Big Bands and Great Ballrooms Jack Behrens,2006 Where did big bands and swing music go They didn t leave but many Americans actually believe they disappeared along with ballrooms jukeboxes bobby sox and zoot suits decades ago Band leader Brooks Tegner who has recreated the great music of World War II with his Army Air Corps Review Big Band offers a good response In order for something to come back it needs to have gone away Big bands have wrongly been put in that category They never went away And that s the essence of the chapters of my book about America s big bands ballrooms and dancing s past and present And there s a good look at the future through the eyes of a number of young bandleaders from the east to west coast who carry on in the tradition of Guy Lombardo Glenn Miller Harry James Woody Herman Duke Ellington and a host of other music legends in their own distinctive way The struggle to survive in the music business hasn t been without losses and a need for life support It did when Miller Benny Goodman James and Ellington were in their heyday It s a financially precarious business regardless of your talent Inevitably music and dancing evolved and matured The reasons are numerous

and linked to our heritage But like marching bands on the 4th of July imagine a country club new year s eve without live dance music and a big band Think about the many community social events and high school and college proms let alone wedding receptions that still insist on having live bands to play the foxtrots and swing numbers people enjoy My research shows that while there were approximately 800 big bands on the road during the swing era of the 1940s today there are nearly 1 300 big bands according to a Google search and a review of hundreds of territory bands Consequently neither the bands nor the music vanished they scattered throughout the American countryside Billboard ,1952-02-09 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Bill Haley , *St. Louis Commerce* ,1987 **St. Louis Casa Loma Ballroom** David A. Lossos,2005 As we approach the 241st anniversary of the settlement on the banks of the mighty Mississippi that came to be the metropolis of St Louis it is appropriate to look back at this great city We have precious few physical reminders of the days of Laclede and Chouteau It wasn t until the mid 19th century that we regularly recorded via photographs the development and destruction of the sights that make St Louis unique It is through these images that we have the marvelous capability to look back and view our city through the eyes of our predecessors To see the things that were here decades ago and still look the same to see things that no longer exist and to see what we have replaced them with to see what we have preserved and what we have discarded and to see the present via the images of the past There is no way to encompass all the changes that this

city has seen in one book The views in this book will give the reader a representative selection of the more recognizable sights in the St Louis metropolitan area The intent is to include most of the major places and things that everyone identifies with St Louis But also included are more obscure photos that show scenes with which many of our ancestors would also identify There will always be progress but that which is lost is worth remembering So sit back relax and take a stroll down the streets of St Louis as our ancestors knew them Billboard ,1943-07-17 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Billboard* ,1943-10-23 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,1944-08-26 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Billboard ,1943-10-09 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,1954-10-30 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *Billboard* ,1943-11-06 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
