**Stained Glass** Paul A. Marshall, S. Griffioen, Richard J. Mouw, Institute for Christian Studies, 1989 To find more information on Rowman Littlefield titles please visit us at [www.rowmanlittlefield.com](http://www.rowmanlittlefield.com) *Worldview* David K. Naugle, 2002-07-16 Conceiving of Christianity as a worldview has been one of the most significant events in the church in the last 150 years In this new book David Naugle provides the best discussion yet of the history and contemporary use of worldview as a totalizing approach to faith and life This informative volume first locates the origin of worldview in the writings of Immanuel Kant and surveys the rapid proliferation of its use throughout the English speaking world Naugle then provides the first study ever undertaken of the insights of major Western philosophers on the subject of worldview and offers an original examination of the role this concept has played in the natural and social sciences Finally Naugle gives the concept biblical and theological grounding exploring the unique ways that worldview has been used in the Evangelical Orthodox and Catholic traditions This clear presentation of the concept of worldview will be valuable to a wide range of readers

*Christian Worldview* Philip Graham Ryken, 2013-10-31 Everything we do say and think reflects our fundamental worldview Whether we realize it or not basic beliefs about God man good and evil history and the future inevitably shape how we view and interact with the world In this accessible student s guide Phil Ryken author and current president of Wheaton College explains the distinguishing marks of a distinctly Christian worldview exploring the existence of God the nature of creation the role of grace and God s plan for the future Written for both Christians and non Christians this handy resource will help believers develop a cohesive worldview while offering unbelievers a succinct introduction to the foundational tenets of the Christian faith **Suffering in Ancient Worldview** Brian J. Tabb, 2017-04-20 Suffering in Ancient Worldview

investigates representative Christian Roman Stoic and Jewish perspectives on the nature problem and purpose of suffering Tabb presents a close reading of Acts Seneca s essays and letters and 4 Maccabees highlighting how each author understands suffering vis vis God humanity the world s problem and its solution and the future Tabb s study offers a pivotal definition for suffering in the 1st century and concludes by creatively situating these ancient authors in dialogue with each other Tabb shows that despite their different religious and cultural positions these ancient authors each expect and accept suffering as a present reality that is governed by divine providence however defined Luke Seneca and the author of 4 Maccabees each affirm that suffering is not humanity s fundamental problem Rather suffering functions as a cipher for other things to be displayed For Seneca suffering provides an opportunity for one to learn and show virtue The author of 4 Maccabees presents the nation s suffering as retribution for sin while the martyrs virtuous suffering leads to Israel s salvation For Luke the Lord Jesus suffers to accomplish salvation and restoration for the world marred by sin and suffering and the suffering of his followers is instrumental for Christian mission **The Worldview of the Word of Faith**

**Movement: Eden Redeemed** Mikael Stenhammar, 2021-12-16 This volume approaches the Word of Faith as a worldview

and analyses the movement through N T Wright's model for worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith. The reader receives insights into the movement's narrative, semiotic, practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world. The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden's authority and blessings. This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith's causative power to affect a direct correspondence between present reality and Eden's perfection. The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism.

Evolution, Cognition, and the History of Religion: A New Synthesis Anders Klostergaard Petersen, Gilhus Ingvild Sælid, Luther H. Martin, Jeppe Sinding Jensen, Jesper Sørensen, 2018-10-08. Evolution, Cognition and the History of Religion: A New Synthesis comprises 41 chapters that push for a new way of conducting the study of religion thereby transforming the discipline into a genuine science of religion. The recent resurgence of evolutionary approaches on culture and the increasing acknowledgement in the natural and social sciences of culture's and religion's evolutionary importance calls for a novel epistemological and theoretical framework for studying these two areas. The chapters explore how a new scholarly synthesis founded on the triadic space constituted by evolution, cognition, cultural and ecological environment may develop. Different perspectives and themes relating to this overarching topic are taken up with a main focus on either evolution, cognition and or the history of religion. **Beyond Homelessness, 15th Anniversary Edition** Steven Bouma-Prediger, Brian J.

Walsh, 2023-09-12. What would the world look like if everyone had a home? The rise in homeless encampments. The destruction of our planet. The disconnection from place caused by capitalism and technology. Beyond the unavailability of housing, our culture is experiencing a devastating loss of home. In *Beyond Homelessness*, Steven Bouma-Prediger and Brian Walsh explore the relationship between socioeconomic, ecological and cultural homelessness. Bouma-Prediger and Walsh blend groundbreaking scholarship with stirring biblical meditations while enriching their discussion with literature, music and art. Offering practical solutions and a hope-filled vision of home, they show how to heal the deep dislocations in our society. In this fifteenth anniversary edition, the authors return to their work with a new postscript in which they discuss the evolution of their ideas and share true stories of home and community built anew. This revitalized classic is a must-read for any Christian committed to social justice and anyone longing for home. **Worldview Theory, Whiteness, and the Future of**

**Evangelical Faith** Jacob Alan Cook, 2021-09-28. The twenty-first century has seen energy passing between religious and political worldviews kicking up dust around the identity and conviction-based fault lines in American society. While many evangelical Christians have developed and deployed a worldview theory to describe and locate themselves within the world's ideological strife, Jacob Cook argues this approach has in effect compelled those listening to adopt the world's divisive modes

of dealing with difference rather than living out a compelling alternative As a popular framework for theology in recent history world viewing has driven its white evangelical adherents to narrate human lives in this world including their own in ways that warp Christian identity as a personal social and theological reality Through close studies of key white evangelical leaders who utilized the worldview concept for political engagement and cultural transformation over the last century Cook reveals why worldview theory is inept for grasping real human complexity and moreover how it forms a barrier to genuine life together as creatures in a world only the living God can really view In between these studies he draws from current conversations in psychology sociology critical race studies and other fields to deliver a vigorous critique of the worldview concept and its use as well as its underlying impulse and to unmask what world viewing shares with the history and spirit of whiteness This book is for those wrestling with the relationship between Christianity and whiteness in America how the dynamics of whiteness have become transparent and thus contentions and where to go from here if one is to follow Jesus

**The Intersystem Model** Margaret M. Conger, 1997-02-03 The book introduces the reader to one of the most provocative conceptual models in nursing today It breaks new ground not only in its presentation of the Intersystem Model but also in its in depth treatment of the spiritual subsystem as an intrinsic part of the biological psychosocial spiritual triad The contributors provide case examples and concrete tools that will allow readers to apply the model and incorporate it into their personal and conceptual framework of practice

**Faith and the Presidency From George Washington to George W. Bush** Gary Scott Smith, 2006-10-12 Publisher description The Hope of Glory Walter Wilson, 2014-04-09 This study explores the background character and function of Colossians as a form of theological education and appeal in the Pauline tradition A historical literary rhetorical and narrative analysis of the text shows how its theological affirmations and claims were presented so as to engage the life of its readers in practical ways and in practical contexts especially in order to direct their moral formation as Christians and their self understanding as a Christian community in a time of controversy The specific strategies adopted by the author in designing his message and instructing the readers are familiar from Hellenistic conventions of moral and spiritual guidance particularly those conventions associated with philosophic paraenesis or moral exhortation for recent converts

The Universe Next Door James W. Sire, 2020-08-04 For more than forty years The Universe Next Door has set the standard for an introduction to worldviews This sixth edition uses James Sire s widely influential model of eight basic worldview questions to examine prominent worldviews that have shaped the Western world critiquing each worldview within its own frame of reference and in comparison to others

**Clinical and Professional Reasoning in Occupational Therapy** Barbara Schell, John Schell, 2017-10-26 Schell Schell s Clinical and Professional Reasoning in Occupational Therapy 2nd Edition offers up to date easy to understand coverage of the theories and insights gained from years of studying how occupational therapy practitioners reason in practice Written by an expanded team of international educators researchers and practitioners the book is the only work that goes beyond simply directing how

therapists should think to exploring why and how they actually think the way they do when working with clients The 2nd Edition offers a wide array of new chapters and a new more focused four part organization that helps Occupational Therapy students develop the skills they need to identify and solve challenges throughout their careers **Herman Dooyeweerd** Jonathan Chaplin, 2016-02-15 The twentieth century Dutch philosopher Herman Dooyeweerd 1894 1977 left behind an impressive canon of philosophical works and has continued to influence a scholarly community in Europe and North America which has extended critiqued and applied his thought in many academic fields Jonathan Chaplin introduces Dooyeweerd for the first time to many English readers by critically expounding Dooyeweerd's social and political thought and by exhibiting its pertinence to contemporary civil society debates Chaplin begins by contextualizing Dooyeweerd's thought first in relation to present day debates and then in relation to the work of the Dutch philosopher Abraham Kuyper 1837 1920 Chaplin outlines the distinctive theory of historical and cultural development that serves as an essential backdrop to Dooyeweerd's substantive social philosophy examines Dooyeweerd's notion of societal structural principles and sets forth his complex classification of particular types of social structure and their various interrelationships Chaplin provides a detailed examination of Dooyeweerd's theory of the state its definitive nature and its proper role vis vis other elements of society Dooyeweerd's contributions Chaplin concludes assist us in mapping the ways in which state and civil society should be related to achieve justice and the public good *The Oxford Handbook of Religion and Education* Liam Francis Gearon, Arniika Kuusisto, 2025-04-29 The Oxford Handbook of Religion and Education offers a multi disciplinary work of scholarship and research highlighting the global significance of a critical interface of cultural and social political and theological importance Drawing on historical perspective and contemporary reflection the collection provides a uniquely transformative analysis of why the interface of religion and education is of such critical significance With contributions from some of the leading thinkers in the field this Handbook presents a cumulatively powerful argument to reassess the complexities of the intersection of religion and education With ambitious and yet accessible intellectual engagements the Handbook here furthers a central thesis that the interface of religion and education is not merely a matter of arcane disputation about a domain of ancient origin or a rudimentary matter of formal educational process but a vibrant domain of critical contestation fundamental to knowing understanding and living in the modern world **Liberal Arts for the Christian Life** Jeffry C.
