Robert C. Tucker

Stalin In Power The Revolution From Above 1928 1941:

Stalin in Power Robert C. Tucker,1990 Recounts Stalin s establishment of state run collectives discusses the political reasons behind his pact with Hitler and analyzes the effects of Stalin s reign Stalin in Power Robert C. Tucker,1990

Stalin in Power Robert C. Tucker,1990 **Power and the Sacred in Revolutionary Russia** Glennys Young,2010-11 After the 1917 Revolution in Russia the Bolsheviks launched a massive assault on religion Although we know a great deal about how the Bolsheviks went about doing this propaganda persecution of clergy and laity seizing church property scholars have not devoted much attention to the other side of the story the people who were being persecuted and how they responded to their persecutors Glennys Young shows how ordinary Russian peasants devised ways of asserting their religious faith during the difficult period of New Economic Policy 1921 28 when the Party state was ideologically obsessed with eradicating religion Faced with persecution torture and the creation of antireligious organizations such as the League of the Godless Orthodox clergy and laity organized themselves against the Bolsheviks They revived factional politics even using the village soviets the intended cornerstone of Soviet power in the countryside to defend their religious interests When they achieved some degree of success in their resistance the Bolsheviks were forced to respond and adapt their strategies a conclusion that scholars have not put forward previously Based on extensive research in archives and published sources Young s book will force historians of Soviet Russia to confront religious issues as central to rural politics Her work also draws upon cultural anthropology and theories of peasant politics making it of great interest to any scholars studying the processes of secularization and desacralization in other cultures Stalin In Power Robert C Tucker,1992-05-05 Explains the motivations personality and actions of the man under whose rulership millions of Russians perished **The Russian Revolution** Sheila Fitzpatrick,2008-02-28 This fully updated new edition of Sheila Fitzpatrick s classic short history of the Russian Revolution takes into account the new evidence that has come to light since the collapse of the Soviet Union in 1991 incorporating material that was previously inaccessible not only to Western but also to Soviet historians **Russia After Lenin** Vladimir Brovkin,2005-08-04 Following the Russian Revolution the cultural and political landscape of Russia was strewn with contradictions The dictatorship censorship and repression of the Communist party existed alongside private enterprise the black market and open debates on Socialism In Russian Society and politics 1921 1929 Vladimir Brovkin offers a comprehensive cultural political economic and social history of developments in Russia in the 1920 s By examining the contrast between Bolshevik propaganda claims and social reality the author explains how Communist representations were variously received and resisted by workers peasants students women teachers and party officials He presents a picture of cultural diversity and rejection of Communist constraints through many means including unauthorised protest religion jazz music and poetry In Russian Society and Politics 1921 1929 Vladimir Brovkin argues that these trends if left unchecked endangered the Communist Party s monopoly on political power The Stalinist revolution can thus be seen as a pre emptive

strike against this independent and vibrant society as well as a product of Stalin's personality and communist ideology

The Anatomy of Revolution Revisited Bailey Stone, 2014 This study aims to update a classic of comparative revolutionary analysis Crane Brinton's 1938 study *The Anatomy of Revolution* It invokes the latest research and theoretical writing in history political science and political sociology to compare and contrast in their successive phases the English Revolution of 1640-60 the French Revolution of 1789-99 and the Russian Revolution of 1917-29 This book intends to do what no other comparative analysis of revolutionary change has yet adequately done It not only progresses beyond Marxian socioeconomic class analysis and early revisionist stresses on short term accidental factors involved in revolutionary causation and process it also finds ways to reconcile state centered structuralist accounts of the three major European revolutions with postmodernist explanations of those upheavals that play up the centrality of human agency revolutionary discourse mentalities ideology and political culture

Russian Nationalism Since 1856 Astrid S. Tuminez, 2000 This thoughtful book describes the range of nationalist ideas that have taken root in Russia since 1856 Drawing on a wide range of archival documents and unparalleled interview material from the post Soviet period Tuminez analyzes two cases Russian panslavism in 1856-1878 and great power nationalism in 1905-1914 when aggressive nationalist ideas clearly influenced Russian foreign policy and contributed to decisions to go to war Yet not all forms of nationalism have been malevolent and the author assesses competing nationalist ideologies in the post Soviet period to clarify the conditions under which a particularly belligerent nationalism could flourish and influence Russian international behavior

Russia John M. Thompson, Christopher J. Ward, 2018-04-17 This lucid account of Russian and Soviet history presents major trends and events from ancient Kievan Rus to Vladimir Putin's presidency in the twenty first century Russia does not shy away from controversial topics including the impact of the Mongol conquest the paradoxes of Peter the Great the inevitability of the 1917 Revolution the Stalinist terror and the Gorbachev reform effort Tackling those topics and others the new edition is updated to discuss the Russia Georgia war of 2008 the 2013-2014 Euromaidan protests in Ukraine the war in eastern Ukraine and the Russian annexation of Crimea Distinguished by its brevity and amply supplemented with useful images and suggested readings this essential text provides balanced coverage of all periods of Russian history and incorporates economic social and cultural developments as well as politics and foreign policy

Wings, Women, and War Reina Pennington, 2002-01-22 The Soviet Union was the first nation to allow women pilots to fly combat missions During World War II the Red Air Force formed three all female units grouped into separate fighter dive bomber and night bomber regiments while also recruiting other women to fly with mostly male units Their amazing story fully recounted for the first time by Reina Pennington honors a group of fearless and determined women whose exploits have not yet received the recognition they deserve Pennington chronicles the creation organization and leadership of these regiments as well as the experiences of the pilots navigators bomb loaders mechanics and others who made up their ranks all within the context of the Soviet air war on

the Eastern Front These regiments flew a combined total of more than 30 000 combat sorties produced at least thirty Heroes of the Soviet Union and included at least two fighter aces Among their ranks were women like Marina Raskova the Soviet Amelia Earhart a renowned aviator who persuaded Stalin in 1941 to establish the all women regiments the daredevil night witches who flew ramshackle biplanes on nocturnal bombing missions over German frontlines and fighter aces like Liliia Litviak whose twelve kills are largely unknown in the West She also tells the story of Alexander Gridnev a fighter pilot twice arrested by the Soviet secret police before he was chosen to command the women s fighter regiment Pennington draws upon personal interviews and the Soviet archives to detail the recruitment training and combat lives of these women Deftly mixing anecdote with analysis her work should find a wide readership among scholars and buffs interested in the history of aviation World War II or the Russian military as well as anyone concerned with the contentious debates surrounding military and combat service for women

Rethinking Revolutionary Change in Europe Bailey Stone,2020-02-17 Reconsidering the English French and Russian Revolutions this book offers an important new approach to the theoretical and comparative study of revolutions Bailey Stone proposes an innovative neostructuralist integration of competing structuralist and postmodernist theory Providing a balanced and nuanced critique of both sides he presents new ways of understanding radical change in the European polities that created the concept and the dramatic realities of modern revolution He focuses on the central issues of modernizers versus traditionalists old regime bourgeoisies regicides terror and state legitimacy By reconciling political and cultural theories of revolutionary causation and process Stone s synthesis marks a critical advance in our understanding of revolution

The Russian Revolution Abraham Ascher,2014-03-06 1917 the year a series of rebellions toppled three centuries of autocratic rule and placed a group of political radicals in charge of a world power Here suddenly was the first modern socialist state a kingdom more bright than any heaven had to offer But the dream was short lived bringing in its wake seventy years of conflict and instability that nearly ended in nuclear war How could such a revolution take place and what caused it to go so very wrong Presenting a uniquely long view of events Abraham Ascher takes readers from the seeds of revolution in the 1880s right through to Stalin s state terror and the power of the communist legacy in Russia today Original and shrewd Ascher s analysis offers an unparalleled introduction to this watershed period in world history

The Ideological Origins of Great Power Politics, 1789–1989 Mark L. Haas,2018-09-05 How do leaders perceive threat levels in world politics and what effects do those perceptions have on policy choices Mark L Haas focuses on how ideology shapes perception He does not delineate the content of particular ideologies but rather the degree of difference among them Degree of ideological difference is he believes the crucial factor as leaders decide which nations threaten and which bolster their state s security and their own domestic power These threat perceptions will in turn impel leaders to make particular foreign policy choices Haas examines great power relations in five periods the 1790s in Europe the Concert of Europe 1815 1848 the 1930s in Europe Sino Soviet relations from 1949 to 1960 and the end of the Cold War In each case he finds a clear relationship

between the degree of ideological differences that divided state leaders and those leaders' perceptions of threat level and so of appropriate foreign policy choices. These relationships held in most cases regardless of the nature of the ideologies in question, the offense-defense balance and changes in the international distribution of power. **Socialism in Russia** J. Gooding, 2001-12-03 This book asks three fundamental questions about the socialist experiment in twentieth century Russia: How did Marxist ideas come to be implemented in Russia, a country entirely unsuited to them? Why did the experiment lead to such suffering and upheaval and prove so fruitless? And why did the attempt to return to a proper Marxism-Leninism bring about the rapid collapse of the experiment? In its answers, this book pays special attention to the shadow cast by Lenin throughout the entire Soviet era. **Understanding the Cold War** Elspeth O'Riordan, 2022-09-29 This book provides an advanced introduction to the Cold War, assessing its origins, development, and conclusion as a dynamic interaction between superpower confrontation and complex regional and local situations. The evolution of the subject's scholarly debate is discussed throughout, and the contest situated alongside enduring historical themes including decolonisation, development, nationalism, and globalisation. Regional case studies on Europe, East and Southeast Asia, Latin America, and the Middle East illuminate the Cold War's global reach. Thematic analysis considers competition in military, strategic, and economic spheres as well as in aspects of culture, ideology, society, and Human Rights. The Cold War's transnational elements and facets of international cooperation are also highlighted. The book unpacks the subject's extensive scholarly discourse, underlining the interdisciplinary character of today's Cold War historiography and the importance of understanding that its development has been informed by a vibrant interface between international history, international relations, and the Cold War itself.

Politics in Russia Thomas Remington, 2015-07-22 Highly regarded for its comprehensive coverage up to date scholarship and comparative framework, *Politics in Russia* is an authoritative overview of Russia's contemporary political system and its recent evolution. Area specialist Thomas Remington focuses on four areas of change in this text: state structure, regime change, economic transformation, and identity, to offer a dynamic context for analyzing the post-Soviet era. With a consistent emphasis on the intersection of politics and economics and the tension between authoritarian and democratic trends, no other text guides students through the complexities and ambiguities of Russian politics today like *Politics in Russia*.

Ideas in Action Stephen Eric Bronner, 2000-01-01 Imagine a world in which means and ends, theory and practice, ideals, values, and interests are tortuously disassociated and yet manifestly linked. That is the world of the 20th century as Stephen Eric Bronner vividly portrays it in his important new work. Now imagine a world in which new traditions mix with the old, creativity blends with commitment, and values from the past combine with bold visions of the future. Creating this new fusion, says Professor Bronner, is the challenge for the 21st century, and it inspires *Ideas in Action*. Contemporary political theory has become alienated from politics. It often neither discusses concrete political events nor touches the world of political action. That is an intellectual luxury the academy of the 21st century can ill afford, and *Ideas in Action* offers an accessible way out of

the box into which the canon of political theory and philosophy has been stuffed With elegance and power Bronner surveys 20th century political traditions In the process he places theories and thinkers in their social historical and political contexts His sweeping presentation is organized into four imaginatively articulated phases that signal the direction of political thinking in the twentieth century Offering distinctive interpretations and criticisms presenting a new internationalist perspective Bronner imbues the text with original voices and primary sources from the very canon he is reconfiguring Careful notes of citation and explanation provide a pedagogical subtext that serves as a running bibliographic essay All this and more makes the perfect core or supplemental text for courses not only in political science but philosophy sociology history and cultural studies as well Ideas in Action is a book for thinking people seeking to understand the past and shape the next millennium in terms of a new planetary outlook and a cosmopolitan sensibility Students will enjoy reading the text flock to the primary sources and engage

The Soviet Colossus Michael Kort, 2001 The most readable history of twentieth century Russia from tsarist times to the present now completely revised and updated to integrate new revelations and ongoing debates about the nature of the Soviet regime and including coverage of the first decade of post Soviet Russia

Marx and Marxism Gregory Claes, 2018-04-24 A new biography of Karl Marx tracing the life of this titanic figure and the legacy of his work Karl Marx remains the most influential and controversial political thinker in history He died quietly in 1883 and a mere eleven mourners attended his funeral but a year later he was being hailed as the Prophet himself whose name and writings would endure through the ages He has been viewed as a philosopher economist historian sociologist political theorist even a literary craftsman But who was Marx What informed his critiques of modern society And how are we to understand his legacy In Marx and Marxism Gregory Claes a leading historian of socialism offers a wide ranging accessible account of Marx's ideas and their development from the nineteenth century through the Russian Revolution to the present After the collapse of the Soviet Union his reputation seemed utterly eclipsed but now a new generation is reading and discovering Marx in the wake of the recurrent financial crises growing social inequality and an increasing sense of the injustice and destructiveness of capitalism Both his critique of capitalism and his vision of the future speak across the centuries to our times even if the questions he poses are more difficult to answer than ever

Stalin In Power The Revolution From Above 1928 1941 Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Stalin In Power The Revolution From Above 1928 1941, especially related to Stalin In Power The Revolution From Above 1928 1941, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Stalin In Power The Revolution From Above 1928 1941, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Stalin In Power The Revolution From Above 1928 1941 books or magazines might include. Look for these in online stores or libraries. Remember that while Stalin In Power The Revolution From Above 1928 1941, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Stalin In Power The Revolution From Above 1928 1941 eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Stalin In Power The Revolution From Above 1928 1941 full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Stalin In Power The Revolution From Above 1928 1941 eBooks, including some popular titles.

FAQs About Stalin In Power The Revolution From Above 1928 1941 Books

What is a Stalin In Power The Revolution From Above 1928 1941 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Stalin In Power The Revolution From Above 1928 1941 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Stalin In Power The Revolution From Above 1928 1941 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Stalin In Power The Revolution From Above 1928 1941 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Stalin In Power The Revolution From Above 1928 1941 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
