Levelling Up the UK

Economy Luke Telford, Jonathan Wistow, 2022-11-29 This book contributes to emerging debates about Levelling Up the UK Economy considering these alongside the nature of and trends in both the political economy and spatial disparities Drawing on a complex systems framing the book pulls together a range of evidence to provide insights about the agenda from macro meso and micro levels of analyses including utilising qualitative data from a small scoping study with Directors of Regeneration across several left behind places and 25 residents of left behind Redcar Cleveland in Teesside The book outlines phases in capitalism s development particularly the shift from post war capitalism to a post industrial and neoliberal society and the implications for spatial inequalities The 2022 Levelling Up White Paper is analysed alongside a focus on the role of local government relative to the agenda The book offers an empirical case study of left behind Redcar Cleveland exposing deindustrialisation insecure employment crime anti social behaviour and sentiments on a North South divide and Levelling Up We suggest that only a transformative change in the political economy including significant and sustained investment at different spatial levels is likely to achieve the ambition to Level Up *Consistency and Viability of Capitalist Economic Systems* J. Marangos, 2013-05-08 Consistency and Viability of Capitalist Economic Systems develops an original analytical framework to understand the relationship between the economic political and ideological structures the external environment and the process of reform that give rise to certain economic systems by establishing consistency *The Politics of Food Insecurity in Canada and the United Kingdom* Zsafia Mendly-Zambo, Dennis Raphael, 2025-01-07 Addressing a neglected area in academic research media coverage and public understanding this book takes a critical political economy approach to understanding food insecurity in Canada and the UK It examines how current economic and political systems create food insecurity and why food charity does little to address the problem diverting the attention of policy makers the media and the public from the sources of food insecurity This book provides a vision of a future whereby public control over the distribution of resources including food will eliminate food insecurity and other conditions that threaten health

Britain in the International Economy, 1870-1939 S. N. Broadberry, N. F. R. Crafts, 1992-11-19 During the 1950s and 1960s research on the prewar British economy was influenced strongly by ideas from Keynesian macroeconomics It is important to reexamine this period of history asking to what extent the Keynesian vision offers useful insights into advances in time series analysis as well as developments in macroeconomics to answer this question **The Economic Future in Historical Perspective** Paul A. David, Mark Thomas, 2006-02-23 The essays in this volume demonstrate the power of using history to improve our understanding of the economic and social challenges of the present and future A distinguished group of authors provide new perspectives on the dynamics of economic growth the challenges of economic and political transitions and the relationships between economic growth institutional development and individual well being in mature industrial societies *Pioneers of Modern Economics in Britain* D.P. O'Brien, John R. Presley, 2016-01-09 Britain's Cities Michael Pacione, 2002-11-01 Uneven distribution of life is a dominant feature of the city Major social economic and spatial divisions

are apparent in terms of income and wealth health crime housing and employment This text offers an introduction to current processes of urban restructuring geographies of division and contemporary conditions within the city The geography of Britain's cities is the outcome of interaction between a host of public and private economic social and political forces operating at a variety of spatial scales from the global to the local A deeper understanding of the nature of urban division and of the problems of and prospects for local people and places in urban Britain must be grounded in an appreciation of the structural forces processes and contextual factors which condition local urban geographies This book combines structural and local level perspectives to illuminate the complex geography of socio spatial division within urban Britain It combines conceptual and empirical analyses from researchers in the field

The Routledge Companion to Management Buyouts

Mike Wright, Kevin Amess, Nick Bacon, Donald Siegel, 2018-09-03 Management Buyouts MBOs first came to prominence in the US during the early 1980s and have subsequently become a global phenomenon and a highly significant transaction within the corporate restructuring landscape Although much recent attention has focused on private equity PE backed buyouts these are only a subset of the total MBO market The Routledge Companion to Management Buyouts takes a much broader definition reviewing the current state of research and theory and where further developments are likely to occur and incorporating PE and non PE backed buyouts as well as variations such as management buy ins and management employee buyouts It goes beyond the purely financial perspective exploring the many different aspects of management buyouts and incorporating related disciplines including strategy organizational change and HRM providing the first truly comprehensive authoritative resource on the topic Expertly edited and drawing on international scholarship this unique volume will be an invaluable sourcebook on MBOs for researchers and advanced students as well as those interested in the broader areas of corporate restructuring and ownership change
