## **The End Of Time:**

**Discovering the End of Time** Donald Harman Akenson, 2016-04-01 Apocalyptic millennialism is embraced by the most powerful strands of evangelical Christianity. The followers of these groups believe in the physical return of Jesus to Earth in the Second Coming, the affirmation of a Rapture, a millennium of peace under the rule of Jesus and his saints, and at last final judgment and deep eternity. In *Discovering the End of Time*, Donald Akenson traces the primary vector of apocalyptic millennialism to southern Ireland in the 1820s and 30s. Surprisingly, these apocalyptic concepts, which many scholars associate with the poor, the ill-educated, and the desperate, were articulated most forcefully by a rich, well-educated coterie of Irish Protestants. Drawing a striking portrait of John Nelson Darby, the major figure in the evolution of evangelical dispensationalism, Akenson demonstrates Darby's formative influence on ideas that later came to have a foundational impact on American evangelicalism in general and on Christian fundamentalism in particular. Careful to emphasize that recognizing the origins of apocalyptic millennialism in no way implies a judgment on the validity of its constructs, Akenson draws on a deep knowledge of early nineteenth-century history and theology to deliver a powerful history of an Irish religious elite and a major intersection in the evolution of modern Christianity. Opening the door into an Ireland that was hiding in plain sight, *Discovering the End of Time* tells a remarkable story at once erudite, conversational, and humorous, and characterized by an impressive range and depth of research.

**Get to the End** Michael Hickey, 2016-03-07 *Get to the End* is written about the end times, i.e., the end of the world and history as we know it. But it is written from a Catholic perspective. There are many books on the market that speak to the end times; however, they are all written from a Protestant perspective, and for the most part, they are written by Christians from conservative churches who are generally Fundamentalist Christians. There are virtually no books written about the end times from a Catholic perspective. The few that have been written with a Catholic perspective of the end times have been written for the most part by Catholic priests, and they are generally weighed down heavily in doctrine and dogma. This will be one of the first on the subject written by a Catholic layman who has a broader perspective than Catholic Doctrine and Dogma and who views himself as uniquely in the world but not of the world. **The**

**End Times in Chronological Order** Ron Rhodes, 2012-08-01 Bible prophecy expert Ron Rhodes offers an easy-to-understand yet detailed chronology and explanation of end-times events. The chapters are arranged around the major end-times themes: the rapture, the tribulation, the millennial kingdom, and the eternal state. Each chapter begins with a list of the specific events it covers, making this an extremely user-friendly chronological guide to end-times biblical prophecy. Rhodes allows for various interpretations among Christians. Yet the sequence he describes is faithful to the biblical text, based on a literal approach to prophecy and held by many Bible scholars. As readers discover that they really can understand Bible prophecy, they will come to love and trust the Scriptures like never before. **End Time Look at God's Redemption Plan,**

some even camp outside the bookstore overnight waiting to purchase a copy Television news sometimes captures the pictures of people pushing and shoving into the stores to get their hands on that book and within a few days they have read every line As I look at these lines of people I have often thought Now what book could get me so excited that I would stand in line for hours to get a copy and then lose sleep trying to read every word It would have to be a book filled with essential long lasting lifesaving information Its author has to be lovable and all knowing and the information has to be crucial to my existence now and in the future Then the thought flashes through my mind there is such a book available free for the asking but there are no long lines of eager excited people waiting to get their hands on it Is it possible that most people really do not know what is in this book This book is none other than the Bible The Bible is the most important book that has been written and the most important book that we will ever read This book reveals the history of God s plan of redemption **The Bible and the Future** Anthony A. **Biblical Figures in the Islamic Faith** Stephen J. Vicchio,2008-07-01 Vicchio believes that by understanding how much Muslim tradition overlaps with the biblical traditions of Judaism and Christianity we might begin to expose a wedge of common ground on which understanding and respect might begin to be built Vicchio begins with a brief introduction sketching some fundamentals of Muslim history and culture and clearing away some common misconceptions His main goal however is to give us a detailed look at the treatment of biblical figures in the literature of Islam The broad range of his research and presentation is startling He begins with the Qur an but continues on to the collected writing of the roughly two hundred years after Mohammed Hadith Sunnah Akhbar that came to be regarded as authoritative in the various traditions that developed in early Islam He then traces the interest in these biblical figures on into modern treatments of the role of these figures in Muslim scholarship and how these figures are understood and used in the traditions of Islam yet today The result of Vicchio s scholarship and presentation will be a revelation to most Christian and Jewish readers It has become somewhat commonplace to refer to Judaism Christianity and Islam as the three Abrahamic faiths This shows a beginning awareness of the beginnings of each of these three great religions birthed in the Middle East in a common ancestor Abraham Ibrahim Abraham s faithfulness and his closeness to God make his a revered figure in each of these three great faiths and for each Abraham is a beginning of the story of the particular relationship between God and the people of each of these religions from the Foreword

**The Rapture 2028: America'S Countdown to Apocalypse!** David Netherton,2015-01-02 A Shocking Bible Discovery found in the Dead Sea Scrolls After forty years of research in the Biblical text this book came about while studying Biblical manuscripts in their original Greek I was given a project by my Greek professor to research the Dead Sea Scrolls This research changed my life my belief about time and the books of the

Bible While researching the Dead Sea Scrolls I found two historical books that were in the Bible during Jesus time on this Earth So I ask this question Why did man remove these books The deeper I studied I discovered that our Bible should have seventy books instead of sixty six Six is the number of man and a number representing incompleteness Sixty six doubles its meaning and the number 666 needs no explanations Men do resist Gods will today 2 Peter 3 9 While researching the subject I encountered extreme opposition The books of the Bible should be divisible by seven So we are missing one New Testament book and three Old Testament books to make a seventy book Bible Have we been deceived by our religious leaders and science community Does all time truly consist in a 7 007 year window This book is written from the complete seventy book Bible which was revealed in the Dead Sea Scrolls Do the scrolls reveal angels mating with the daughters of Adam Where did the giant human originate Have we all been lied to about Genesis 6 and the events during the days of Noah Are angels and demons masquerading as aliens and UFOs in a great end of time deception Will the dollar collapse by 2022 Will the U S be destroyed in one day by 2028 However when He the Spirit of truth has come He will guide you into all truth for He will not speak on His own authority but whatever He hears He will speak and He will tell you things to come John 16 13 14
