Unapologetic Expression André Marmot, 2024-04-30 A CLASH MUSIC BOOK OF THE YEAR 2024 A lively subversive history of the new UK jazz wave encapsulating its revolutionary spirit and tracing its foundations to birth of the genre itself Not solely a book about jazz or even a nascent cultural shift it s a record of a pivotal moment in UK history BIG ISSUE By the end of the last century jazz music was considered by many to be obsolete and uncool a genre appreciated only by out of touch white men with deeply questionable taste And yet by 2019 a new generation of UK jazz musicians was selling out major venues and appearing on festival line ups around the world How has UK jazz rehabilitated its image so totally in twenty five years And how did it ever become uncool in the first place Reaching back to the roots of jazz as the unapologetic expression of oppressed peoples shaped by the forces of slavery imperialism and globalisation Andre Marmot places this new wave within the wider context of a divided postcolonial Britain navigating its identity in a new world order These artists have crafted a sound which reflects the nation as it is today a sound connected to the very origins of jazz itself Drawing on eighty six interviews with key architects of this jazz renaissance and those who came before them from Shabaka Hutchings Nubya Garcia and Moses Boyd to Gilles Peterson Courtney Pine and Cleveland Watkiss Unapologetic Expression captures the radical spirit of a vital British musical movement A breathless run through of an inspiring era in British music Unapologetic Expression contains deft character sketches and vivid memories pausing to nail ineffable moments from recording sessions and gigs Andre Marmot s role as an insider grants the book a degree of intimacy other writers may have lacked CLASH

Rereading Musicians and Their Audiences Tom Attah, Kirsty Fairclough, Christian Lloyd, 2025-06-12 Using a radical and inclusive definition of the genre this collection explores musicians autobiographies as articulated in print on stage and through various expressive media as a dynamic factor in contemporary culture Popular musicians autobiographies are one of the most important ways that stars create negotiate and perpetuate the realities and myths of their lived experiences for fans Autobiographical creations such as Bruce Springsteen s book Born to Run Kendrick Lamar s

lyrics ABBA's virtual Voyage show and the reimaginations of Lennon and McCartney's childhood homes have been both critically acclaimed and lucrative whilst delivering for many fans an apparent insider's understanding of musicians whose work they are invested in. Yet such narratives have many other functions beyond thrilling their consumers with a sense of intimacy. The pop music autobiographies discussed here variously attempt to rewrite social history to redress gender or racial stereotypes to question received models of fame to validate new genres and scenes to explore complex subjectivities to justify or atone for transgressive behaviour and to critique the music industry. *PC Magazine*, 1989 *Reinventar o social* Isabel Caldeira, Maria José Canelo, Gonçalo Cholant, 2021-09-22 Based on an inter American studies perspective the case studies composing this volume look into the definition of the social its traditional configurations and more recent reconfigurations in the wider context of the Americas. It also focuses on past and present crisis and social struggles alongside with the answers movements narratives and discourses of resistance they brought about. By exploring new territories the present volume aims at contributing to the creation of a new grammar and pedagogy of the social deriving from epistemological and practical perspectives on the Americas. This study is interdisciplinary at core intersecting history sociology and criticism on literature film and music. **Promise That You Will Sing About Me** Miles Marshall Lewis, 2021-09-28 A stunning in depth look at the power and poetry of one of the most consequential rappers of our time Kendrick Lamar is one of the most influential rappers songwriters and record producers of his generation. Widely known for his incredible lyrics and powerful music he is regarded as one of the greatest rappers of all time. With incredible graphic design quotes lyrics and commentary from Ta Nehisi Coates Alicia Garza and more this book provides an in depth look at how Kendrick came to be the powerhouse he is today and how he has revolutionized the industry from the inside. **St. Elsewhere** MTM Enterprises, 1983 **Saint Elsewhere** Joshua Brand, John Falsey, 1981
