The End Of My Tether:

A Dictionary of Anglo-American Proverbs & Proverbial Phrases, Found in Literary Sources of the Nineteenth and Twentieth Centuries George B. Bryan, Wolfgang Mieder, 2005 A Dictionary of Anglo American Proverbs Proverbial Phrases Found in Literary Sources of the Nineteenth and Twentieth Centuries is a unique collection of proverbial language found in literary contexts It includes proverbial materials from a multitude of plays auto biographies of well known actors like Britain s Laurence Olivier songs by William S Gilbert or Lorenz Hart and American crime stories by Leslie Charteris Other authors represented in the dictionary are Horatio Alger Margery Allingham Samuel Beckett Lewis Carroll Raymond Chandler Benjamin Disraeli Edward Eggleston Hamlin Garland Graham Greene Thomas C Haliburton Bret Harte Aldous Huxley Sinclair Lewis Jack London George Orwell Eden Phillpotts John B Priestley Carl Sandburg Harriet Beecher Stowe Jesse Stuart Oscar Wilde and more Many lesser known dramatists songwriters and novelists are included as well making the contextualized texts to a considerable degree representative of the proverbial language of the past two centuries While the collection contains a proverbial treasure trove for paremiographers and paremiologists alike it also presents general readers interested in folkloric linguistic cultural and historical phenomena with an accessible and enjoyable selection of proverbs and proverbial phrases

Early American Proverbs and Proverbial Phrases Bartlett Jere Whiting, 1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor s Dictionary of American Proverbs and Proverbial Phrases 1820 1880 It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting s authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what s the real thing and what is spurious
