God's Minute A Book of 365 Daily Prayers Sixty Seconds Long for Home Worship , 365 Eminent Clergymen and Laymen, 2024-02-19 This book of daily devotionals one for every day of the year contains contributions from hundreds of Christians all distinguished in their belief and service to God and Christ's Gospel The superb and wide ranging selection of topics receives the name God's Minute as each is designed to be read in around sixty seconds Though characterized by brevity the spiritual lessons and counsel provided in this book are valuable and thought provoking Many of the contributors were known by their congregation to use such lessons at the beginning or conclusion of a church worship readers may opt to receive such wisdom at the beginning or end of each day Subjects covered in this book range from the sermons of Christ the qualities of an upstanding believer and the overcoming of adversity The practices of Christianity such as the confession of sins and the use of prayer to communicate to God or request His assistance serve as recurring themes How frequent trials and adversities affect us and those around us and how we may draw upon our spiritual strength to surmount such challenges After the conclusion of the year's devotions we also find a series of prayers for occasions of the year such as Easter and Christmas Day Printed *The Child Samuel, a Practical and Devotional Commentary on the Birth and Childhood of the Prophet Samuel, Etc* Edward Meyrick GOULBURN (Dean of Norwich.), 1876 Did You Think To Pray R.T. Kendall, 2011-11-14 Your heavenly Father values you as much as anybody who has ever lived Think about that God loves you and wants to talk to you With prayer we all have equal access we are all on level ground What's more prayer gives you the privilege of access to ultimate power God can make anything happen He can heal Solve any problem Change your financial situation Open doors Cause everything that has happened in your past whether it was right or wrong whether you were right or wrong to work together for good Did You Think to Pray helps you to better understand what prayer is why it is so important and how you can overcome the obstacles that prevent you from doing it Learn how to make prayer the foundation of your life you can only benefit from spending more time with God I cannot imagine a greater motivation to pray than that God enjoys having me in His presence He enjoys my company He delights in listening to me He doesn't get bored with my repeated requests He never makes me feel stupid There is no rejection only total acceptance R T Kendall in Did You Think to Pray *Self-Confrontation* John C. Broger, BCF writing team, 1991-10-01 The purpose of this manual is to teach you how to examine yourself biblically so you can live in a manner that pleases the Lord and help others to do the same The material in this manual also has been used in Bible studies for youth and adults classes for Christian students junior high high school college and seminary level courses of study designed to prepare missionaries for their ministry evangelism training discipleship training in prison ministries Sunday school classes home group studies personal devotional studies and Scripture memorization programs In addition it has proved valuable as a resource for pastors counselors health care professionals personnel managers educators social workers and other professionals who are responsible to deal with personal and

interpersonal problems As you progress through this manual you will discover many other uses for this material in your life and personal ministry Please do not be intimidated by the volume of Scripture references contained in this manual A new believer in Jesus Christ can find great comfort and help from looking up only one verse out of many that are listed on a particular subject On the other hand the Bible scholar or seminary student may desire to research many of the Scripture references from the original languages of the Bible No matter how proficient you are in using Scripture this manual encourages you to rely on the Word of God to discover God's sufficiency for every aspect of your life

Chronometres Krista Lysack, 2019-09-20 What does it mean to feel time to sense its passing along the sinews and nerves of the body as much as the synapses of the mind And how do books as material arrangements of print and paper mediate such temporal experiences *Chronometres* Devotional Literature Duration and Victorian Reading Culture is a study of the time inflected reading practices of religious literature the single largest market for print in Victorian Britain It examines poetic cycles by John Keble Alfred Tennyson Christina Rossetti and Frances Ridley Havergal family prayer manuals Sunday reading books and periodicals and devotional gift books and daily textbooks Designed for diurnal and weekly reading chronometrical literature tuned its readers' attentions to the idea of eternity and the everlasting peace of spiritual transcendence but only in so far as it parcelled out reading into discrete increments that resembled the new industrial time scales of factories and railway schedules *Chronometres* thus takes up print culture affect theory and the religious turn in literary studies in order to explore the intersections between devotional practice and the condition of modernity It argues that what defines Victorian devotional literature is the experience of its time signatures those structures of feeling associated with its reading durations For many Victorians reading devotionally increasingly meant reading in regular portions and often according to the calendar and work day in contrast to the liturgical year Keeping pace with the temporal measures of modernity devotion became a routinized practice a way of synchronizing the interior life of spirit with the exigencies of clock time *Chronometres* considers how the deliverances afforded through time scaled reading are persistently materialised in the body both that of the book and of the reader Recognizing that literature and devotion are not timeless abstractions it asks how the materiality of books conceived as horological relationships through reading might bring about the felt experience of time Even as Victorian devotion invites us to tarry over the page it also prompts the question what if it is eternity that keeps time with the clock
