Stalins War:

Stalin's War Sean McMeekin, 2021-04-20 A prize winning historian reveals how Stalin not Hitler was the animating force of World War II in this major new history World War II endures in the popular imagination as a heroic struggle between good and evil with villainous Hitler driving its events But Hitler was not in power when the conflict erupted in Asia and he was certainly dead before it ended His armies did not fight in multiple theaters his empire did not span the Eurasian continent and he did not inherit any of the spoils of war That central role belonged to Joseph Stalin The Second World War was not Hitler s war it was Stalin s war Drawing on ambitious new research in Soviet European and US archives Stalin s War revolutionizes our understanding of this global conflict by moving its epicenter to the east Hitler s genocidal ambition may have helped unleash Armageddon but as McMeekin shows the war which emerged in Europe in September 1939 was the one Stalin wanted not Hitler So too did the Pacific war of 1941 1945 fulfill Stalin s goal of unleashing a devastating war of attrition between Japan and the Anglo Saxon capitalist powers he viewed as his ultimate adversary McMeekin also reveals the extent to which Soviet Communism was rescued by the US and Britain s self defeating strategic moves beginning with Lend Lease aid as American and British supply boards agreed almost blindly to every Soviet demand Stalin s war machine McMeekin shows was substantially reliant on American materiel from warplanes tanks trucks jeeps motorcycles fuel ammunition and explosives to industrial inputs and technology transfer to the foodstuffs which fed the Red Army This unreciprocated American generosity gave Stalin s armies the mobile striking power to conquer most of Eurasia from Berlin to Beijing for Communism A groundbreaking reassessment of the Second World War Stalin s War is essential reading for anyone looking to understand the current world order

Stalin's War Sean McMeekin, 2021-04-20 A major new history of the Second World War by a prize winning historian We remember World War II as a struggle between good and evil with Hitler propelling events and the Allied powers saving the day But Hitler s armies did not fight in multiple theaters his empire did not span the Eurasian continent and he did not inherit the spoils of war That role belonged to Joseph Stalin Hitler s genocidal ambition may have unleashed Armageddon but as celebrated historian Sean McMeekin shows the conflicts that emerged were the result of Stalin s maneuverings orchestrated to unleash a war between capitalist powers in Europe and between Japan and the Anglo American forces in the Pacific Meanwhile the United States and Britain s self defeating strategy of supporting Stalin and his armies at all costs allowed the Soviets to conquer most of Eurasia from Berlin to Beijing for Communism A groundbreaking reassessment Stalin s War is essential reading for anyone looking to understand the roots of the current world order

Stalin's Wars Geoffrey Roberts, 2006-01-01 This breakthrough book provides a detailed reconstruction of Stalin s leadership from the outbreak of the Second World War in 1939 to his death in 1953 Making use of a wealth of new material from Russian archives Geoffrey Roberts challenges a long list of standard perceptions of Stalin his qualities as a leader his relationships with his own generals and with other great world leaders his foreign policy and his role

in instigating the Cold War While frankly exploring the full extent of Stalin's brutalities and their impact on the Soviet people Roberts also uncovers evidence leading to the stunning conclusion that Stalin was both the greatest military leader of the twentieth century and a remarkable politician who sought to avoid the Cold War and establish a long term detente with the capitalist world By means of an integrated military political and diplomatic narrative the author draws a sustained and compelling personal portrait of the Soviet leader The resulting picture is fascinating and contradictory and it will inevitably change the way we understand Stalin and his place in history Roberts depicts a despot who helped save the world for democracy a personal charmer who disciplined mercilessly a utopian ideologue who could be a practical realist and a warlord who undertook the role of architect of post war peace

Plans for Stalin's War-Machine L. Samuelson, 2016-01-13 In the interwar period Red Army commanders headed by Tukhachevskii developed a new doctrine of mobile warfare and deep operations The military requirements of armaments and industrial production in the event of war was a central parameter in Stalinist industrialization Based on recently opened Russian archives the book analyzes military dimensions of Soviet long term economic and military reconstruction plans from the mid 1920s until 1941 It presents a new framework for estimating the Soviet war economic preparations drastically underestimated by contemporaries

Stalin's War Edwin Palmer Hoyt, 2003 The battlefields of the USSR witnessed the most devastating confrontations of World War II In every one of those battles Communist dictator Josef Stalin exercised his influence meddling with and executing his generals hurling unprepared armies into pure chaos and meeting with his Western allies to divide the world up into zones of influence that would soon be embroiled in a new war World War II scholar Hoyt describes the war from Stalin's vantage point and shows how his decisions especially his early refusal to go to war with Germany even after they attacked led to the historic battles for Leningrad Stalingrad and Moscow Hoyt also explains how Stalin's bloody purges before the war left a military bereft of leadership yet opened the doors for Zhukov Chuikov Rokossovsky and other crucial commanders to spearhead a Soviet victory Stalin's War also examines Stalin's use of propaganda to vilify the German army and blame Soviet war crimes and human rights violations on the Nazis

Stalin's War of Extermination, 1941-1945 Joachim Hoffmann, 2001 Documents p 365 405 Includes bibliographical references p 345 358 and index

The Road To Stalingrad John Erickson, 2019-07-19 The Road to Stalingrad is designed to investigate the kind of war the Soviet Union waged the nature of command decisions and the machinery of decision making the course of military operations the emergence of Soviet war aims and the Soviet style of war with Germany

The Road To Berlin John Erickson, 2015-10-08 Beginning with the destruction of the German Sixth Army at Stalingrad The Road to Berlin is the story of how the Red Army drove the Germans from its territory and finally invaded the Reich Using an enormous range of primary sources Soviet German and Eastern European John Erickson describes fighting and hardship on a scale almost unimaginable in the West He provides a detailed narrative of all the battles on all the fronts and also of the Soviet system of war which achieved under maximum stress near impossible feats in the field and in the

factories The book also tells of the diplomatic moves and counter moves including the all important conferences at Tehran and Yalta Comprehensive compelling and immensely readable it is an indispensable book for any student of the Second World War

Stalin's Holy War Steven Merritt Miner,2003 This volume examines the complex and profound role of religion especially Russian Orthodoxy in the politics of Stalin s government during World War II It demonstrates that Stalin decided to restore the church to prominence as a tool for restoring Soviet power to previously occupied areas

Industry, War and Stalin's Battle for Resources Lars Rowe,2020-09-03 In this book the territory of Pechenga located well above the Arctic circle between Russia Finland and Norway holds the key to understanding the geopolitical situation of the Arctic today With specific focus on the local nickel industry of the region Lars Rowe explores the interaction between commercial and state security concerns in the Soviet Union Through the lens of this local industry a larger historical context is unravelled the nature of Soviet Finnish relations after the Russian Revolution Soviet international relations strategies during the Second World War and the nature of the Stalinist economy in the early post war years By presenting this environmentally focused history of a small corner of the Arctic Rowe offers the historical context needed to understand the current geopolitical climate of the Polar North

The Concept of Neutrality in Stalin's Foreign Policy, 1945-1953 Peter Ruggenthaler,2015-07-02 Drawing on recently declassified Soviet archival sources this book sheds new light on how the division of Europe came about in the aftermath of World War II The book contravenes the notion that a neutral zone of states including Germany could have been set up between East and West The Soviet Union under Joseph Stalin was determined to preserve control over its own sphere of German territory By tracing Stalin s attitude toward neutrality in international politics the book provides important insights into the origins of the Cold War

Hitler's War Heinz Magenheimer,2015-09-10 This is a closely argued and wide ranging assessment of just how with so many alternatives open the German High Command chose the path that led ultimately to its own destruction Heinz Magenheimer examines in detail the options that were open to the Germans as the war progressed He identifies the crucial moments at which fateful decisions needed to be made and considers how decisions different from those actually taken could have propelled the conflict in entirely different directions Using the very latest source material in particular new research from Soviet Russian sources the author analyses motives and objectives and considers the opportunities acted upon or rejected concentrating especially on specific phases of the conflict

The Road to Stalingrad John Erickson,1975 Surveys the battleground of the Eastern front where Hitler went astray at the peak of his power

Stalin's Other War Albert L. Weeks,2002-08-15 On June 22 1941 just less than two years after signing the Nazi Soviet Agreements Adolf Hitler s German army invaded the Soviet Union The attack hardly came as a surprise to Josef Stalin in fact history has long held that Stalin spent the two intervening years building up his defenses against a Nazi attack With the gradual declassifying of former Soviet documents though historians are learning more and more about Stalin s grand plan during the years 1939 1941 Longtime Soviet expert Albert L

Weeks has studied the newly released information and come to a different conclusion about the Soviet Union's pre war buildup it was not precaution against German invasion at all In fact Weeks argues the evidence now suggests Soviet mobilization was aimed at an eventual invasion of Nazi Germany The Soviets were quietly biding their time between 1939 and 1941 allowing the capitalist powers to destroy one another all the while preparing for their own Westward march Stalin Weeks shows wasn't waiting for a Nazi attack Hitler simply beat him to the punch Stalin's Defectors Mark

Edele,2017-06-23 Stalin's Defectors is the first systematic study of the phenomenon of frontline surrender to the Germans in the Soviet Union's Great Patriotic War against the Nazis in 1941-1945 No other Allied army in the Second World War had such a large share of defectors among its prisoners of war Based on a broad range of sources this volume investigates the extent the context the scenarios the reasons the aftermath and the historiography of frontline defection It shows that the most widespread sentiments animating attempts to cross the frontline was a wish to survive this war Disgruntlement with Stalin's socialism was also prevalent among those who chose to give up and hand themselves over to the enemy While politics thus played a prominent role in pushing people to commit treason few desired to fight on the side of the enemy Hence while the phenomenon of frontline defection tells us much about the lack of popularity of Stalin's regime it does not prove that the majority of the population was ready for resistance let alone collaboration Both sides of a long standing debate between those who equate all Soviet captives with defectors and those who attempt to downplay the phenomenon then over stress their argument Instead more recent research on the moods of both the occupied and the unoccupied Soviet population shows that the majority understood its own interest in opposition to both Hitler's and Stalin's regime The findings of Mark Edele in this study support such an interpretation **The Road To Berlin** John Erickson,2019-10-02 This book traces Russian campaigns from the counterattack at Stalingrad to the fall of Berlin and the capture of Prague It explores in detail Stalin's wartime relations with Roosevelt and Churchill and examines the evolution of his policies toward Poland and the Balkans

Red Famine Anne Applebaum,2017-10-10 NEW YORK TIMES BESTSELLER A revelatory history of one of Stalin's greatest crimes the consequences of which still resonate today as Russia has placed Ukrainian independence in its sights once more from the author of the Pulitzer Prize winning Gulag and the National Book Award finalist Iron Curtain With searing clarity Red Famine demonstrates the horrific consequences of a campaign to eradicate backwardness when undertaken by a regime in a state of war with its own people The Economist In 1929 Stalin launched his policy of agricultural collectivization in effect a second Russian revolution which forced millions of peasants off their land and onto collective farms The result was a catastrophic famine the most lethal in European history At least five million people died between 1931 and 1933 in the USSR But instead of sending relief the Soviet state made use of the catastrophe to rid itself of a political problem In Red Famine Anne Applebaum argues that more than three million of those dead were Ukrainians who perished not because they were accidental victims of a bad policy but because the state deliberately set out to kill them Devastating and

definitive Red Famine captures the horror of ordinary people struggling to survive extraordinary evil Applebaum's compulsively readable narrative recalls one of the worst crimes of the twentieth century and shows how it may foreshadow a new threat to the political order in the twenty first Stalin's War Ernst Topitsch,1987 **Stalin's Plans for Capturing Germany** Bogdan Musial,2023-10-30 Drawing on a host of internal Soviet Politburo discussions memoranda and speeches this book shows that the Soviet Union was a heavily militarized state that incessantly planned to unleash a great ideologically motivated war While the myth of Soviet benevolence has now largely been discredited the idea that Stalin's Soviet Union was a peaceful power that sought to prevent the war through all kinds of means including an ill fated non aggression treaty with Hitler remains popular to this day Indeed this narrative is not only promoted by Putin's propaganda but also by a host of Western intellectuals and even historians who take public declarations at face value Drawing on a host of internal Soviet Politburo discussions memoranda and speeches this book shows that the Soviet Union was a heavily militarized state that incessantly planned to unleash a great ideologically motivated war against the rest of the world In fact its entire political life revolved around the question of war especially following the onset of the Great Depression in 1929 which convinced Soviet leaders of the imminent collapse of the capitalist system abroad Thus both the collectivization as well as the terror that followed in its wake were done with the coming war in mind even though there was no tangible danger of war Slowed down by countless devastating setbacks Stalin was nevertheless able to amass a gigantic army by the late 1930s When Hitler approached Stalin in 1939 asking for Soviet neutrality in his planned invasion of Poland Stalin sensed a golden opportunity by supporting Hitler he could turn the European powers against each another allowing him to intervene once they were sufficiently weakened However Stalin miscalculated Hitler beat both Poland and France in less than a year and then turned against Moscow in 1941 long before Stalin was ready for his own attack **Nazi Secret Warfare in Occupied Persia (Iran)** Adrian O'Sullivan,2014-08-05 This is the first full length work to be published about the spectacular failure of the German intelligence services in Persia Iran during WWII Based on archival research it analyzes a compelling history of Nazi planning operations personalities and intrigues and follows the protagonists from Hitler's rise to power into the postwar era

Thank you definitely much for downloading **Stalins War**. Most likely you have knowledge that, people have look numerous period for their favorite books bearing in mind this Stalins War, but end taking place in harmful downloads.

Rather than enjoying a fine ebook as soon as a mug of coffee in the afternoon, instead they juggled bearing in mind some harmful virus inside their computer. **Stalins War** is affable in our digital library an online entry to it is set as public as a result you can download it instantly. Our digital library saves in multipart countries, allowing you to acquire the most less latency era to download any of our books subsequent to this one. Merely said, the Stalins War is universally compatible similar to any devices to read.

Stalins War Introduction

In the digital age, access to information has become easier than ever before. The ability to download Stalins War has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Stalins War has opened up a world of possibilities. Downloading Stalins War provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Stalins War has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Stalins War. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Stalins War. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Stalins War, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Stalins War has transformed the way we

access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Stalins War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Stalins War is one of the best book in our library for free trial. We provide copy of Stalins War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Stalins War. Where to download Stalins War online for free? Are you looking for Stalins War PDF? This is definitely going to save you time and cash in something you should think about.
