Bruce Jay Friedman

Slightly Older Guy:

The Lonely Guy and The Slightly Older Guy Bruce Jay Friedman, 2007-12-01 The New York Times bestselling author finds the pulse of the aging American male in two ingeniously funny novels I just laughed myself sick Neil Simon Two classic works of comic self help fiction by one of the funniest writers in America available together for the first time in a single ebook edition John Gregory Dunne With its sparkling winsome and true look at the single male in America from his sad new apartment furnishings to his career struggles to the mystifying dating world Bruce Jay Friedman's *The Lonely Guy's* Book of Life was as cringingly relatable to both men and women when it was first published in 1978 as is today The New York Times Book Review The inspiration for Steve Martin's classic cult film comedy *The Lonely Guy* it was hailed as the funniest book of this year or most any other You don't close this book You just start reading it again immediately I loved every page and laughed out loud on most of them Dan Jenkins author of *Semi Tough* and *Dead Solid Perfect* Twenty years later Friedman returned to the subject with *The Slightly Older Guy* finding his quarry no longer alone maybe a little less lonely not so young anymore faltering at fashion pondering a new career but just as resiliently witty Featuring a new afterword *The Considerably Older Guy* offers advice on such topics as divorce grandchildren exercise diet and insomnia If you believe in reading then when a book comes along by Friedman you have to read it It's as simple as that The Washington Post Book World **The**

Slightly Older Guy Bruce Jay Friedman, 1995 In this fresh wry and often hilariously funny book Bruce Jay Friedman addresses virtually every one of the *Slightly Older Guy's* concerns shooting holes in his fears and offering outrageous suggestions on how to get through this precarious and unfamiliar phase *The Slightly Older Guy* is reassured about his memory Have you ever really been able to tell the difference between Chita Rivera and Rita Moreno is advised to develop a slider when he can no longer rely on his high hard one has served up to him a special diet geared to his ever changing nutritional needs the remarkable half portion approach to dining He's enlightened on finance Never ask a waiter for stock tips career changes from accountant to lounge act the tremendous importance of friends the perils and delights of an eleventh hour romance and the tricky business of taking on a young wife Wills epitaphs car selection and more it's all included in this fascinating romp in which Friedman guides the *Slightly Older Guy* through the delicate shoals of his new lifestyle Readers of both sexes and of all ages yes there are SOGs in their twenties and some in their sixties will find the evolution of a shaky befuddled suddenly mature man into a confident well anchored *Slightly Older Guy* funny poignant and enormously touching BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

The Slightly Older Guy Bruce J. Friedman, 1998-01-01 **Sex, Murder, and the Meaning of Life** Douglas T Kenrick, 2011-04-26 Kenrick writes like a dream Robert Sapolsky Professor of Biology and Neurology Stanford University author of *A Primate's Memoir* and *Why Zebras Don't Get Ulcers* What do sex and murder have to do with the meaning of life Everything In *Sex Murder and the Meaning of Life* social psychologist Douglas Kenrick exposes the selfish animalistic

underside of human nature and shows how it is intimately connected to our greatest and most selfless achievements Masterfully integrating cognitive science evolutionary psychology and complexity theory this intriguing book paints a comprehensive picture of the principles that govern our lives As Kenrick divulges beneath our civilized veneer human beings are a lot like howling hyenas and barking baboons with heads full of homicidal tendencies and sexual fantasies But in his view many ingrained apparently irrational behaviors such as inclinations to one night stands racial prejudices and conspicuous consumption ultimately manifest what he calls Deep Rationality Although our heads are full of simple selfish biases that evolved to help our ancestors survive modern human beings are anything but simple and selfish cavemen Kenrick argues that simple and selfish mental mechanisms we inherited from our ancestors ultimately give rise to the multifaceted social lives that we humans lead today and to the most positive features of humanity including generosity artistic creativity love and familial bonds And out of those simple mechanisms emerge all the complexities of society including international conflicts and global economic markets By exploring the nuance of social psychology and the surprising results of his own research Kenrick offers a detailed picture of what makes us caring creative and complex that is fully human Illuminated with stories from Kenrick s own colorful experiences from his criminally inclined shantytown Irish relatives his own multiple high school expulsions broken marriages and homicidal fantasies to his eventual success as an evolutionary psychologist and loving father of two boys separated by 26 years this book is an exploration of our mental biases and failures and our mind s great successes Idiosyncratic controversial and fascinating Sex Murder and the Meaning of Life uncovers the pitfalls and promise of our biological inheritance

The Man in the Window K. O. Dahl,2009-03-31 Detective Frank Frolich and Inspector Gunnarstranda investigate the mysterious murder of an elderly antique dealer which leads them to disturbing facts about the victim s past following the Nazi occupation of Norway

Therapy with Single Parents Joan D Atwood, Frank Genovese,2014-02-25 Provide effective counseling to members of single parent families With more than half of all first marriages ending in divorce it s time to re think the notion that divorce means failure Therapy with Single Parents focuses on the strengths of the single parent family rather than its weaknesses stressing the need to look at the socially constructed norms values and definitions associated with marriage and family in order to provide effective counseling This unique book examines experiences that are common to single parents and presents interventive strategies for treating single parent family issues drawing on clinical case studies to provide technical knowledge in everyday language Current research shows that single parents account for 27 percent of family households that include children under 18 and that the number of single mothers in the United States more than tripled between 1970 and 2000 Therapy with Single Parents challenges outdated notions that the single parent family is somehow deficient and associated with adjustment problems in children It doesn t ignore the anger pain sadness and guilt experienced by many members of single parent families but offers therapeutic considerations from a more balanced approach The book examines the social psychological and sexual experiences of newly

single parents and addresses the ups and downs they ll face in dealing with schools the workplace and social services Therapy with Single Parents examines social and psychological differences between divorce and widowhood cognitive behavioral principles of single parent families what children can learn from divorce dealing with the ghosts of past relationships relationship rules dealing with adult children and extended families the effect of change in divorcing families the feminization of poverty the therapeutic value of social networks Therapy with Single Parents is an invaluable resource for psychologists professional counselors social workers and marriage and family therapists The book presents a thorough in depth examination of the single parent family system as a viable healthy family form

Evolutionary Explanations of Human Behaviour John H. Cartwright,2023-05-31 In recent years a new discipline has arisen that argues human behaviour can be understood in terms of evolutionary processes Evolutionary Explanations of Human Behaviour is an introductory level book covering evolutionary psychology this new and controversial field The book deals with three main areas human reproductive behaviour evolutionary explanations of mental disorders and the evolution of intelligence and the brain The book is particularly suitable for the AQA A A2 syllabus but will also be of interest to undergraduates studying evolutionary psychology for the first time and anyone with a general interest in this new discipline

Social Psychology Australian & New Zealand Edition Saul Kassin,Steven Fein,Hazel Rose Markus,Kerry Anne McBain,Lisa Williams,2019-08-01 Using a balanced approach Social Psychology 2e connects social psychology theories research methods and basic findings to real world applications with a current events emphasis Coverage of culture and diversity is integrated into every chapter in addition to strong representation throughout of regionally relevant topics such as Indigenous perspectives environmental psychology and conservation community psychology gender identity and attraction and close relationships including same sex marriage in different cultures gendered behaviours when dating and updated data on online dating making this visually engaging textbook useful for all social psychology students

The Legacy of Hades Rhonda Grant Boles,2012-02-21 For her one hundredth birthday Makaria the daughter of Hades also known as the Goddess of Blessed Death expresses a desire to leave her home in the Underworld in an effort to research mortal life on the surface Upon enrolling at the prestigious Princeton University she befriends the grandson to the Duke of Wellington Alexander Beckham III and his cousin Nicolette her college roommate Alex has an instant attraction to Makaria but she has her eyes set on a bad boy rocker named Mike Through a series of unfortunate events Alex Nicolette and Makaria find it nearly impossible to maintain their family secrets What will Makarias parents think of her new found mortal love What will happen when Alex Nicolette Makaria and Mike learn the truth of each others LEGACY

Beyond Criminology Paddy Hillyard,Christina Pantazis,Steve Tombs,Dave Gordon,2004-09-20 Crime forms only a small and often insignificant amount of the harm experienced by people While custom and tradition play an important role in the perpetuation of some types of harm many forms of harm are rooted in the inequalities and social divisions systematically produced in and by contemporary states Exploring a range of topics including

violence indifference corporate and state harms murder children asylum and immigration policies sexuality and poverty the contributors raise a number of theoretical and methodological issues associated with a social harm approach Only once we have identified the origins scale and consequences of social harms they argue can we begin to formulate possible responses and these are more likely to be located in public and social policy than in the criminal justice system The book provides an original and challenging new perspective that goes beyond criminology one which will be of interest to students teachers and policy makers

Evolution and Human Behavior John Cartwright,2000 The book covers fundamental issues such as the origins and function of sexual reproduction mating behavior human mate choice patterns of violence in families altruistic behavior the evolution of brain size and the origins of language the modular mind and the relationship between genes and culture

Nowhere Man B Hughes,K Roberts,2012-01-05 In an alternative universe John Lennon survives his brutal shooting in New York In a desperate attempt to save himself and his family from the repercussions he escapes to Scotland and has the world believe he is dead allowing himself to become a martyr of peace and love The only exceptions to this are Yoko and the ex Beatles But thirty years later when his headstrong granddaughter discovers the truth he is forced to come out of hiding facing the world and its questions but only one question remains How will the world react to the one and only Nowhere Man And can a Nowhere Man be truly accepted by his family

Beijing Smog Ian Williams,2017-05-28 Set in contemporary China Beijing Smog is a novel about deception It is about the power of online ridicule and rumour in a society where truth and reality are about as clear as the thick smog beneath which corrupt politicians struggle for power spies stalk cyberspace and a bubble economy is about to burst

The Evolution of Desire David M. Buss,2016-12-27 A drop dead shocker Washington Post Book World that uses evolutionary psychology to explain human mating and the mysteries of love If we all want love why is there so much conflict in our most cherished relationships To answer this question we must look into our evolutionary past argues prominent psychologist David M Buss Based one of the largest studies of human mating ever undertaken encompassing more than 10 000 people of all ages from thirty seven cultures worldwide The Evolution of Desire is the first work to present a unified theory of human mating behavior Drawing on a wide range of examples of mating behavior from lovebugs to elephant seals from the Yanomam tribe of Venezuela to online dating apps Buss reveals what women want what men want and why their desires radically differ Love has a central place in human sexual psychology but conflict competition and manipulation also pervade human mating something we must confront in order to control our own mating destiny Updated to reflect the very latest scientific research on human mating this definitive edition of this classic work of evolutionary psychology explains the powerful forces that shape our most intimate desires

The Hidden Sovereign 6 Ethan,2024-12-24 **Homicide** Sara Skott,2022-07-15 Homicide Towards a Deeper Understanding offers an in depth analysis into the phenomenon of homicide examining different types of homicide and how these types have changed over time Based on original analysis on Scottish data this book draws upon an international body of research to contextualize

the findings in a global setting filling an important gap in the homicide literature pertaining to the relationship between trends in homicide and violence Examining homicide from gendered as well as Gothic perspectives this book also relates homicide to novel critical theory The book covers a thorough description of different types of homicide including sexual homicide and provides an explorative approach to the identification of homicide subtypes The book also explores how these findings relate to current homicide theory and proposes a new theoretical framework to gain a deeper understanding of this crime The main argument of the book is that if homicide and its relationship to wider violence is to be fully understood theoretically as well as empirically this crime needs to be disaggregated in a way that reflects the underlying data Overall this book therefore fills an important gap in criminological literature providing an in depth understanding of one of the most serious violent crimes

Bold Relief Edwin Amenta, 2021-03-09 According to conventional wisdom American social policy has always been exceptional exceptionally stingy and backwards But Edwin Amenta reminds us here that sixty years ago the United States led the world in spending on social provision He combines history and political theory to account for this surprising fact and to explain why the country's leading role was short lived The orthodox view is that American social policy began in the 1930s as a two track system of miserly welfare for the unemployed and generous social security for the elderly However Amenta shows that the New Deal was in fact a bold program of relief committed to providing jobs and income support for the unemployed Social security was by comparison a policy afterthought By the late 1930s he shows the U S pledged more of its gross national product to relief programs than did any other major industrial country Amenta develops and uses an institutional politics theory to explain how social policy expansion was driven by northern Democrats state based reformers and political outsiders And he shows that retrenchment in the 1940s was led by politicians from areas where beneficiaries of relief were barred from voting He also considers why some programs were nationalized why some states had far reaching little New Deals and why Britain otherwise so similar to the United States adopted more generous social programs ***Bold Relief*** will transform our understanding of the roots of American social policy and of the institutional and political dynamics that will shape its future

Love, Money, and HIV Sanyu A. Mojola, 2014-05-10 Sanyu A Mojola examines how young African women who suffer disproportionate rates of HIV infection compared to young African men navigate their relationships schooling employment and finances in the context of economic inequality and a devastating HIV epidemic Mojola argues that the entanglement of love money and the transformation of girls into consuming women lies at the heart of women's coming of age and health crises

Handbook of Prejudice, Stereotyping, and Discrimination Todd D. Nelson, 2024-11-29 This new edition of this bestselling handbook offers a comprehensive and scholarly overview of the latest research on prejudice stereotyping and discrimination Now in its third edition the book provides a full update of its highly successful predecessor and features new material on topics such as antisemitism mental illness stigma sexual and gender identity prejudice anti fat prejudice politics and prejudice ableism evolutionary theory and prejudice and anti immigration

prejudice The book is divided into four main parts that consider the origins of prejudice cognitive affective and motivational processes in prejudice targets of prejudice and reducing prejudice The volume is written by eminent researchers who explore topics by presenting an overview of current and cutting edge research and where appropriate developing new theory models or scales Handbook of Prejudice Stereotyping and Discrimination is an essential text for graduate students instructors and researchers in social and personality psychology It is also an invaluable reference for academics and professionals in sociology communication studies and the social sciences as well as government workers and policymakers **Families in**

Context Gene H. Starbuck, Karen Saucier Lundy, 2015-11-17 The most thoroughly updated edition yet this book offers students perspectives of changes in marriage and family over time including the impact of the Great Recession and of new media technologies A hallmark of Families in Context remains the well researched data driven quality of the text Beyond presenting thoroughly updated statistics and literature each chapter examines new trends and assesses their implications for students lives The underlying presentation remains balanced theoretically grounded and accessible to a wide variety of classes allowing students of all ages and family backgrounds to draw their own conclusions about controversial topics Features of the new edition include coverage of the Affordable Care Act new social media and families the latest trends in poverty education social mobility gender identities and healthcare updated In the News features and author created PowerPoint slides
