Schweig,2024-02-19 Posthumous Editing of a Great Master s Work Special Focus on the Writings of A C Bhaktivedanta Swami Prabhupada examines how a

leading figures hallowed written and published works which remain so important to the religious community should be editorially treated following the leader's departure from this world. The volume addresses the theological, ethical, social and legal implications of posthumous editing and even improving a great master's works. This book focuses on the extensive posthumous editing of the works of A. C. Bhaktivedanta Swami Prabhupada, the original world teacher of Krishna bhakti of the twentieth century. After Swami Prabhupada departed from this world, some of his disciples, without the expressed approval of the author, attempted to improve on his authorized published work, which resulted in the publication of a continuing series of inauthentic, altered editions. This extreme editing of Swami Prabhupada's works precipitated the scholarly research and inquiry into the posthumous editing of a great master's work that forms the basis of this book.

The Beggar Part III: The author shares his fears, doubts, and self-inflicted anguish caused by the false ego. Hear about the love, wisdom, and causeless mercy always available to us as we overcome the false ego. Many of the prayers in these books often draw tears and can touch the psyche in a very profound way. Although these prayers are short, reading them is compact with very deep spiritual messages. Most importantly, the messages attempt to address each reader in his or her own individual spiritual struggles. These small books are not just meant for a single reading; rather, they can be read over and over again according to the particular struggles faced by each person on his or her spiritual journey.
