Stalins War Against The Jews:

Stalin's War Against the Jews Louis Rapoport,1990 In 1952 nine Kremlin doctors all Jews were seized and accused of plotting to poison the Soviet leaders Rapoport s account of the final 14 months of Stalin s life reveals that the so called Doctors Plot was a culminating step in the dictator s lifelong war against the Jews and argues that only Stalin s sudden death in 1953 prevented the unfolding of his own solution to the Jewish problem in the Soviet Union Annotation copyrighted by Book News Inc Portland OR [Stalin's War Against the Jews](#) Louis Rapoport,1998-03 **The White Pill** Michael Malice,2022-12-04 The Russian Revolution was as red as blood The Bolsheviks promised that they were building a new society a workers paradise that would change the nature of mankind itself What they ended up constructing was the largest prison that the world had ever seen a Union of Soviet Socialist Republics that spanned half the globe It was a country where people s lives meant nothing less than nothing and they knew it But no matter what atrocity that the Soviets committed the secret police the torture chambers the show trials the labor camps and the mass starvation there was always someone in the West rushing to justify their bloodshed For decades it seemed perfectly obvious that the USSR wasn t going anywhere until it vanished from the face of the earth gradually and then suddenly This is the story of the rise and fall of that evil empire and why it is so important for the good to never give up hope This is the white pill *Stalin's Wars* Geoffrey Roberts,2006-01-01 This breakthrough book provides a detailed reconstruction of Stalin s leadership from the outbreak of the Second World War in 1939 to his death in 1953 Making use of a wealth of new material from Russian archives Geoffrey Roberts challenges a long list of standard perceptions of Stalin his qualities as a leader his relationships with his own generals and with other great world leaders his foreign policy and his role in instigating the Cold War While frankly exploring the full extent of Stalin s brutalities and their impact on the Soviet people Roberts also uncovers evidence leading to the stunning conclusion that Stalin was both the greatest military leader of the twentieth century and a remarkable politician who sought to avoid the Cold War and establish a long term detente with the capitalist world By means of an integrated military political and diplomatic narrative the author draws a sustained and compelling personal portrait of the Soviet leader The resulting picture is fascinating and contradictory and it will inevitably change the way we understand Stalin and his place in history Roberts depicts a despot who helped save the world for democracy a personal charmer who disciplined mercilessly a utopian ideologue who could be a practical realist and a warlord who undertook the role of architect of post war peace [Stalin's War](#) Sean McMeekin,2021-04-20 A prize winning historian reveals how Stalin not Hitler was the animating force of World War II in this major new history World War II endures in the popular imagination as a heroic struggle between good and evil with villainous Hitler driving its events But Hitler was not in power when the conflict erupted in Asia and he was certainly dead before it ended His armies did not fight in multiple theaters his empire did not span the Eurasian continent and he did not inherit any of the spoils of war That central role belonged to Joseph Stalin The Second World War was not Hitler s war it

was Stalin's war Drawing on ambitious new research in Soviet European and US archives Stalin's War revolutionizes our understanding of this global conflict by moving its epicenter to the east Hitler's genocidal ambition may have helped unleash Armageddon but as McMeekin shows the war which emerged in Europe in September 1939 was the one Stalin wanted not Hitler So too did the Pacific war of 1941-1945 fulfill Stalin's goal of unleashing a devastating war of attrition between Japan and the Anglo Saxon capitalist powers he viewed as his ultimate adversary McMeekin also reveals the extent to which Soviet Communism was rescued by the US and Britain's self-defeating strategic moves beginning with Lend Lease aid as American and British supply boards agreed almost blindly to every Soviet demand Stalin's war machine McMeekin shows was substantially reliant on American material from warplanes tanks trucks jeeps motorcycles fuel ammunition and explosives to industrial inputs and technology transfer to the foodstuffs which fed the Red Army This unreciprocated American generosity gave Stalin's armies the mobile striking power to conquer most of Eurasia from Berlin to Beijing for Communism A groundbreaking reassessment of the Second World War Stalin's War is essential reading for anyone looking to understand the current world order

The Private World of Soviet Scientists from Stalin to Gorbachev Maria Rogacheva, 2017-07-10 A major new contribution to understanding the transition of Soviet society from Stalinism to a more humane model of socialism

How the Jews Defeated Hitler Benjamin Ginsberg, 2013-04-04 One of the most common assumptions about World War II is that the Jews did not actively or effectively resist their own extermination at the hands of the Nazis In this powerful book Benjamin Ginsberg convincingly argues that the Jews not only resisted the Germans but actually played a major role in the defeat of Nazi Germany The question he contends is not whether the Jews fought but where and by what means True many Jews were poorly armed outnumbered and without resources but Ginsberg shows persuasively that this myth of passivity is solely that a myth The author describes how Jews resisted Nazism strongly in four major venues First they served as members of the Soviet military and as engineers who designed and built many pivotal Soviet weapons including the T-34 tank Second a number were soldiers in the US armed forces and many also played key roles in discrediting American isolationism in providing the Roosevelt administration with the support it needed for preparing for war and in building the atomic bomb Third they made vital contributions to the Allies the Soviet Union the United States and Britain in espionage and intelligence especially cryptanalysis and fourth they assumed important roles in several European anti-Nazi resistance movements that often disrupted Germany's fragile military supply lines In this compelling cogent history we discover that the Jews were an important factor in Hitler's defeat

The Secret File of Joseph Stalin Roman Brackman, 2004-11-23 This account of Stalin's life begins with his early years the family breakup caused by the suspicion that the boy was the result of an adulterous affair the abuse by his father and the growth of the traumatized boy into criminal spy and finally one of the 20th century's political monsters

Cosmopolitanism, Nationalism and the Jews of East Central Europe Michael Miller, Scott Ury, 2016-01-22 Since ancient times Jews have had a long and tangled relationship

to cosmopolitanism Torn between a longstanding commitment to other Jews and the pressure to integrate into various host societies many Jews have sought a third seemingly neutral option that of becoming citizens of the world cosmopolitans Few regions witnessed such intense debates on these questions as the lands of East Central Europe as they entered the modern era From Berlin to Moscow and from Vilna to Bucharest the Jews of East Central Europe were repeatedly torn between people nation and the world While many Jews and individuals of Jewish descent embraced cosmopolitan ideologies and movements across the span of the nineteenth century such appeals to transcend the nation became increasingly suspect with the rise of integral nationalism In Germany Poland Russia and other lands Jews and other supporters of cosmopolitan movements were marginalized during the late nineteenth and early twentieth centuries Although such sentiments reached their peak during the Second World War anti cosmopolitan propaganda continued throughout the Cold War when it often became an integral part of anti Jewish campaigns in the Soviet Union Czechoslovakia Poland and Romania Even after the end of the Cold War the connection between Jews and cosmopolitanism continues to befuddle ideologues cultural leaders and politicians in Europe North America and Israel The fourteen chapters amassed in this volume address these and other questions including What lies at the roots of the longstanding connection between Jews and cosmopolitanism How has this relationship changed over time What can different cultural economic and political developments teach us about the ongoing attraction and tension between Jews and cosmopolitanism And what can these test cases tell us about the future of Jews and cosmopolitanism in the twenty first century This book was originally published as a special issue of the European Review of History

Russian Antisemitism Pamyat/De Corey,2013-11-26 First Published in 1995 The emergence in Russia of the antisemitic chauvinist movement Pamyat has started Western society even as it has stirred deep fears and anxiety among Jews and democratic forces within Russia How could supposedly Communist society whose founder V I Lenin had railed against the racism and bigotry give birth to a proto fascist ideology and organisation This study seeks to respond to this understandable if provocative query The roots of Pamyat s ideology can be traced to the tsarist Black Hundreds in the really part of the twentieth century to certain aspects of Stalinism and especially to the Soviet anti Zionist campaign of 1967 86 Although the antisemitic campaign was officially halted at state level by Mikhail Gorbachev the merging Pamyat groups took advantage of the freer atmosphere of glasnost to continue to foster anti Jewish hatred

Stalin Nigel Cawthorne,2012-07-24 Death is the solution to all problems No man no problem Joseph Stalin Worshipped by the Russians as a great leader Stalin was one of modern history s greatest tyrants rivalling Hitler Mao Zedong and Pol Pot But he probably had more blood on his hands than any of them Born Josef Dzhugashvili in Gori Georgia in 1879 Stalin studied to be a priest while secretly reading the works of Karl Marx Politics soon became his religion and under his ruthless rule up to 60 million people perished Peasants who resisted Stalin s policy of collectivisation were denounced as Kulaks arrested and shot exiled or worked to death in his ever expanding network of concentration camps the Gulag Nobody was safe not even his friends his

family or his political allies This is the story of a man who never let up for a second in his pursuit of absolute power

Hitler's War Against the Partisans During Operation Barbarossa Antonio J Muñoz,2025-04-28 From the start of the war on the Eastern Front Hitler's Ostheer his Eastern Army would wage a vernichtungskrieg or war of annihilation in the East Never before had such a wide reaching campaign been fought Preparations for Germany's invasion of the Soviet Union had included the drawing up of plans and allocation of resources to secure the newly conquered territories These plans included the premeditated murder of many innocent civilians Adolf Hitler said as much when in July 1941 shortly after Stalin ordered the formation of partisans he told his Army High Command This partisan war has some advantage for us it enables us to eradicate everyone who opposes us Anticipating resistance to Nazi occupation and rule Hitler instructed the Ostheer to act ruthlessly not only on the front lines but in the rear areas as well When in July 1941 Stalin ordered partisan forces to be created the stage was therefore set for the largest and most savage conflict ever waged between a modern military force and a guerrilla army The scale of the partisan and anti partisan war on the Eastern Front was as costly and bitterly fought as the struggle on the front lines themselves Employing thousands of primary source documents and scouring eight separate state archives in six countries over a twenty two year period Antonio J Muñoz has produced what can be described as a definitive account of this part of the war behind the front lines in the East during the invasion of the Soviet Union From the very beginning the Nazis fought this war ruthlessly by eliminating not only actual guerrillas but a good portion of the civilian population Employing dozens of wartime anti partisan operational instructions plus newly created detailed battle maps and full orders of battle Dr Muñoz brings this little known conflict behind the lines into focus for the very first time The war behind the lines is detailed by district This includes the Reichskommissariat Ostland region which comprised the Generalbezirk Estland Estonia Generalbezirk Lettland Latvia Generalbezirk Litauen Lithuania Generalbezirk Bialystok Northeastern Poland and Generalbezirk Wei ruthenien Belarus The book also covers the guerrilla and anti partisan war in the Reichskommissariat Ukraine Ukraine region as well as in north central and southern Russia For Russia proper anti partisan operations against the guerrillas are broken down by army group area Not only are the operations described but the reader will also learn about guerrilla attacks and how the entire partisan movement grew from year to year and region to region Hitler's War Against the Partisans During Operation Barbarossa documents the whole of the beginning of the savage partisan war between June 1941 and the spring of 1942 Never before has every major and some minor anti guerrilla operation been described in such detail

Documents on Soviet Jewish Emigration Boris Mozorov,2013-07-04 This is a collection of Soviet documents relating to the struggle for Jewish emigration They reveal those aspects of the problem which most preoccupied the leadership and the factors which had the greatest impact on the decision making process

Hitler's War Against the Partisans During The Stalingrad Offensive Antonio J Muñoz,2025-05-30 From the start of the war on the Eastern Front Hitler's Ostheer his Eastern Army and its associated forces would wage a vernichtungskrieg or war of annihilation in

the East Never before had such a wide reaching campaign been fought The preparations for the war against the partisans began before the launches of Operation Barbarossa during which the Axis forces immediately put their plans into effect The effects upon the newly conquered territories were soon being felt The end of the initial phase of the German invasion of the Soviet Union was met by a Red Army winter offensive which began on 5 December 1941 As the author shows this had repercussions behind the German lines where the nascent Soviet partisan movement was attempting to grow and gain a foothold By the spring of 1942 those early Soviet partisan units were ready to expand The Germans aware of the military situation both on the frontlines and in the rear of their armies also prepared to counter the growing partisan threat The partisans undoubtedly made a significant contribution to Stalin s war effort by countering Axis plans to exploit occupied Soviet territories economically as well as providing valuable assistance to the Red Army by conducting systematic attacks against Hitler s rear communication network As the German military planned to continue the Russian campaign into the summer of 1942 new security forces were gathered together and sent to the Soviet Union and a new headquarters specifically organized to fight the guerrilla menace was established In this follow up study author Antonio Mu oz picks up the partisan and anti partisan struggle in the East where Hitler s War Against the Partisans During Operation Barbarossa left off The struggle behind the frontlines in Russia proved to be as grand and epic as the fight along the front lines Dr Mu oz describes this war of attrition along the entire breath of the USSR In 1942 the Ostheer acting on Adolf Hitler s orders launched their 1942 summer offensive which was aimed at capturing the Caucasus Mountains and the Russian oil fields that lay there Dr Mu oz not only covers the war behind the lines in every region of the occupied USSR but also describes the German anti partisan effort behind the lines or Army Group South as its forces drove into the Caucasus Mountains the Volga River bend and Stalingrad No other work has included the guerrilla and anti partisan struggle specific to the Stalingrad campaign Mu oz manages to accomplish this but also to convey the story of the rest of the partisan and anti guerrilla war in the rest of the USSR from the spring of 1942 to the spring of 1943 **From Exodus to Freedom** Stuart Altshuler,2005

Between 1967 and 1991 almost half of the entire Jewish population of the Soviet Union left for freedom to Israel America and other western countries This book tells the story of the American Jewish community s involvement in this exodus and is the first of its kind to explore how such a massive emigration occurred for a population virtually written off by world Jewry as doomed just two decades before Terms of Survival Robert Wistrich,2003-09-02

The emergence of the state of Israel has fundamentally changed the conditions of Jewish existence The issues now facing Jews everywhere are totally different to those that confronted them only fifty years ago This book provides the only thoroughly worldwide modern history of the Jews of the Diaspora Robert Wistrich has drawn together an outstanding collection of authors from the United States Europe and Israel in order to analyse the immense changes that have taken place since 1945 in a comprehensive yet original manner Cultural religious domestic political economic and occupational transformations in Jewry are addressed in up to date studies

Terms of Survival reframes the nature of the debate by highlighting continuity and change in the position of the Jews throughout the world

Radical Assimilation in the Face of the Holocaust Tom Navon, 2024-01-01 This book explores the confrontation of radically assimilated Jews with the violent collapse of their envisioned integration into a cosmopolitan European society which culminated during the Holocaust This confrontation is examined through the biography of the German speaking intellectual and prominent communist theoretician of the Jewish question Otto Heller 1897 1945 focusing on the tension between his Jewish origins and his universalistic political convictions Radical Assimilation in the Face of the Holocaust traces the development of Heller s position on the Jewish question in three phases how he grew up to become a typical Central European non Jewish Jew 1897 1931 how he became exceptional in that category by focusing his intellectual work on the Jewish question 1931 1939 and how he reacted to the persecution and murder of European Jewry as a member of the Resistance in occupied France and in Auschwitz 1939 1945 Breaking with the common portrayal of Heller as a self hating Jew Tom Navon argues instead that Heller came to lay the foundations for the groundbreaking recognition by communists of worldwide Jewish national solidarity

Cosmopolitanisms and the Jews Cathy Gelbin, Sander Gilman, 2017-07-31 The first conceptual history of the development and evolution of the image of Jews and Jewish participation in modern German speaking cosmopolitanist thought

The Jewish Holidays Larry Domnitch, 2000-03-31 The events surrounding the holidays molded the foundation of the Jews as a nation and are related to their continuity and survival as Jews throughout history In The Jewish Holidays A Journey through History author Larry Domnitch contends that there is a cyclical nature to the events of Jewish history He writes The events that make up the themes of the Jewish holidays did not occur in a vacuum but have recurred throughout history The actual Israelite exodus from Egypt or the receiving of the Torah at Mount Sinai as celebrated on Shavuot may have occurred once but in a sense the themes conveyed by those momentous events have been repeated over the centuries This book attempts to give the reader an appreciation of the cyclical nature of Jewish history and a greater appreciation of the holidays and their relevance throughout Jewish history

The Stalin Years Evan Mawdsley, 1998 This book looks at the entire Stalin era and includes chapters on ideology politics economic development social change nationalities culture and external relations The final chapter deals with the Great Terror
