St Athanasius The Great On The Incarnation Paperback:

On the Incarnation of the Word of God St Athanasius, 2018-07-25 On the Incarnation of the Word of God is an ancient text by Saint Athanasius who expounds upon the divine and eternal wisdom offered by Lord First penned during the early 4th century AD this early book of Christian wisdom is both an inspiring reflection upon the spiritual tenets of the faith and a stern rebuke to the ideas of Arianism which at the time were opposed widely by the early Christian church For following his beliefs St Athanasius also suffered condemnation from an antagonistic Roman Empire which at the time had not converted to Christianity under the guidance of Emperor Constantine Athanasius thought that believers of Christianity had the power to unite themselves and devote their collective praise to Jesus Christ whose pureness of virtue is beyond any other Earthly being By so devoting themselves to the Son of God believers in the tenets and doctrine of Christian lore could ascend to immortality in the next life

On the Incarnation Saint Athanasius of Alexandria, 2016-04-05 Two names stand above all others in the history of the early Christian church Augustine and Athanasius The former was from the West and contended for the doctrine of grace against Roman moralism while the latter came from the East and became a champion of orthodoxy against Arian attacks on the doctrine of the Trinity On the Incarnation was Athanasius second apologetic work and in it he defends the Christian faith and tries to convince Jews and Greeks that Jesus was not a prophet or teacher but the Christ the divine incarnation of God s Word You may find yourself reading Athanasius and thinking that the divine incarnation of Jesus is an obvious point only to realize that at some point it wasn t so obvious Three hundred years after Jesus ascended to heaven the Council of Nicaea was still trying to figure out exactly who Jesus was Through his presence at the Council of Nicaea as an assistant to Alexander and his work in this writing Athanasius helped early Christianity indeed all Christianity to understand something more of the mystery of our faith God was manifested in the flesh All Christians directly or indirectly have been influenced by Athanasius because of his foundational insistence of who Jesus is There is perhaps no other Christian writing in which the coming of our Savior is proclaimed so clearly as the way of victory over death Thanks to Athanasius and so many other early Christian thinkers we have a firmer footing in our own exploration and understanding of who God is and how He works

Robertson** Athanasius, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1885 edition Excerpt this is no small proof or rather an evident warrant that it is despised by all Christ's disciples and that they all take the aggressive against it and no longer fear it but by the sign of the Cross and by faith in Christ tread it down as dead 2 For of old before the divine sojourn of the Saviour took place even to the saints death was terrible 1 and all wept for the dead as though they perished But now that the Saviour has raised his body death is no longer terrible for all who believe in Christ tread him under as nought and choose rather to die than to deny their faith in Christ For they verily know that when they die they are not destroyed but actually begin to live and become incorruptible through the Resurrection 3 And that devil that once maliciously exulted in death now that its pains were loosed remained the only one truly dead And a proof of this is that before men believe Christ they see in death an object of terror and play the coward before him But when they are gone over to Christ's faith and teaching their contempt for death is so great that they even eagerly rush upon it and become witnesses for the Resurrection the Saviour has accomplished against it For while still tender in years they make haste to die and not men only but women also exercise themselves by bodily discipline against it So weak has he become that even women who were formerly deceived by him now mock at him as dead and paralyzed 4 For as when a tyrant has been defeated by a real king and bound hand and foot then all that pass by laugh him to scorn buffeting and reviling him no longer fearing his fury and barbarity because of the king who has conquered him so also death having been conquered and exposed by the Saviour
