Fafinski, 2014-08-11 The Law Express series is designed to help you revise effectively This book is your guide to understanding essential concepts remembering and applying key legislation and making your answers stand out Plea Bargaining in National and International Law Regina Rauxloh, 2012 The book sets out in depth studies of consensual case dispositions in the UK examining how plea bargaining has developed and spread in England and Wales It also goes on to discusses in detail the problems that this practise poses for the rule of law by avoiding procedural safe guards The book draws on empirical research in its examination of the absence of informal settlements in the former GDR offering a unique insight into criminal procedure in a socialist legal system that has been little studied The Modern English Legal System Peter F. Smith, S. H. Bailey, 1984 AS Law Andrew Mitchell, 2008-07-15 Written for sixth form and college students AS Law covers the content of AS Law for AQA and OCR students in a lively and reader friendly style Topics are broken down into manageable parts with clear headings and are illustrated throughout with photographs diagrams boxes and illustrations Each chapter includes an introduction outlining learning objectives relating to the subject specifications developing the subject sections explaining a particularly important or difficult point in more detail designed to challenge more able students a list of useful websites enabling students to access primary law materials intended to support chapter by chapter reading it s a fact sections highlighting interesting and contemporary applications of the legal principle under discussion dedicated sections providing detailed examination of key cases within the context of the chapter discussion hints and tips for revision topics and strategies helping students to prepare for the types of questions that are most likely to come up in exams The book contains a wealth of opportunities to test and apply knowledge with revision quizzes quick tests and sample questions and answers within each chapter and there are additional opportunities for self testing and revision available via the Companion Website This third edition has been revised and updated to take into account the new 2008 AQA specifications and contains a new chapter on contract liabilities as well as expanded material on sentencing and court procedures It also addresses recent legal developments such as the establishment of the Ministry of Justice changes in the legal profession and the constitution and the reform of the House of Lords AS Law provides a stimulating and exciting approach to the subject profiling famous legal figures and examining law in films fiction non fiction and on the internet whilst offering comprehensive coverage of the AQA and OCR subject specifications fulfilling all syllabus requirements *Criminal Law Principles and the Enforcement of EU and National Competition Law* Marc Veenbrink, 2019-11-20 Although Article 23 5 of EU Regulation 1 2003 provides that competition law fines shall not be of a criminal law nature this has not prevented certain criminal law principles from finding their way into European Union EU competition law procedures Even more significantly the deterrent effect of competition law fines has led courts in the Netherlands and the United Kingdom UK as well as the European Court of Human Rights to conclude that competition law proceedings can lead to a criminal charge This book offers the first book length study of whether courts do indeed apply criminal law principles in competition law proceedings and if so how these principles are

adapted to the needs and characteristics of competition law Focusing on competition law developments both legislative and judicial over a period of twenty years in three jurisdictions the Netherlands the UK and the EU the author compares how each of the following criminal law principles has emerged and been interpreted in each jurisdiction s proceedings freedom from self incrimination non bis in idem burden and standard of proof legality and legal certainty and proportionality of sanctions The author offers proposals involving both legislative and judicial actions with examples of judges invoking criminal law principles to develop an appropriate level of safeguards in competition law proceedings The book shows that criminal law can provide a rich source of inspiration for the judiciary on the appropriate level of legal safeguards in competition law proceedings As such it provides an important source of information and guidance for lawyers and judges dealing with competition law matters

Comparative Tort Law Thomas Kadner-Graziano,2018-03-20 Comparative Tort Law promotes a learning by doing approach to comparative tort law and comparative methodology Each chapter starts with a case scenario followed by questions and expertly selected material such as legislation extracts of case law soft law principles and where appropriate extracts of legal doctrine Using this material students are invited to solve the proposed scenario according to the laws of several jurisdictions compare the approaches and solutions they have identified evaluate their respective pros and cons and reflect upon the most appropriate approach and solution This book is essential reading for all students and scholars of comparative tort law and comparative law methodology and is the ideal companion for those wishing to both familiarise themselves with real world materials and understand the many diverse approaches to modern tort law

The English Legal Process Terence Ingman,2011 This edition has been updated and revised to take into account recent developments in the English legal process Many recent Court of Appeal and High Court case law developments are incorporated as are important pronouncements by the House of Lords
