back into the world of the living But little do they know that what appeared to be a formidable invading force may only be the

forerunner of a much larger army one intent on nothing less than total conquest Praise for The Skaar Invasion Like The Black Elfstone before it and perhaps even more so The Skaar Invasion is one of Terry Brooks s most aggressively political novels It engages with familiar conflicts and themes digging deep into the challenges facing humanity and asking begging for us to do better The Skaar Invasion is an exhilarating intricate portrait of a world at war with itself Tordotcom Brooks continues the mastery of the world as may be expected when working in one as developed as Shannara RT Book Reviews *The Elfstones of Shannara Limited Edition* Terry Brooks,2017-06-06 The Stiehl Assassin Terry Brooks,2019-05-28 NEW YORK TIMES BESTSELLER After The Black Elfstone and The Skaar Invasion comes the penultimate volume in the Fall of Shannara a saga more than four decades in the making The Skaar have arrived in the Four Lands determined to stop at nothing less than all out conquest They badly need a new home but peaceful coexistence is not a concept they have ever understood An advance force under the command of the mercurial princess Ajin has already established a foothold but now the full Skaar army is on the march and woe betide any who stand in its way But perhaps the Skaar victory is not quite the foregone conclusion everyone assumes The Druid Drisker Arc has freed both himself and Paranor from their involuntary exile Drisker s student Tarsha Kaynin has been reunited with Dar chief defender of what is left of the Druid order and is learning to control her powerful wishsong magic If they can only survive Tarsha s brother Tavo and the Druid who betrayed Drisker Arc they might stand a chance of defeating the Skaar But that is a very big if as Tavo now carries the Stiehl one of the most powerful weapons in all the Four Lands and is hellbent on taking his revenge on everyone he feels has wronged him Child of Light Terry Brooks,2021-10-19 NATIONAL BESTSELLER The electrifying first novel of an all new fantasy series from the legendary author behind the Shannara saga about a human girl struggling to find her place in a magical world she s never known Enticing Brooks s fans will be thrilled to have a new series to savor Publishers Weekly At nineteen Auris Afton Grieg has led an unusual life Since the age of fourteen she has been trapped in a Goblin prison Why She does not know She has no memories of her past beyond the vaguest of impressions All she knows is that she is about to age out of the children s prison and rumors say that the adult version is far far worse So she and some friends stage a desperate escape into the surrounding wastelands And it is here that Auris s journey of discovery begins for she is rescued by a handsome yet alien stranger Harrow claims to be Fae a member of a magical race that Auris had thought to be no more than legend Odder still he seems to think that she is Fae as well although the two look nothing alike But strangest of all when he brings her to his wondrous homeland she begins to suspect that he is right Yet how could a woman who looks entirely Human be a magical being herself Told with a fresh energetic voice this fantasy puzzle box is Terry Brooks as you have never seen him before as one young woman slowly unlocks truths about herself and her world and in doing so begins to heal both **Small Magic** Terry Brooks,2021-03-02 Escape to worlds full of adventure and magic in the first ever Terry Brooks short story collection featuring both new and fan favorite stories from all three of his major literary worlds Shannara Magic Kingdom and The Word and the Void Here are
