the divine words over the bread it seemed to me that that same bread took on three figures although it remained in the hands of the priest That Bread became a living Lamb in the Lamb was seen the face of a man and on the inside and on the outside of the Lamb and of that face there was an ardent flame As I was watching the face with attention without averting my eyes in it I saw the Lamb And looking at the Lamb I also saw that same face in the Lamb A Crowned Virgin was sitting with the Lamb and all the Angels were attending to her the Lamb emanated a marvelous splendor Also the multitude of holy souls was so numerous that my eyes could not contain it all not in length not in width not in depth Book 8 54 Later on the Saint is a witness to a conversation between Jesus and the Virgin about the creation of the world and of all things visible and invisible Among these the Angels who at the moment of their creation in complete liberty were given the choice either to accept God and His love or to refuse Him The Liber Celestis of St. Bridget of Sweden Saint Bridget (of Sweden), 1987 of Sweden (1303-1373). ,1922 St. Bridget of Sweden, 1303-1373 ...
