The Charismatic Phenomenon:

The Charismatic Phenomenon Peter Masters, John C. Whitcomb, 1988 The authors describe the purpose of the sign miracles and revelatory gifts of New Testament times and their precise nature Were they intended to be ongoing in the life of the Church Numerous questions are here answered such as What exactly are the greater works of John 14 12 and Are the signs following referred to in Mark 16 for today This work has been helpful to many thousands having passed through numerous printings in English and having been translated into many other languages

The Charismatic Phenomenon Pieter Barkhuizen, 1973 **Charisma and the Kingfish** Sameer Ferrell, 1995 The Charismatic Community Maria Massi Dakake, 2007-03-08 Looks at the emergence of Shiism as a distinct communal identity within Islam *The Age of Charisma* Jeremy C. Young, 2017 This book demonstrates how the modern relationship between leaders and followers in America grew out of late nineteenth and early twentieth century charismatic social movements

The Fight for Sola Scriptura Matthew Cserhati, 2025-01-17 Today the exclusive authority of the Bible is under heavy attack This principle is known as sola scriptura The charismatic movement pays lip service to it it is ignored by liberalism and it is attacked by the Roman Catholic church But even the evangelical world cannot adequately defend the biblical teaching of sola scriptura since even the church has been compromised with competing authorities In this book the reader will understand what sola scriptura is and what it is not and how to articulate it defend it based on the Bible and apply it to his life An overview of the historical development of scriptural authority is provided Several different philosophies will be examined in this book and will be compared with one another on how they relate to Scripture These include the charismatic movement liberal theology Roman Catholicism Eastern Orthodoxy dispensationalism Open Theism theistic evolution and certain strains of evangelicalism We shall see that the reason extra biblical authorities are given currency is because the authority of the Scriptures themselves are cast into doubt

Pentecostal Theology and Jonathan Edwards Amos Yong, Steven M. Studebaker, 2019-11-14 This volume brings America's theologian and one of the fastest growing forms of Christianity into dialogue Edwards is a fruitful source for Pentecostal investigation for historical and theological reasons Edwards and Pentecostals descend from a common historical tradition North American Evangelicalism From revivalism and religious charismatic experience to pneumatology they also share common theological interests Though sharing a common history and core theological concerns no critical conversation between Pentecostals and Edwards and their fields of scholarship has occurred This is the first volume that provides Pentecostal readings of Edwards theology that contribute to Pentecostal theology and Edwards scholarship The contributing essays offer examination of affections and the Spirit God and Salvation Church and culture and mission and witness

Grassroots Unity in the Charismatic Renewal Connie Ho Yan Au, 2011-02-23 This book explores the nature of grassroots unity in the British charismatic renewal in the 1970s and its significance to ecumenism The study is based on the five international conferences of the Fountain Trust and focuses on two grassroots activities worship in general and the

celebration of the Eucharist in particular Worship in this setting nurtured unity through charisms but the Eucharist exposed the inadequacy of this grassroots unity because of doctrinal and ecclesiological differences This book aims to suggest a way forward by searching for the complementarity of institution and charisms and Christology and Pneumatology in a charismatic context It argues that the two emphases of the charismatic renewal charisms and the Holy Spirit complement the institutional commitments of the church and ecumenism The concepts of Christus praesens and Spiriti praesens are considered intrinsic to the charisms and thus Christology and Pneumatology should both be considered significant for ecumenism The study finally discusses the complementarity of ecumenical institutions and the charismatic renewal the convergence of ecumenical streams and continuity in modern ecumenical history **Theology is a Scientific Discipline**

Dr. Brian Keen,2025-10-21 This book is based upon Dr Brian Keen s doctoral thesis entitled Theology As A Scientific Discipline to earn his Doctor of Theological Study DTS Summa Cum Laude at Bethany Divinity College and Seminary Canadian Connection on 3rd June A D 2004 Dr Keen first published the thesis as Power Living Through Science with iUniverse in 2010 This is an update due to further theological research which is natural for all scientific disciplines Dr Keen has been a Presbyterian in the Orthodox Church being Ordained on 20th August A D 1988 He presently serves at the Church of Christ the Good Shepherd Canadian Orthodox He also serves as a theologian at The Revelation Centre This is further culmination of Dr Keen s lifetime goal to be a theologian and scientist He accidentally took his first theology course with The Salvation Army when he was in grade 6 These courses were distance learning courses under the authority of Commissioner Renee Booth the co Commander with her husband Commissioner W Wycliffe Booth There has not been one successful challenge to this book There has only been one dispute which was easily defended An atheist wrote The supposition is there is no god In scientific research one cannot have a negative supposition **Charismatic Chaos** John F. MacArthur,John MacArthur,1993-07-10 Charismatic Chaos thoughtfully and carefully shines the light of Scripture on teaching that is not only gaining massive and loyal television followin but also leading to disunity on a worldwide scale and promising to fuel controversy for years to come **Charismatic Leadership in Singapore** Dayan Hava,Chan Kwok-bun,2012-01-16 This volume explores the nature of charisma as it accounts for the success of leaders Charisma is deconstructed and illustrated through the case studies of three influential leaders in Singapore Cultural issues are discussed and leadership qualities in general are explored Spirit and Life Roland J Lowther,2016-06-01 The Apostle Paul challenged Christians to live by the Holy Spirit But how is such a Spirit orientated life to be envisaged How might it be defined In answering these questions this remarkable book investigates Paul s concept of living by the Spirit The radical conclusion of the book is that the Spirit influenced Christian engaged in a Spirit endowed Church aware of a Spirit ordered world under the authoritative guidance of a Spirit inspired Word lives a Spirit coordinated life to the glory of God A must read for those who wish to walk in God s ways

Azusa, Rome, and Zion Peter D. Hocken,2016-01-26 Azusa Rome and Zion offers historical theological and spiritual

reflections on major movements of the Holy Spirit in modern times The author shows where the lived experience of these movements challenges received theological concepts and categories and indicates how engagement with these challenges can contribute to Christian reconciliation and Christian unity Of particular interest are the surprising ways in which what appear at first sight to be new obstacles and points of division can in fact lead into deeper grasp of God's purposes for the body of Christ Two chapters indicate the immense potential being opened up by the ministry of Pope Francis The title captures not just the place of Pentecostals Catholics and Jews but a historical dynamic that reverses the original going out from Jerusalem to the ends of the earth *Christianity and Socio-cultural Issues* Rhodian G. Munyenembe, 2011 Chapter 1 A historical overview of the church in Malawi in relation to social cultural issues Chapter 2 The Charismatic Movement an exposition Chapter 3 The Charismatic Movement and contextualization in Malawi Chapter 4 The conclusion of the matter

Rastafari Ennis Barrington Edmonds, 2003 Traces the history of the Rastafarian movement discussing the impact it has had on Jamaican society its successful expansion to North America the British Isles and Africa its role as a dominant cultural force in the world and other related topics **Charismatic Leadership and Social Movements** Jan Willem Stutje, 2012-08-01 Much of the writing on charisma focuses on specific traits associated with exceptional leaders a practice that has broadened the concept of charisma to such an extent that it loses its distinctiveness and therefore its utility More particularly the concept's relevance to the study of social movements has not moved beyond generalizations The contributors to this volume renew the debate on charismatic leadership from a historical perspective and seek to illuminate the concept's relevance to the study of social movements The case studies here include such leaders as Mahatma Gandhi the architect of apartheid Daniel F Malan the heroine of the Spanish Civil War Dolores Ibarruri la pasionaria and Mao Zedong These charismatic leaders were not just professional politicians or administrators but sustained a strong symbiotic relationship with their followers one that stimulated devotion to the leader and created a real group identity **Five Pillars of the Gladiator**

Robinson excavated the Black Radical tradition as a form of resistance that imagined that life on wholly different terms was possible In the era of Black Lives Matter that resistance is as necessary as ever and Robinson s contribution only gains in importance This book is essential reading for anyone wanting to learn more about it “Not Afraid to Tell the Truth” Ken M. Schmidt,2011-07-22 This book was originally intended to be a 3 Volume set or Trilogy but has been shortened to a single volume and edited for publication as a single title Not afraid To Tell The Truth which could be subtitled Exposing the conspiracy of silence in the Last Days it is not a book about discipleship necessarily nor is it a book you could use as a guideline for counseling rather it is a book written with the intention of shedding light upon 13 contrasting themes running through the whole of Gods Word which the author believes have become confused by Western Christian wrong thinking preaching and practice in the last days of the Church age False teachers and heretical teachings have crept into the Church unawares bringing with it a form of captivity similar to the captivity of the nation Israel but with far graver consequences

The Dangerous Case of Donald Trump Bandy X. Lee,2019-03-19 As this bestseller predicted Trump has only grown more erratic and dangerous as the pressures on him mount This new edition includes new essays bringing the book up to date because this is still not normal Originally released in fall 2017 The Dangerous Case of Donald Trump was a runaway bestseller Alarmed Americans and international onlookers wanted to know What is wrong with him That question still plagues us The Trump administration has proven as chaotic and destructive as its opponents feared and the man at the center of it all remains a cipher Constrained by the APA s Goldwater rule which inhibits mental health professionals from diagnosing public figures they have not personally examined many of those qualified to weigh in on the issue have shied away from discussing it at all The public has thus been left to wonder whether he is mad bad or both The prestigious mental health experts who have contributed to the revised and updated version of The Dangerous Case of Donald Trump argue that their moral and civic duty to warn supersedes professional neutrality Whatever affects him affects the nation From the trauma people have experienced under the Trump administration to the cult like characteristics of his followers he has created unprecedented mental health consequences across our nation and beyond With eight new essays about one hundred pages of new material this edition will cover the dangerous ramifications of Trump s unnatural state It s not all in our heads It s in his
