

JROTC

Junior Reserve
Officer Training
Corps

It's a program taught in

3500

High Schools across the country
by military veterans

It's supposed to be an elective,
the Pentagon has said that
requiring students to take them
goes against its guidelines.

The New York Times found that **thousands of public school students**
were being **funneled into classes** without ever having chosen them,
either as an **explicit requirement** or by being **automatically enrolled**.

•The NYT collected
enrollment data
from more than

200 public
record
requests

A vast majority
of the schools with high enrollment,
indicating forced enrollment, are attended
by a large proportion of
nonwhite students
and those from
low-income households
