Sri Isopanisad:

Sri Isopanisad His Divine Grace A. C. Bhaktivedanta Swami Prabhupada, The 108 Upanishads are considered the essence of all the Vedas and Shri Ishopanishad is foremost among them Discover the distilled essence of all knowledge in these eighteen enlightening verses For thousands of years people on a spiritual quest have consulted the mystical intensely philosophical Upanishads As the name implies upa near ni down shad to sit one is advised to sit near a spiritual teacher to learn To learn what This Upanishad s name gives the clue Isha means the supreme controller Let us sit near the spiritual guide to learn about the supreme controller God The process is simple provided one learns from an authentic guide The translation and commentary of Srila Prabhupada strictly adheres to the book s intention assuring you of a legitimate understanding of the depths of Upanishadic knowledge *Sri Isopanisad* S. Prabhupada Bhaktivedanta,2010-12-01 Śrī Īsopaniṣad A. C. Bhaktivedanta Swami Prabhupāda,1969 THE FOREMOST OF THE 108 UPANISHADS The Sanskrit words Sri Isopanisad mean the knowledge that brings one nearer to the Supreme Person As such Sri Isopanishad directly counters the teachings of modern science which say that at the root of existence lies not a person but merely abstract laws governing the chance collision of subatomic particles in the vast void of time and space Individually we rebel at the proposal that we can be analysed into lifeless laws and particles We feel that personality is the solid foundation and unifying principle of our existence That intuition is correct says the Vedic philosophy of ancient India which loudly proclaims the primacy of personality in every sphere of life and knowledge The essential Vedic teachings on the universal nature of personality are summarized in Sri Isopanishad the foremost of the 108 Upanishads Read more *Sri Isopanisad* Abahy Charan Prabhupada Bhaktivedanta Swami,1972 **Śrī Īsopaniṣad** ,1974 **The Agni and the Ecstasy** Steven Rosen,2012 The Agni and the Ecstasy compiles essays that the renowned scholar of Vaishnavism Steven J Rosen has published throughout his 25 year writing career Ranging from commentary on transcendental philosophy and scriptures such as the Bhagavad Gita to personal reminiscences of prominent spiritual figures and devotional music there is virtually no topic on which he does not shed illumination This book is an excellent introduction to Rosen s work whether one is a newcomer or a long time reader T here is something in this book for everybody If one leans toward academia and intellectual approaches to spirituality one will appreciate the articles included here that are informative well researched and conveyed with an authoritative tone On the other hand if the reader prefers essays that entertain and arouse emotions that speak to one s internal spiritual quest and a personal search for answers then there are also pieces that address those particular needs from the Introduction by Steven J Rosen Having imbibed the compassionate spirit of Srila Prabhupada his beloved guru and having dedicated his life to uplifting humanity through transcendental knowledge Satyaraja is specially empowered to reach our hearts We can rejoice upon the release of this volume of his collected articles from the Foreword by His Holiness Radhanath Swami Steven J Rosen Satyaraja Dasa is an initiated disciple of His Divine Grace A C Bhaktivedanta Swami Prabhupada He is also founding editor of

the Journal of Vaishnava Studies and associate editor for Back to Godhead He has published more than thirty books in numerous languages including the recent Krishna's Other Song A New Look at the Uddhava Gita Praeger 2010 The Jedi in the Lotus Star Wars and the Hindu Tradition Arktos 2010 and Christ and Krishna Where the Jordan Meets the Ganges FOLK Books 2011 **Reflections On Sacred Teachings (Volume 4)** B. Behind Sad Eyes Marc Shapiro,2003-03-19 Shrouded in a sea of mystery the elusive George Harrison has long been the most private and enigmatic member of the Beatles From his hard knock childhood in Liverpool to his ascendance into rock infamy George Harrison s life has been a torpid ride filled with legendary success and heart crushing defeat New York Times bestselling author Marc Shapiro sheds new light on this paradoxical rocker whose reputation for unusual religious practices and drug abuse often rivaled his musical notoriety A man whose desire was to be free rather than be famous Harrison s battle against conformity lead him to music making a soulful and creative expression that would be his ticket to success and the bane of his existence Behind Sad Eyes is the compelling account of a man who gave the Beatles their lyrical playing style and brought solace to a generation during turbulent times

All Things Must Pass Marc Shapiro,2011-06-08 George Harrison was always known as the quiet Beatle As part of the biggest band in pop history he took a back seat to Paul McCartney and John Lennon but his talent shone through in the composition of classic songs such as Something and Here Comes The Sun In his solo career he occasionally threatened to eclipse both John and Paul on the world stage and he joined forces with Bob Dylan Tom Petty Roy Orbison and Jeff Lynne to create the massively successful supergroup the Traveling Wilburys However the success of his professional life was often met by turmoil in his private life and the loss of first wife Patti to best friend Eric Clapton the traumatic attempt on his life by a knife wielding intruder and his final struggle against cancer meant that George Harrison s life was nothing if not dramatic Bestselling author Marc Shapiro has exclusively interviewed friends and former colleagues of the enigmatic guitar legend This revealing biography reaffirms Harrison s importance as an innovative and hugely talented musician and shows that as a member of the most important band ever as well as in his multi faceted career after the Beatles George Harrison was no ordinary man
