Stand In Hell:

Stand in Hell Dennis Bolen, Hell's Spells Jim Raley, 2012-09-04 Are we living in a spellbound world When we think of spells the picture conjured up in our minds often has more to do with fables we learned as children An ugly old woman in a pointed hat reciting incantations at a boiling cauldron The reality however is much more dangerous Once given access to our lives Satan can manipulate dominate and intimidate even the strongest Christian *Hell's Spells* draws from Paul's writings to the Galatian church to bring you a fresh awareness of Satan's spells and strategies demonstrating how you can break free from the influence of such evils as Controlling spirits Generational curses Witchcraft in the home Cutting through the sensationalism and spookiness of spiritual warfare Raley enables you to identify understand and break every bewitching spell the devil wants to launch against your life your family and your purpose , Hell's Gate Don Guthrie, 2013-02-06 Pastor Moses Samuels a former drug addict turned minister of the gospel is called by God to Henrick Texas a town he's never heard of In obedience he makes the move and discovers a town overrun with Satan worshippers Ninety percent of the population is involved in the satanic cult His job is to lead the people of Henrick out of their bondage to Satan In the process of doing so he is arrested and beaten and faces death when the cult makes preparations to offer him as a sacrifice to Satan *Hell's Gate* is a book about demons angels and the power of Almighty God It shows how God can work in and through us to accomplish great things if we are willing to obey and follow him I can do all things through Christ who strengthens me Philippians 4:13

With My Hand in His Heather Tuttle, 2020-09-22 When I was experiencing my first semesters of college the professors would hand out a syllabus outlining what would be expected of me to accomplish in class throughout that semester As I read through each one my heart would pound and my hands would sweat as I felt my inadequacy in meeting the requirements for the class I saw that I clearly lacked the knowledge experience and skills to be successful and it made me want to turn and run from the classroom However with time I learned that by the time each assignment was due I had been given what I needed in order to successfully meet those requirements no matter the difficulty I believe Heavenly Father has a plan for each of us a syllabus of sorts Part of his plan includes facing unimaginable trials things we would exclaim we could never do never endure It is with and through these challenges that if we allow God grows and strengthens us giving us power to endure and making us more than we thought we could be Each challenge acts as a springboard which moves us to another level of ability in forgiveness patience faith empathy gratitude humility prayer and so many more attributes and skills This book contains my stories of trial faith and miracles in my son Jonah's fight to live and heal after a life threatening traumatic brain injury which left him in a coma It also contains those earlier experiences of my life that the Lord used to build my abilities to endure strengthen my relationship with Him and teach me how He moves and communicates with me in my life Whoever said God doesn't give us anything we can't handle was so very wrong We are given many things we couldn't possibly endure without our Heavenly Father walking beside us guiding us and strengthening us to bear those things we

couldn't possibly imagine we could These stories are of my very profound and tender walk with the Lord with my hand in His
