Women Making Time looks at how women fashion understandings of the past present and future The book reviews the ways
in which feminist issues have been reduced to generational disputes between 1970s and 1990s Feminism has always looked
towards the future when envisaging and enacting social change At the same time feminists have sought to recuperate
forgotten and overlooked moments usually through response to the constraints faced by particular women Women Making
Time is a rich and diverse collection of essays that moves through the complementary domains of past and future and into the
