on real professionals mistakes and successes Specially featured scenarios and anecdotes depict confrontational situations experienced by school personnel including from the trenches interviews with educators who have successfully implemented the RAID approach in their schools A facilitator s guide is also included for practical implementation of the RAID approach in the academic setting Emotional Intelligence for Students, Parents, Teachers and School Leaders Mabel

Gonzales,2022-03-10 This book heightens readers awareness of the importance of emotional intelligence and how it impacts our lives It inspires parents teachers and school leaders to learn more about emotional intelligence as a process of self improvement relational skills and to help our students to develop emotional intelligence from an early stage of their lives There are four parts in the book Part 1 explains the importance of emotional intelligence in every aspect of our lives It presents models and theories of emotional intelligence and explains how our emotions control our mind body and spirit Part 2 gives insights into how emotions play a significant role in our relationships with others Part 3 takes the reader from family to the workplace and highlights the importance of becoming more aware of our emotions at work and how we relate to others Part 4 emphasises the importance of helping our students to develop essential emotional intelligence to face this increasingly complex and challenging world *A School Leader's Guide to Dealing with Difficult Parents* Todd Whitaker,Douglas J.

Fiore,2015-10-23 This new supplement to the bestselling *Dealing with Difficult Parents* 2nd Edition is designed to help you with the specific challenges you face as a school leader when dealing with parents The main book *Dealing with Difficult Parents* 2nd Edition shows how your teachers and other educators can communicate with parents more effectively With this new supplement you ll learn how you as a leader can and must support and coach teachers along the way Topics covered include how to Make sure your teachers understand the families they re dealing with Help your teachers communicate effectively with parents by being positive and proactive so problems don t escalate to the main office Establish expectations for dealing with parents so teachers understand how to be appropriate even when a parent is not Ensure your teachers feel supported by you when they re dealing with difficult parents and Help teachers become more confident and empowered in challenging situations With these practical books you ll be able to get parents on your side so they can become a positive force in your school s success **Advances in Family-School-Community Partnering** Gloria E. Miller,Amanda

Arthur-Stanley,Rashida Banerjee,2021-11-29 *Family School Community Partnering* FSCP is a multidimensional process in which schools families and communities work together to ensure the academic social and emotional success of students In this new edition the authors evaluate advances to a multitiered model of FSCP that further incorporates community alliances Section I covers legislative empirical and theoretical underpinnings and updates Practical strategies are discussed to develop deliver and evaluate a cohesive system of support to improve student outcomes Chapter addendums detail the specific approaches and associated resources to advance FSCP from infancy through adulthood In Section II current researchers and practitioners consider how to enhance collaborative partnerships with military migrant refugee and rural communities and

support gender identity and varied developmental abilities Four culminating case stories are designed to facilitate ideas for intentional integration of FSCP domains into readers ongoing practices School psychologists counselors educators administrators and social workers will learn how to strategically implement this partnering in all levels of schooling

Creating Authentic Relationships with Parents of Young Children Carla Solvason, Johanna Cliffe, 2022-09-28

Dealing with parents can be scary and intimidating especially when you are relatively new to your role but it can also be hugely rewarding What do you need to know Which barriers are you likely to face Most importantly how can you nurture a positive and authentic relationship with parents and carers where you genuinely work together for the best interests of the child Written by authors who have experienced being on both sides of the fence as educators and as parents this practical book takes a frank approach to recognising the turbulent world of parenting and shines a light on issues that are all too often dismissed It considers the pragmatic kind and caring ways that educational settings can support parents struggles as well as benefitting from their wide ranging knowledge and capabilities With activities and reflections included throughout the book invites the reader to consider their practice and to look at their relationships with parents with fresh eyes all whilst keeping the child in mind With a focus on celebrating the value of truly listening and forming authentic relationships this book will be essential reading for early years educators childminders primary teachers TAs and SENCOs

Resources in Education

,1999 Study Guide to Dealing with Difficult Parents Todd Whitaker, Douglas J. Fiore, 2015-10-23 This Study Guide provides a variety of thought provoking questions and activities to help you implement the concepts in the bestselling book Dealing with Difficult Parents 2nd Edition For each chapter of the book the Study Guide offers discussion questions journal prompts and group activities You can work on these sections independently in book studies in professional learning communities PLCs in mentor sessions and in professional development sessions As you work through this Study Guide you ll learn how to make the book s strategies work for you so that you can more effectively deal with parents in all kinds of challenging situations and help them get on your side to ensure students success
