**Nancy Stearns Theiss**

## **The Eastern Star The Evolution From A Rite To An Order:**

**The Eastern Star** Harold Van Buren Voorhis,1938      **The Eastern Star** Harold Van Buren Voorhis,1999-01-01      **A Brief History of the Order of the Eastern Star** Charlotte O. Steber,1917      *Brothers of a Vow* Ami Pflugrad-Jackisch,2011-11-01 In *Brothers of a Vow* Ami Pflugrad Jackisch examines secret fraternal organizations in antebellum Virginia to offer fresh insight into masculinity and the redefinition of social and political roles of white men in the South Young Virginians who came of age during the antebellum era lived through a time of tremendous economic cultural and political upheaval In a state increasingly pulled between the demands of the growing market and the long established tradition of unfree labor Pflugrad Jackisch argues that groups like the Freemasons the Independent Order of Odd Fellows and the Sons of Temperance promoted market oriented values and created bonds among white men that softened class distinctions At the same time these groups sought to stabilize social hierarchies that subordinated blacks and women Pflugrad Jackisch examines all aspects of the secret orders including their bylaws and proceedings their material culture and regalia and their participation in a wide array of festivals parades and civic celebrations Regarding gender she shows how fraternal orders helped reinforce an alternative definition of southern white manhood that emphasized self discipline moral character temperance and success at work These groups ultimately established a civic brotherhood among white men that marginalized the role of women in the public sphere and bolstered the respectability of white men regardless of class status *Brothers of a Vow* is a nuanced look at how dominant groups craft collective identities and it adds to our understanding of citizenship and political culture during a period of rapid change      **The Early Republic and Antebellum America: An Encyclopedia of Social, Political, Cultural, and Economic History** Christopher G. Bates,2015-04-08 First Published in 2015 This text holds four volumes of essays and entries on the early Republic and Antebellum era in America spanning the end of the American Revolution in 1781 to the outbreak of Civil War in 1861 The Americans forged a new government in theory and then in practice with the beginnings of industrialisation and the effects of urbanisation widespread poverty labour strife debates around slavery and sectional discord By the end of the nineteenth century American had a powerhouse economy new technologies and the emergence of major social reform movements creation of uniquely American art and literature and the conquest of the West This encyclopaedia offers a historic reference      **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1978      **The Eastern Star in Michigan, 1855-1942** William C. Hollands,1942      **The Eastern Star** ,1916      *A Place in the Lodge* Nancy Stearns Theiss,2015-07-14 If you have an interest in Freemasonry you may have heard of Rob Morris or have seen his name on various documents books poems and songs from the mid 1800s but don t know much about him *A Place in the Lodge* sets forth new facts about his early life and relationships and presents a slice of his life via previously unpublished family letters sent while he was on the road It was a time of yellow fever Civil War and manual farmwork and the detail in the letters and the old photographs here make the era

almost tangible Visit this not so distant past and see how Morris helped Masonry evolve from its origins to take part in the United States women s movement and become one of the world s largest fraternal organizations As he worked to standardize Freemasonry and establish the Order of the Eastern Star his efforts were not without controversy *Eastern Star News*,1940 [Black Freemasonry](#) Cécile Révauger,2015-12-17 The history of black Freemasonry from Boston and Philadelphia in the late 1700s through the Civil War to the Civil Rights Movement Examines the letters of Prince Hall legendary founder of the first black lodge Reveals how many of the most influential jazz musicians of the 20th century were also Masons including Louis Armstrong Duke Ellington and Nat King Cole Explores the origins of the Civil Rights Movement within black Freemasonry and the roles played by Booker T Washington and W E B Du Bois When the first Masonic lodges opened in Paris in the early 18th century their membership included traders merchants musketeers clergymen and women both white and black This was not the case in the United States where black Freemasons were not eligible for membership in existing lodges For this reason the first official charter for an exclusively black lodge the Prince Hall Grand Lodge of Massachusetts was granted by the Grand Lodge of England rather than any American chapter Through privileged access to archives kept by Grand Lodges Masonic libraries and museums in both the United States and Europe respected Freemasonry historian Cécile Révauger traces the history of black Freemasonry from Boston and Philadelphia in the late 1700s through the Abolition Movement and the Civil War to the genesis of the Civil Rights Movement in the early 1900s up through the 1960s She opens with a look at Prince Hall legendary founder and the chosen namesake when black American lodges changed from African Lodges to Prince Hall Lodges in the early 1800s She reveals how the Masonic principles of mutual aid and charity were more heavily emphasized in the black lodges and especially during the reconstruction period following the Civil War She explores the origins of the Civil Rights Movement within black Freemasonry and the roles played by Booker T Washington and W E B Du Bois founder of the NAACP among others Looking at the deep connections between jazz and Freemasonry the author reveals how many of the most influential jazz musicians of the 20th century were also Masons including Louis Armstrong Duke Ellington Nat King Cole Eubie Blake Cab Calloway and Paul Robeson Unveiling the deeply social role at the heart of black Freemasonry Révauger shows how the black lodges were instrumental in helping American blacks transcend the horrors of slavery and prejudice achieve higher social status and create their own solid spiritually based social structure which in some cities arose prior to the establishment of black churches **Library of Congress Catalog** Library of Congress,1950 *Library of Congress Catalogs* Library of Congress,1955 **Catalogue of Copyright Entries** Library of Congress. Copyright Office,1938 *What is the Order of the Amaranth?* John R. Pettis,1947 **"Onward Christian Klansmen!"** Glenn Michael Zuber,2004 **Antique Trader Antiques & Collectibles 2003 Price Guide** Kyle Husfloen,2002 Lists more than 18 000 items providing descriptions values and identification tips for a broad spectrum of popular collectibles **Religious Books, 1876-1982** ,1983 **Masonic Voice-review** ,1903 **American Book**

**Publishing Record Cumulative, 1950-1977** R.R. Bowker Company. Department of Bibliography, 1978
