Waiting to be Heard Bogusia J. Wojciechowska, 2009 Waiting to be Heard is the voice of the persecuted the brave the hopeful the betrayed and the determined It is a testament to the strength of the human spirit and to a generation that did not see itself as victims but as survivors Studies of the War and post War years have traditionally focused on political and military history In recent years there has been a greater interest in the social consequences of the War Nevertheless discussions relating to the displacement of the Polish born usually focus on the Holocaust interpreted as a Jewish only phenomenon Yet in the years 1939-45 Poland lost 6 029 000 or 22% of its total population including approximately 3 million of its Christian residents Many of those who survived the War at its conclusion were scattered all over the world by the end of 1945 249 000 members of the Polish Armed Forces were under British command with 41 400 dependants in the United Kingdom Italy East and South Africa New Zealand India Palestine Mexico and Western Germany These refugees have long sought a voice for their experiences The website www.PolishDiaspora.net was created in 2006 by Dr Wojciechowska as a forum for their voices The international deluge of interest in the project resulted in Waiting to be Heard While some participants had talked and

written about their experiences before the majority had not discussed their experiences with anyone outside their immediate social circle And the memories are still painful as exemplified by one participant who said God I askyou allow me to forget those days and weeks when I lay on piles of corpses in the hope of finding a tiny bit of warmth allow me to forget the licking of ice from the walls of the cattle wagons allow me to lose my memory of those years Escape from Archangel Thomas E. Simmons,2011-08-16 During World War II merchant marine tankers in convoys plied the frozen North Atlantic through the flaming wreckage of torpedoed ships Working to keep sea lanes open valiant merchant seamen supplied food fuel and goods to the Allies in the last pockets of European resistance to the Nazis This exciting book acknowledges that the merchant marines all volunteers are among the unsung heroes of the war One of these was Jac Smith an ordinary seamen on the Cedar Creek a new civilian tanker lend leased to the U S S R and in the merchantman convoy running from Scotland to Murmansk Smith s riveting adventures at sea and in the frozen taigas and tundra are a story of valor that underlines the essential role of merchant marines in the war against the Axis powers This gripping narrative tells of a cruel blow that fate dealt Smith when after volunteering to serve on the tanker headed for Murmansk he was arrested and interned in a Soviet work camp near Arkhangelsk Escape from Archangel recounts how this American happened to be imprisoned in an Allied country and how he planned and managed his escape In his arduous 900 mile trek to freedom he encountered the remarkable Laplanders of the far north and brave Norwegian resistance fighters While telling this astonishing story of Jac Smith and of the awesome dangers merchant seamen endured while keeping commerce alive on the seascape of war Escape from Archangel brings long deserved attention to the role of the merchant marine and their sacrifices during wartime **Letters From Berlin** Kerstin Lieff,2012-10-02 The stunning memoir of a girl coming of age in Hitler s Germany her subsequent imprisonment in the Russian Gulag and her posthumously discovered love letters to a mysterious soldier on the front written during the final siege of Berlin Jacket *The Holocaust* National Jewish Resource Center (U.S.),1985 **Survival on the Margins** Eliyana R. Adler,2020-11-17 Co winner of the Yad Vashem International Book Prize for Holocaust Research The forgotten story of 200 000 Polish Jews who escaped the Holocaust as refugees stranded in remote corners of the USSR Between 1940 and 1946 about 200 000 Jewish refugees from Poland lived and toiled in the harsh Soviet interior They endured hard labor bitter cold and extreme deprivation But out of reach of the Nazis they escaped the fate of millions of their coreligionists in the Holocaust Survival on the Margins is the first comprehensive account in English of their experiences The refugees fled Poland after the German invasion in 1939 and settled in the Soviet territories newly annexed under the Molotov Ribbentrop Pact Facing hardship and trusting little in Stalin most spurned the offer of Soviet citizenship and were deported to labor camps in unoccupied areas of the east They were on their own in a forbidding wilderness thousands of miles from home But they inadvertently escaped Hitler s 1941 advance into the Soviet Union While war raged and Europe s Jews faced genocide the refugees were permitted to leave their settlements after the Soviet government agreed to an amnesty Most spent the

remainder of the war coping with hunger and disease in Soviet Central Asia When they were finally allowed to return to Poland in 1946 they encountered the devastation of the Holocaust and many stopped talking about their own ordeals their stories eventually subsumed within the central Holocaust narrative Drawing on untapped memoirs and testimonies of the survivors Eliyana Adler rescues these important stories of determination and suffering on behalf of new generations
