The Genre of Biblical Commentary Timothy D. Finlay, William Yarchin, 2015-10-16 The genre of biblical commentary is as old as the Bible itself and remains very much alive as a point of illuminating contact between the ancient text and its modern readers In this volume fourteen international Old Testament experts reflect upon multiple challenges of contemporary biblical commentary as a scholarly endeavor How does a commentator strike a balance between engagement with the biblical text and the commentary tradition that the text has generated over the centuries How does academically rigorous commentary writing remain relevant for pastoral and lay readers of the Bible Ancient biblical writers are notoriously diverse in their theological and literary nuances Modern readers approach the Bible from an equally wide spectrum of interests How does today's commentator act responsibly for all the text's stakeholders John E Hartley is widely respected for the multiple volumes he has produced with these questions in mind This collection of essays appears in celebration of his accomplishments in the genre of Old Testament biblical commentary

Old Testament Survey Paul R. House, Eric Mitchell, 2007-09-01 This second edition of the widely used and highly praised Old Testament Survey revises the original edition and greatly expands its attention to historical and geographical topics These are combined with the first edition's focus on literature and narrative

and an increased amount of improved maps are also included In all the book charts every major element that unifies the Old Testament making it an excellent companion for Bible reading Any student desiring a thorough and time tested overview of the Bible s first half will find it in this updated edition of Old Testament Survey A Biblical Theology of Gerassapience Joel A. A. Ajayi,2010 Ancient cultures such as that of the Hebrews commonly associated wisdom with advanced years In A Biblical Theology of Gerassapience the author investigates the validity of this correlation through an eclectic approach including linguistic semantic tradition historical and socio anthropological methods to pertinent biblical and extra biblical texts There are significant variations in the estimation of gerassapience or old age wisdom in each period of ancient Israel s life that is in pre monarchical monarchical and post monarchical Israel Throughout this study appropriate cross cultural parallels are drawn from the cultures of ancient Israel s neighbors and of modern societies such as the West African Yoruba tribe The overall results are bi dimensional On the one hand there are semantic elements of gerassapience such as the elusiveness of wisdom and the mild fluidity of old age Both terms have strong contextual affinity with minimal exceptions Thus the attribution of wisdom to old age is evident but not absolute in the Hebrew Bible Old Testament On the other hand gerassapience is depicted as primarily didactic through direct and indirect instructions and counsels of the elderly fostering the saging fear of Yahweh legacies On the whole socio anthropocentric tendencies of gerassapience that is of making old age a repertoire of wisdom are checked by theological warrants of theosapience Yahwistic wisdom Therefore in the Hebrew Bible the fear of Yahweh is also the beginning of growing old and wise **Communicator's Commentary** Gary W.

Demarest,1991-05 **Yahweh's Council** Ellen White,2014-04-28 Ellen White explores the depiction of the divine council under the authority of Yahweh in the type scenes of the Hebrew Bible She proposes criteria for determining a Council of Yahweh type scene and membership requirements Following these criteria the Council of Yahweh texts are Isaiah 6 1 Kings 22 Job 1 2 Zechariah 3 and Daniel 7 After determining a cast of characters the author explores the structure of the council and realizes that the structure contains three tiers with two divisions on tiers 2 and 3 The first tier belongs to the chief god the second tier is called the Councilors and the two divisions are Judicial Officials and Advisors The third tier is the Agents and the two divisions on this tier are the Court Officers and Commissioned Characters who play a role relating to the council but are not themselves members of the council are also analyzed Finally Ellen White evaluates the potential for conceptual evolution especially in relationship to monotheism and the participation of human beings within the Council of Yahweh

Thus Spoke the Preacher Rudolph V. Vanterpool,2017-11-06 Thus Spoke the Preacher By Rudolph V Vanterpool Vanity of vanities says the Preacher vanity of vanities all is vanity This startling beginning to the Book of Ecclesiastes has troubled and confused scholars for thousands of years How could the Bible espouse such a nihilistic view of the life God has created for us Rudolph V Vanterpool examines this question forcefully and passionately in Thus Spoke the Preacher Solomon s Cosmic Gaze from Under the Sun Written by the wisdom gifted King Solomon Ecclesiastes is an important part of the Bible s

Wisdom literature Solomon begins by probing the conclusions that people come to based upon their personal observations and knowledge We are all filled with longings for peace and justice that this earthly world with its fleshly comforts cannot satisfy If mortality is vanity then how do we find meaning By remembering that we are mortal beings from the standpoint of our temporal lives our bodily existence is only a season while our indwelling soul never dies When we turn our gaze from the world around us to the Heavenly realm we will find the answer to our needs Thus Spoke the Preacher is no dry academic tome Instead it is a lively personal and searching study for God's presence in our world We have not been abandoned in a maze of despair Solomon is not a prophet of doom he is a prophet of hope showing us the way out of existential cruelty Solomon's own writings on power wealth and the nature of death presage Jesus' own teachings of our rightful place in the world How to find meaning in a seemingly arbitrary world has plagued humanity for millennia Vanterpool reminds us if we truly listen and really look we will find our answer Some scholars see philosophy and scripture as rivals or opposing ways of pursuing truth Not Rudolph V Vanterpool In his new book he combines philosophical insight with biblical exegesis giving an expansive view of the wisdom articulated in the book of Ecclesiastes Vanterpool draws on decades of reading the philosophical tradition as well as a range of biblical scholarship popular Christian spirituality and even an evident love for comic strips Thus Spoke the Preacher will be illuminating for those on a philosophical path those on the path of faith and those for whom these two callings converge Dr Brian Gregor Assistant Professor of Philosophy California State University Dominguez Hills
