Roads Larry McMurtry, 2010-06-01 As he crisscrosses America driving in search of the present the past and himself Larry McMurtry shares his fascination with this nation's great trails and the culture that has developed around them Ever since he was a boy growing up in Texas only a mile from Highway 281 Larry McMurtry has felt the pull of the road His town was thoroughly landlocked making the highway his river its hidden reaches a mystery and an enticement I began my life beside it and I want to drift down the entire length of it before I end this book In *Roads* McMurtry embarks on a cross country trip where his route is also his destination As he drives McMurtry reminisces about the places he's seen the people he's met and the books he's read including more than 3 000 books about travel He explains why watching episodes of *The Mary Tyler Moore Show* might be the best way to find joie de vivre in Minnesota the scenic differences between Route 35 and I 801 which vigilantes lived in Montana and which hailed from Idaho and the histories of Lewis and Clark Sitting Bull and Custer that still haunt Route 2 today As it makes its way from South Florida to North Dakota from eastern Long Island to Oregon *Roads* is travel writing at its best
