*Thomas Aquinas* Nicholas Healy, 2021-11-18 The work of Thomas Aquinas 1224-1275 has become increasingly influential in recent doctrinal theology and theological ethics aside from his extraordinary historical significance Thomas has been read ever since his death today as much as ever What is it that distinguishes his work and can his theological judgments and proposals still be brought to bear in contemporary theological inquiry This book presents a new study of Thomas Aquinas focusing on the evangelical pastoral and theocentric character of his premodern theology Healy presents Thomas as first and foremost a theologian of the Christian life who when he used philosophical concepts did so in order to fulfill the task of theology which he conceived as an ecclesial discipline dedicated above all to helping Christians follow Jesus Christ Thomas's interpretation of Scripture and his theological method his Trinitarian ontology his Christology and his Christological anthropology conception of the church and sacramental theology are all examined from this perspective The richness and complexity yet profound simplicity of the Christian way of life Thomas reveals is shown to make a valuable contribution to the thought of contemporary readers and the significance of Thomas's writings for contemporary theological questions and concerns is revealed Summa Theologiae: Volume 53, The Life of Christ Samuel Parsons, Albert Pinheiro, 2006-10-26

Christ's Fulfillment of Torah and Temple Matthew Levering, 2002-04-15 Christ's Fulfillment of Torah and Temple is a concise introduction to the Christian theology of salvation in light of the contributions of Thomas Aquinas In this cogent study Matthew Levering identifies six important aspects of soteriology each of which corresponds to an individual chapter in the book Levering focuses on human history understood in light of the divine law and covenants Jesus the Incarnate Son of God and Messiah of Israel Jesus' cross transformation in the image of God the Mystical Body of Christ into which all human beings are called and eternal life Taking the doctrines of faith as his starting point Levering's objective is to answer the questions of

both Christians and non Christians who desire to learn how and for what end Jesus saves humankind Levering s work also speaks directly to contemporary systematic theologians In contrast to widespread assumptions that Aquinas s theology of salvation is overly abstract or juridical Levering demonstrates that Aquinas s theology of salvation flows from his reading of Scripture and deserves a central place in contemporary discussions Thomas Aquinas s theology of salvation employs and develops the concepts of satisfaction and merit in light of his theology of the Old Testament For Aquinas Christ fulfills Israel s Torah and Temple law and liturgy These two aspects of Israel s religion provide the central categories for understanding salvation The Torah expresses God s Wisdom incarnated in Jesus Christ Christ s passion then fulfills and transforms the moral juridical and ceremonial precepts of the Torah which correspond to the three offices of ancient Israel prophet king and priest The New Law in Christ Jesus is also the fulfillment of the Temple Israel s worship Christ offers the Father the perfect worship participated in by all members of his Mystical Body through faith charity and the sacraments Old Law and New Law are fulfilled in the perfect knowing and loving perfect law and liturgy of eternal life the Heavenly Jerusalem As a Thomistic contribution to contemporary theology this fruitful study develops a theology of salvation in accord with contemporary canonical readings of Scripture and with the teachings of the Second Vatican Council on the fulfillment and permanence of God s covenants

Saint Thomas Aquinas,Aeterna Press, There is a very beautiful treatise of St Thomas Aquinas on the adorable Sacrament of the Altar It is hard to know which to admire more the fulness and precision of its arrangement or the way in which he brings in the words of the Holy Ghost from the Sacred Scriptures From this treatise and nearly always in its very words I have arranged these Meditations for the Servants of the Holy Ghost In fact all that was needed was to number or letter the divisions of the book so that they could be easily seen The prayers and thanksgivings I have added I have put the teaching of the Saint by itself and the words of the Holy Ghost by themselves In this I have only carried out what St Thomas has himself done in the treatise For the more part he has after stating and explaining his points put the texts by themselves referring to the first point the second point the third point and so on Putting them all together therefore is only carrying out what this Angelic Saint has done Aeterna Press **The Interior Life of St.Thomas Aquinas** Martin Grabmann,2024 Many are well aware of St Thomas Aquinas intellectual prowess his genius in metaphysics and supernatural theology that pierced the depths of truth However few know about the spiritual life of this illustrious Doctor of the Church This work written by

Msgr Martin Grabman a foremost authority on his life is unique in its revelation of the sanctity and holiness of St Thomas priestly soul Neither a purely devotional nor a strictly scientific treatment of the interior life of St Thomas this book combines the two to help you appreciate the character of the Angelic Doctor In St Thomas own words you will come to understand how and why he learned more from the feet of the Crucified than from the innumerable books he read You will further be convinced that sanctity precedes science and that life precedes knowledge even in the scientific personality of Aquinas In this gem you will find insights into Aquinas heart brilliantly aglow with Divine love through his works and the Acts of his Canonization Process Msgr Grabmann highlights three areas in the interior life of Aquinas wisdom charity and peace The soul of St Thomas was ordered after the soul of Jesus Christ and his writings on intimacy with God flowed from his own experience of this communion All St Thomas actions during his life were oriented toward Jesus Christ St Thomas asked God that he might think like Christ love like Christ and be at peace like Christ St Thomas spent his life in contemplative prayer study writing and preaching It is said that he began his writings with prayer and was often moved to tears Through testimonies about the Angelic Doctor you will learn about his untold mysticism and discover The secret to develop fervent charity and attain spiritual delight His self sacrifice kindness and charity His exemplary purity and temperance and how he ordered his whole life toward God The three fold wisdom in which St Thomas found the meaning and happiness of life The two fold way that helps us find truth Why St Thomas was called the Cherubim of the Eucharistic mystery Revered as one of the greatest thinkers of all time St Thomas also possessed the faith of a child You will be astounded by true stories of humility and patience that St Thomas showed in instructing beginners in the spiritual life along with his mercy and compassion toward others

**Thomas Aquinas** Frederick Christian Bauerschmidt, 2013-08-29 Thomas Aquinas is widely recognized as one of history s most significant Christian theologians and one of the most powerful philosophical minds of the western tradition But what has often not been sufficiently attended to is the fact that he carried out his theological and philosophical labours as a part of his vocation as a Dominican friar dedicated to a life of preaching and the care of souls Fererick Christian Bauerschmidt places Aquinas s thought within the context of that vocation and argues that his views on issues of God creation Christology soteriology and the Christian life are both shaped by and in service to the distinctive goals of the Dominicans What Aquinas says concerning both matters of faith and matters of reason as well as his understanding of the relationship between the two are illuminated by the particular Dominican call to serve God through handing on to others through preaching and teaching the fruits of one s own theological reflection

**The Mystery of Jesus Christ** Fernando Ocáriz Braña, Fernando Ocáriz, Lucas F. Dolan, Bishop James Massa, 2021-04-02 The polarization in the Church today can be traced back to a more fundamental crisis in theology one which has failed to connect our mundane experiences and the mysteries of the Christian faith with the person of Jesus Christ Ecclesial discourse on the so called hot button issues of the day too often take place without considering the foundation and goal of the Church And this is unfortunately due to a similar tendency in the academic theology that informs that ecclesial discourse In short much of post conciliar Catholic theology is adrift floating aimlessly away from the center of the Christian faith who is Christ The Center is Jesus Christ Himself is a collection of essays which anchor theological reflection in Jesus Christ These diverse essays share a unified focal point but engage with a variety of theological subdisciplines e g dogmatic moral Biblical etc areas e g Christology Pneumatology missiology etc and periods e g patristic medieval and modern Given the different combinations of sub disciplines areas and periods theology is susceptible to fragmentation when it is not held together by some principle of unity A theology in which the person of Jesus Christ serves as that principle of unity is a Christocentric theology Together the essays illustrate not only what Christocentric theology looks like but also what the consequences are when Christ is dislodged from the center whether by a conspicuous silence on or by a relativization of his unique salvific mission The volume is published in honor of Emeritus Professor of Systematic Theology at Boston College Rev Dr Robert P Imbelli who dedicated his teaching and writing to bringing Christ back to the center of Catholic theological discourse     The American Catalogue , 1905     The Cumulative Book Index , 1905 A world list of books in the English language
