Staff Burnout Job Stress In The Human Services:

Staff Burnout Cary Cherniss,1980-12 Burnout the sudden depressed loss of interest in and capacity for work is a particular problem in the social services Cherniss seeks the causes of burnout in the individual in his work and in society as a whole examining its dynamics and effects and suggesting preventative measures This is a well planned book on a fascinating subject which is dealt with succinctly in clear language encouraging one to read it at one sitting Health Visitor February 1982 Vol 55 Cherniss provides a comprehensive basic test of the burnout syndrome that is relevant to social work and makes excellent use of related research Social Work in Education July 1983 Vol 5 *Staff Burnout* Cary Cherniss,1992 **Staff Burnout** Cary Cherniss,1980-11-01 Burnout the sudden depressed loss of interest in and capacity for work is a particular problem in the social services Cherniss seeks the causes of burnout in the individual in his work and in society as a whole examining its dynamics and effects and suggesting preventative measures This is a well planned book on a fascinating subject which is dealt with succinctly in clear language encouraging one to read it at one sitting Health Visitor February 1982 Vol 55 Cherniss provides a comprehensive basic test of the burnout syndrome that is relevant to social work and makes excellent use of related research Social Work in Education July 1983 Vol 5 *Research Companion to Organizational Health Psychology* Alexander-Stamatios G. Antoniou,Cary L. Cooper,2005-01-01 The rapid and sweeping changes in the economy technology work practices and family structures mean that organizational health psychology has never been so essential for understanding stress in the workplace This timely Research Companion is essential reading to advance the understanding of healthy behaviors within working environments and to identify problems which can be the cause of illness Containing both theoretical and empirical contributions written by distinguished academics working in Europe North America and Australia the book covers leading edge topics ranging from current theories of stress stress management and stress in specific occupational groups such as doctors and teachers to the relationship of stress with well being It provides systematic approaches towards practical actions and stress interventions in working environments and a solid theoretical framework for future research It will be an essential companion to research on psychology and medicine as well as stress Stress and Burnout in the Human Service Professions Barry Alan Farber,1983 **The Handbook of Work and Health Psychology** Marc J. Schabracq,Jacques A. M. Winnubst,Cary L. Cooper,2003-03-28 Workplace health is now recognised as having major legal financial and efficiency implications for organizations Psychologists are increasingly called on as consultants or in house facilitators to help design work processes assess and counsel individuals and advise on change management The second edition of this handbook offers a comprehensive authoritative and up to date survey of the field with a focus on the applied aspects of work and health psychology An unrivalled source of knowledge and references in the field for students and academics this edition also reflects the need to relate research to effective and realistic interventions in the workplace Editors are outstanding leaders in their fields Focuses on linking research to practice Over 50% new chapters New topics

include Coping The Psychological Contract and Health Assessment and Measurement of Stress and Well Being the Effects of Change and chapters of Conflict and Communication **Handbook of Stress in the Occupations** Janice Langan-Fox, Cary L. Cooper, 2011-01-01 The Handbook of Stress in the Occupations sets a new agenda for stress research and gives fresh impetus to scholars who wish to focus on issues and problems associated with specific jobs some of which have received little attention in the past Written by researchers who are true experts in the field of each occupation this comprehensive Handbook reviews stress in a wide range of jobs including transport education farming fishing oil rig drilling finance law enforcement fire fighting entrepreneurship music social services prisons sport and health including surgery internship dentistry nursing paramedics psychiatry and social work Several occupations such as oil rig drilling are reviewed these jobs have always been stressful but have received little attention by researchers and only now receive more focus due to the Bay of Mexico accident Other occupations demand more of our attention because there have been substantial technological changes in particular jobs such as in dentistry nursing and surgery This lucid and insightful compendium will be a source of inspiration for those in the helping professions and all those individuals working in the industries described in the book More specifically the Handbook will strongly appeal to human resource specialists psychologists occupational health and safety professionals managers nurses and therapists Written in highly accessible language it will also provide rich reading to lay audiences including job incumbents themselves as well as specialists in industry and academia Academics and postgraduate students of business management and psychology will find plenty of detailed information regarding stress associated with occupations **The Handbook of Stress and Health** Cary Cooper, James Campbell Quick, 2017-04-17 A comprehensive work that brings together and explores state of the art research on the link between stress and health outcomes Offers the most authoritative resource available discussing a range of stress theories as well as theories on preventative stress management and how to enhance well being Timely given that stress is linked to seven of the ten leading causes of death in developed nations yet paradoxically successful adaptation to stress can enable individuals to flourish Contributors are an international panel of authoritative researchers and practitioners in the various specialty subjects addressed within the work

Work, Vacation and Well-being Dalia Etzion, 2019-08-21 Based on a twenty year research study Work Vacation and Well being delves into the ubiquitous yet often underestimated issues surrounding vacation and respite Providing an original outlook on how breaks from work can be beneficial for the well being of employees this book also addresses the potential negative impacts of vacation Taking into account factors concerning the nature of the break and the person taking it Etzion delves into the benefits and drawbacks of workplace breaks from annual leave to maternity leave and sabbaticals Work Vacation and Well being looks at breaks from work through various social and cultural lenses to present a balanced and well researched perspective on all angles of taking a break Perfect for students of Organizational and Health Psychology Work Vacation and Well being also widely appeals to those studying Social Policy Management Studies Occupational Health and

Research Methods *Supervising Student Employees in Academic Libraries* David A. Baldwin, 1991-09-15 Library administrators have taken the student work force for granted for a long time and are only now beginning to realize that this important group accounts for a significant portion of the operating budget Baldwin describes the role of student employees and the supervisor including hiring orientation and performance appraisal He discusses some common problems as well as corrective discipline and termination procedures A separate chapter is devoted to federal student aid programs because of their role in student employment The specific orientation of this well organized handbook makes it essential for any supervisor of student employees **Advances in Pediatrics 2018** Carol D. Berkowitz, Surendra Varma, Moira Szilagyi, Edward M. Barksdale Jr., Jane Carver, Leslie L. Barton, 2018-08-01 Each year *Advances in Pediatrics* focuses on providing current clinical information on important topics in pediatrics This year Dr Carol Berkowitz has taken over as Editor and she and her new editorial board have assembled top authors to provide updates on the following topics Evaluation and Management of Febrile Infants The Cry of Tamar Pamela Cooper-White, 2013-06-24 In this comprehensive practical and gripping assessment of various forms of violence against women Pamela Cooper White challenges the Christian churches to examine their own responses to the cry of Tamar in our time She describes specific forms of such violence and outlines appropriate pastoral responses The second edition of this groundbreaking work is thoroughly updated and examines not only where the church has made progress since 1995 but also where women remain at unchanged or even greater risk of violence Occupational Health Practice H A Waldron, 2013-10-22 *Occupational Health Practice* Third Edition is a comprehensive account of the practice of protecting and improving health in the workplace Topics covered by this book include pre placement screening principles of toxicology the mental health of people at work and thermal stresses in occupations The principles of occupational epidemiology sickness absence toxicity testing of industrial chemicals ergonomics and the use of protective clothing in the workplace are also discussed This book is comprised of 28 chapters and begins by outlining developments in occupational health practice along with the monitoring of occupational diseases The chapters that follow explore the mental health of people at work and the health effects of vibration noise and ionizing radiation in the workplace The text also considers emergency medical treatment in the workplace vocational rehabilitation and resettlement of people with disabilities occupational health services for migrant workers and special problems in occupational health in developing countries The final chapter describes health promotion and counseling in the workplace Suggestions as to how the occupational health professional should deal with perturbations in the health of the worker and workplace are included This monograph will be of value to occupational health practitioners Job Burnout in the Human Services , 1981 39 selected references to journal articles books and theses from the field of social work and related disciplines that deal with peoples problems Intended for managers and employees Alphabetical arrangement by authors Each entry gives bibliographical information and abstract Index of authors Administrative Leadership in the Public Sector Montgomery Van der Wart, Lisa

Dicke,2016-07-22 Administrative Leadership in the Public Sector is an ideal resource for any Public Administration course involving leadership and public management Each of the book s nine main sections begins with introductory text by the volume s editors Monty Van Wart and Lisa Dicke followed by relevant readings The volume includes some of the most important readings on public leadership published in the last eight decades More than just an anthology Administrative Leadership in the Public Sector provides a unique and useful framework for understanding the vast subject of leadership
