Carey, 2003-01-01 Stand By Your Pastor defines the ministry partnership God has designed for the church Both pastor and members have been called and gifted for spiritual service Dr Carey examines mutual responsibilities in tending feeding and protecting God s flock and in finding the lost Discover how you can partner with your pastor to build a healthy and growing church

Stand by Your Pastor's Wife Floyd D. Carey, Winnie Carey, 2006 **Mission of the Church** Jerome Boone, Jerald Daffe, William Effler, Henry Smith, 2018-05-30 What is the mission of the corporate church What is the mission of local churches regardless of denominations What is the reason for the existence of the local church These three questions not only deserve consideration by leadership but also need to be understood by the entire membership to enable productive kingdom work It is so easy for a congregation to develop programs and activities based on what other groups are doing or on what are the perceived needs of the moment These do have value however they tend to be based on our human concepts rather than the directives of Scripture Terry Cross Dean of the School of Religion at Lee University describes this book as follows Another book on the church This one is different Thirteen seasoned professors with some 400 years of combined ministerial experience engage various aspects of the mission of the church Much like the pulse that beats from a strong heart the idea of partnering with God s mission as transformed participants in God s work reappears throughout the chapters While the focus of attention is different for each author the theme beats the same pulse throughout the mission of God is the heart of God and must be the heart of the church With additional contributions from Bob Bayles Terry Cross Rolando Cuellar Tom Doolittle Jimmy Harper John Lombard Lisa Long Edley Moodley Mark Walker **Growing Missionaries Biblically** Dr. R. Zarwulugbo Liberty, Dr. Ronald Kilpatrick, 2012-09-05 For missionaries in the twenty first century change is necessary in order for them to continue to be strong and viable Growing Missionaries Biblically takes a fresh look at Christian missions and proposes a comprehensive biblical missionary training program for short and longterm missions Its objective is to produce an effective cross cultural ministry for Africa and with some modifications globally The goal is to provide a postimperial post colonial model for training missionaries by looking to biblical guidance on the subject Author Dr R Zarwulugbo Liberty is a native of Liberia Africa with biblical theological and practical insights for prospective and seasoned missionaries and their supporters The information he provides can successfully launch and sustain these missionaries in the course of their mission work In order to accomplish his goals he proposes the use of bicultural missionaries A bicultural missionary is one who has studied both his own culture and the culture of the people to be served This missionary will not equate his or her culture with Christianity and will know and understand the practices of the culture he or she serves that can easily be incorporated and assimilated into Christianity Growing Missionaries Biblically proposes a vital curriculum for missionary preparation for cross cultural missionary service

There's Hope for Your Church Gary McIntosh, Gary L. McIntosh, 2012-05 Veteran church consultant calls church leaders back to the hope that God can and does

restore churches equipping them with practical tools to bring about healthy growth      *Transforming Children Into Spiritual Champions* George Barna, 2003-11-21 No one can deny that our culture is opposed to Christian values and the influences bombarding our children's moral development can be deadly. But few parents and church leaders realize how critical it is to start developing a child's biblical worldview from the very earliest years of life. The problem is complex: parents who themselves did not receive early spiritual training leave their children's training to the church. Yet the church often focuses on older children, not realizing that a child's moral development is set by the age of nine. The answer is for churches to recognize the need to come alongside parents to provide them biblical worldview training, parenting information, counseling, etc. that will equip them to help their children become the spiritually mature Church of tomorrow. Profiles presented of churches who are effectively ministering to children and winning the war our enemy is waging against them. Research-orientated books on childhood spiritual development: *Raising Heaven-Bound Kids in a Hell-Bent World* by Eastman Curtis, *What Your Kids Need to Know About God and When* by John Trent, *Introducing the Spiritual Side of Parenting* by Ron Clarkson, *Bringing Up Boys* by James Dobson.      Foundations Dr. James Ross, 2010-07-10 FOUNDATIONS takes an in-depth approach to the design and function of ministry and discipleship. We find in the modern Church a great need for discipleship and spiritual training. Many believers who know to do good struggle in their daily spiritual life as they long for an expression of overcoming faith. FOUNDATIONS leads the reader into a meaningful recognition of their place in Christ. He is our righteousness, and God's grace and goodness leads every saint into a repentant and firm faith. There are two kinds of knowledge spoken of in the Bible: which are information and application. Information is knowledge that puffs up (1 Corinthians 8:1) due to the potential it has to lure people into believing that the more information they have about the Bible, the more mature they are. Hosea speaks about the second type of knowledge when he wrote, "My people are destroyed for lack of knowledge." He was expressing our need for the application of God's word that is necessary for the salvation of our souls and the impartation of Christ-likeness every Christ needs. The application of spiritual truth is the key to an overcoming faith and a renewed mind. Because of this, FOUNDATIONS offers a functional approach to discipleship and spiritual training which develops the believer's ability to stand firm in the faith they profess. With this in mind, Solomon asked God for an understanding heart, i.e. a hearing heart (1 Kings 3:9) because he understood that in order for anyone to be inclined toward wisdom, they had to first hear God. FOUNDATIONS is designed to help the believer mature in their faith by expanding their ability to renew their mind while they develop an understanding heart so they can learn to hear the Holy Spirit in a clarifying way. Every saint must mature in their ability to hear God as they read the Bible and listen to the Holy Spirit, and this is more readily accomplished through the discipleship process and through spiritual growth. FOUNDATIONS is an exegetical study that was compiled over twenty-eight years of pastoral and ministry experience. It is a study of the Scripture that dives deeply into the ways of God as it also expounds on many of the principles, practices, and doctrines found in the Scriptures.

FOUNDATIONS is a practical tool for the serious disciple and an aid for every Church leader The Baptist, 1920 **The Praying Church Handbook** Carol Madison, 2024-07-16 A complete guide to growing prayer in a local church The Praying Church Handbook includes practical ideas and advice on becoming a praying church The resource includes 30 chapters under 6 sections all written by local and national prayer leaders who understand the dynamic of prayer in a church setting The content which originally appeared in the Prayer Leader column of Prayer Connect magazine is divided into these sections Establishing Your Church as a House of Prayer Leadership and Prayer Relationships Enhancing Corporate Prayer Engaging the Family and Generations Creating Special Prayer Emphases and Special interest Prayer Carol Madison is the editor of Prayer Connect magazine and the author of Prayer That's Caught and Taught **Woman's Home Missions of the Methodist Episcopal Church**, 1920 Enough Is Enough David Clarke, PhD, 2022-01-04 You need to get to safety Now When the abuse starts that's when enough is enough It's time to find a haven somewhere else Later you can assess where your marriage is headed in the long term No one is saying divorce is the inevitable outcome God can transform anyone But He doesn't promise to do that People choose to persist in sin And that's why it's imperative for you to leave so you can think clearly take stock of the situation and most of all protect yourself and those whom you love Dr David Clarke a psychologist specializing in marital therapy wants to help you make the break from your abusive relationship You need to get out so you can sort it out Because only with some distance will you be able to see what your loving ever faithful God has in store for you
