Stairway To Serenity The Eleventh Step:

Stairway to Serenity, 1988 When it comes to developing our spirituality a lot of us hold back because we're unsure if we're doing it right and don't know how to measure the results. *Stairway to Serenity* is a down-to-earth guide for finding serenity through spiritual growth. This is not a book of philosophy or theory. The author documents what has worked for himself and others like him who have found their spiritual experience in the daily miracle of recovery. In this easily readable conversational book we can see how through the Eleventh Step of Alcoholics Anonymous we can discover a peace of mind greater than any high we found in addiction. *Stairway to Serenity* based on solid Twelve Step thinking outlines specific actions we can take to enhance our spiritual progress. Whether we've been struggling to find conscious contact for a day, a year, or a decade, *Stairway to Serenity* delivers good everyday spiritual experience with refreshing sincerity and gut-level honesty. Taken together, this reference volume and the actual materials in the Griffith Library constitute the largest and most complete record of early A.A. historical materials in the world today, other than the Library of Congress items. **Spirituality and Chemical**

Dependency Robert J. Kus, 2014-01-02 Spirituality and Chemical Dependency shares current thinking on how spirituality is used in recovery from alcoholism and other forms of chemical dependency. The 12 Step programs have been the most successful form of treatment, thus far, you will find the insight in this book to be revealing as to why. Each of the contributors has devoted a significant part of his or her life to help those suffering from chemical addiction. In each chapter, the author gives ideas on specific aspects of spirituality in the 12 Step context and answers the ever-important question: So what to provide guidelines for healthy spirituality in the addicted person.
