The Challenges of Education in Central Asia Stephen P. Heyneman,Alan J. De Young,2006-02-01 A look at the challenges facing education in Central Asia In this study the author contests that understanding the challenges throughout the 15 former republics of the former Soviet Union is helpful in understanding the progress and setback in the Central Asian Republics Education and Professional Employment in the U. S. S. R. Nicholas De Witt,1961 Structure and Decision-making in Soviet Education Studies in Comparative Education United States. Education Office,1964 **Soviet Education** Nellie Mary Apanasewicz,1964 **Structure and Decision-making in Soviet Education** Herbert Charles Rudman,1964 The Literature of Education W. Kenneth Richmond,2019-01-15 Original blurb The volume of writing on educational topics has increased so prodigiously in recent years that the student is likely to lose himself in a sea of print This may lead him to opt for the first book that comes to hand or waste time rifling through half a dozen when a thorough grasp of one key text is all that is needed Reading lists commonly look impressive not to say daunting In fact the multifarious titles conceal an enormous amount of duplication an endless raking over of other people s research findings It is a safe bet writes W Kenneth Richmond that less than 5 percent of the contents of any new book on education will be in any way original This critical bibliography originally published in 1972 is concerned with the noteworthy books and major official reports that had appeared in the English language during the twenty five years prior to publication In his introduction and in the commentaries prefacing each section the author explains the background to the genuinely new departures of the period and describes successive changes in the climate of educational opinion
