The Chatelaine Guide To Marriage:

The Chatelaine Guide to Marriage Benjamin Schlesinger,1975-01-01 *Women in Magazines* Rachel Ritchie,Sue Hawkins,Nicola Phillips,S. Jay Kleinberg,2016-02-19 Women have been important contributors to and readers of magazines since the development of the periodical press in the nineteenth century By the mid twentieth century millions of women read the weeklies and monthlies that focused on supposedly feminine concerns of the home family and appearance In the decades that followed feminist scholars criticized such publications as at best conservative and at worst regressive in their treatment of gender norms and ideals However this perspective obscures the heterogeneity of the magazine industry itself and women s experiences of it both as readers and as journalists This collection explores such diversity highlighting the differing and at times contradictory images and understandings of women in a range of magazines and women s contributions to magazines in a number of contexts from late nineteenth century publications to twenty first century titles in Britain North America continental Europe and Australia *Canadian Essay and Literature Index, 1975* Andrew D. The Canadian Who's who ,1989 **Mariage Et Famille** National Library of Canada, Vanier Institute of the Family, 1980 Born at the Right Time Doug Owrarn, 1997-12-15 It is rare in history for people to link their identity with their generation and even rarer when children and adolescents actually shape society and influence politics Both phenomena aptly describe the generation born in the decade following the Second World War These were the baby boomers viewed by some as the spoiled selfish generation that had it all and by others as a shock wave that made love and peace into tangible ideals In this book Doug Owrarn brings us the untold story of this famous generation as it played out its first twenty five years in Canadian society Beginning with Dr Spock's dictate that this particular crop of babies must be treated gently Owrarn explores the myth and history surrounding this group from its beginning at war's end to the close of the 1960s The baby boomers wielded extraordinary power right from birth Owrarn points out and laid their claim on history while still in diapers He sees the generation's power and sense of self stemming from three factors its size its affluent circumstance and its connection with the 1960s the fabulous decade of free love flower power women's liberation drugs protest marches and rock n roll From Davy Crockett hats and Barbie dolls to the civil rights movement and the sexual revolution the concerns of this single generation became predominant themes for all of society Thus Owrarn's history of the baby boomers is in many ways a history of the era Doug Owrarn has written extensively on cultural icons Utopian hopes and the gap between realities and images all powerful themes in the story of this idealistic generation A well researched lucid and humorous book *Born at the Right Time* is the first Canadian history of the baby boomers and the society they helped to shape
