**Re: File Nos. EB-08-SE-1067-1075, 1077-1078**

Dear Chairman and Commissioners:

On October 30, 2008, the FCC's Enforcement Bureau issued Letters of Inquiry ("LOIs") to 11 NCTA member companies and, according to press reports, at least two other cable companies. The NCTA member companies are: Bend Cable Communications, Bright House Networks, Cablevision Systems, Charter Communications, Comcast Corporation, Cox Communications, GCI, Harroon Entertainment Company, Midcontinent Communications, Suddenlink Communications, and Time Warner Cable. Press reports indicate that RCN Corporation and Verizon Communications also received LOIs.<sup>1</sup> Together these companies serve more than 86 percent of the nation's cable customers.

I am writing to express deep concern with the issuance of these LOIs. NCTA and its members do not contest the Commission's authority to inquire into the cable industry's digital migration and its impact on consumers. Indeed, we welcome the opportunity to describe an evolution that will bring numerous benefits to consumers and are willing, as always, to meet with the Chairman, individual Commissioners, or the Media Bureau to discuss the digital migration, which we believe is plainly in the public interest. That said, we have serious concerns concerning the method selected by the Commission to gather information on this subject, in particular the issuance of LOIs to 13 companies to obtain industry-wide information. The appropriate vehicle for that is a Notice of Inquiry or the Commission's annual Video Competition proceeding.
