**Julie A. Buckler**

## **St Petersburg Travels To And From That Capital Travels To And From That Capital:**

*"Rome, Travel and the Sculpture Capital, c.1770-1825"* Tomas Macsotay, 2017-07-05 The world that shaped Europe's first national sculptor celebrities from Schadow to David d'Angers from Flaxman to Gibson from Canova to Thorvaldsen was the city of Rome. Until around 1800 the Holy See effectively served as Europe's cultural capital and Roman sculptors found themselves at the intersection of the Italian marble trade, Grand Tour expenditure, the cult of the classical male nude and the Enlightenment republic of letters. Two sets of visitors to Rome, the David circle and the British traveler, have tended to dominate Rome's image as an open artistic hub while the lively community of sculptors of mixed origins has not been awarded similar attention. *Rome Travel and the Sculpture Capital c. 1770-1825* is the first study to piece together the labyrinthine sculptors' world of Rome between 1770 and 1825. The volume sheds new light on the links connecting Neo-classicism, sculpture, collecting, Enlightenment aesthetics, studio culture and queer studies. The collection offers ideal introductory reading on sculpture and Rome around 1800 but its combination of provocative perspectives is sure to appeal to a readership interested in understanding a modernized Europe's overwhelmingly transnational desire for Neo-classical Roman sculpture.

*Fodor's Moscow & St. Petersburg* Fodor's Travel Guides, 2013-11-12 Fodor's correspondents highlight the best of Moscow and St. Petersburg including Moscow's modern opulence, St. Petersburg's royal architecture and top day trips. **Saint Petersburg Travel Guide 2024** T. Turner, The St. Petersburg Travel Guide is the most up-to-date, reliable and complete guide to this wonderful city. Travelers will find everything they need for an unforgettable visit presented in a convenient and easy-to-use format. Includes quick information on planning a visit, navigating the city, experiencing Russian culture and exploring the beauty of Saint Petersburg. Also includes a Russian phrasebook to help you communicate with the locals. St. Petersburg is a Russian port city on the Baltic Sea. It was the imperial capital for 2 centuries, having been founded in 1703 by Peter the Great, subject of the city's iconic Bronze Horseman statue. It remains Russia's cultural center with venues such as the Mariinsky Theatre hosting opera and ballet and the State Russian Museum showcasing Russian art from Orthodox icon paintings to Kandinsky works.

[Mapping St. Petersburg](#) Julie A. Buckler, 2005 Pushkin's palaces or Dostoevsky's slums? Many a modern-day visitor to St. Petersburg has one or more likely both of these images in mind when setting foot in this stage set like setting for some of the world's most treasured literary masterpieces. What they overlook is the vast uncharted territory in between. In *Mapping St. Petersburg*, Julie Buckler traces the evolution of Russia's onetime capital from a conceptual hierarchy to a living cultural system, a topography expressed not only by the city's physical

structures but also by the literary texts that have helped create it By favoring noncanonical works and underdescribed spaces Buckler seeks to revise the literary monumentalization of St Petersburg with Pushkin and Dostoevsky representing two traditional albeit opposing perspectives to offer an off center view of a richer less familiar urban landscape She views this grand city the product of Peter the Great s ambitious vision not only as a geographical entity but also as a network of genres that carries historical and cultural meaning We discover the busy messy middle ground of this hybrid city through an intricate web of descriptions in literary works nonfiction writings such as sketches feuilletons memoirs letters essays criticism and urban legends lore songs and social practices all of which add character and depth to this refurbished imperial city

**More Journeys of a Lifetime** Len Coates,2013-07-25 When I wrote my first book Journeys of a Lifetime in 2004 it reflected how dreams of mine of visiting unknown places in the United Kingdom countries across the North Sea in Europe and seemingly far off continents of America Africa Asia and Australia became reality That was mainly due to the advent of air travel package holidays and the massive growth of international travel in the second half of the twentieth century Nine years on from that book my traveling has continued and in that time having seen the arrival of grandchildren naturally they have joined in some of the journeys Although places visited in that time include some return trips to old favorites this book reflects only the new places visited In particular India the Middle East the Far East and nearer home Eastern Europe all are featured more this time Also as we now have an Aussie part of the family naturally Australia is also a regular destination Although the United Kingdom is much smaller in area than the others it is packed with wonderful places to visit so trips at home are still often on the itinerary In addition cruising has taken off in the last decade a bit like package deals to Europe did in the 1960s and has added a new dimension to the journeys made Cruises are featured several times in this book More Journeys of a Lifetime reflects the further growth in long haul travel and the massive increase of cruising Hope you enjoy my further travels around this small world of ours going on from those early dreams of mine and continuing to do so

**Literature of Travel and Exploration** Jennifer Speake,2014-05-12 Containing more than 600 entries this valuable resource presents all aspects of travel writing There are entries on places and routes Afghanistan Black Sea Egypt Gobi Desert Hawaii Himalayas Italy Northwest Passage Samarkand Silk Route Timbuktu writers Isabella Bird Ibn Battuta Bruce Chatwin Gustave Flaubert Mary Kingsley Walter Raleigh Wilfrid Thesiger methods of transport and types of journey balloon camel grand tour hunting and big game expeditions pilgrimage space travel and exploration genres buccaneer narratives guidebooks New World chronicles postcards companies and societies East India Company Royal Geographical Society Society of Dilettanti and issues and themes censorship exile orientalism and tourism For a full list of entries and contributors a generous selection of sample entries and more visit the Literature of Travel and Exploration An Encyclopedia website
