The Ecstasy Business:

The Ecstasy Business Richard Condon,1967 *The ecstasy business* Richard Condon,1970 Lessons from a Drug Lord Shaun Attwood,2018-10-09 A self help book like no other From the author of the best selling *Hard Time* and seen on *Locked Up Abroad* Shaun Attwood took his business degree to Phoenix Arizona where he became an award winning stockbroker and then a millionaire day trader during the dot com bubble But Shaun became greedy and lost sight of what was important He threw raves and distributed Ecstasy grossing 25 million Before being convicted of money laundering and drug dealing he served 26 months in the infamous jail system run by the notorious Sheriff Joe Arpaio *Lessons from a Drug Lord* is his account of the time Shaun spent submerged in a nightmarish world of drugs and gangs insect infested cells with food unfit for animals and the lessons he learned from his choices His teachings will force you to re examine your life and what is truly important **Snitch** Ethan Brown,2007-11-27 The author of the hip hop cult classic *Queens Reigns Supreme* takes a chilling investigative look behind the scenes at a justice system corrupted by its own use of criminal informants

Legal Highs Wensley Clarkson,2015-04-09 Legal Highs are without doubt the biggest drug scourge to blight the world since recreational drugs first hit the streets more than 100 years ago Their growing menace opens up a new front in the drug war shifting the battle line from the Colombian jungles Moroccan valleys Afghan hills and the Winnebagos of New Mexico to specially constructed laboratories on the outskirts of Shanghai and other cities across the globe But who are the shadowy characters behind the extravagant new drugs such as bath salts and Miaow Miaow The scientists the rogue boffins the factory sweat shop workers the smugglers the suppliers and ultimately the dealers who sell tens of millions of packets of these substances every week Why are so many people from all walks of life now consuming Legal Highs in such large quantities This book will go inside the lives of all these people to reveal for the first time the true stories behind the emergence of the most deadly narcotics the world has ever seen *The Portfolio Book of Great Indian Business Stories* Penguin Books India,2015-05-15 How did Dhirubhai Ambani build a polyester plant in record time What made JRD Tata launch India s first airline How did Vijay Mallya wrest control of Shaw Wallace from Manu Chhabria Why did Bhai Mohan Singh fall out with his favourite son and lose control of Ranbaxy *The Portfolio Book of Great Indian Business Stories* contains excerpts from a selection of the finest business books published by Penguin Portfolio This anthology features snippets from the lives of some of the most eminent business leaders India has seen M S Oberoi Ratan Tata Aditya Birla and Rahul Bajaj among others There are tales of outstanding successes crushing failures extraordinary challenges and relentless determination some of which chronicle the times when these legends were just simple businessmen trying to make a mark The grit and ruthless persistence of these men defined who they were and the legacies they left behind Chinese Criminal Entrepreneurs in Canada, Volume II Alex Chung,2019-03-09 This book explores how the new Asian criminal entrepreneurs in Canada known as The Big Circle Boys BCB competitively dominated the Canadian heroin market in the 1990s without a

formal organisation or explicit hierarchical structure Drawing on the market resilience framework it examines how the BCB smuggled drugs by using social capital shared resources and trust effectively through their ethnicity How did they counter external security challenges and promote internal competitive cooperation Were they able to resolve disputes peacefully by managing internal relations These questions are answered through an analysis of their networking processes and illustrated in the structural properties and dynamics of their mono ethnic criminal network For the first time the BCB players that contributed to the 2001 Canadian and Australian heroin droughts are revealed through intercepted telephone calls and court testimonies It shows how the BCB collectively switched from heroin to ecstasy since the year 2000 The operation logistics of drug importation and local trafficking are scrutinised This book speaks to those interested in how a collective of ethnic Chinese career criminals succeeded and failed in the international drugs trade particularly for scholars and students of social sciences disciplines

Managing the Business of Sport Linda Trenberth, David Hassan, 2013-03 Contemporary sport is both a sophisticated and complex international business and a mass participatory practice run largely by volunteers and community organizations This authoritative and comprehensive introduction to the theory and practice of sports management helps to explain the modern commercial environment that shapes sport at all levels and gives clear and sensible guidance on best practice in sports management from elite sport to the local level The book is divided into three sections The first examines the global context for contemporary sports management The second explores the key functional areas of management from organization and strategy to finance and marketing and explains how successful managerial techniques can be applied in a sporting context The final section surveys a wide range of important issues in contemporary sports management from corporate social responsibility to the use of information and communication technologies Together these sections provide a complete package of theory applied practical skills and a state of the art review of modern sport business With useful features included throughout such as chapter summaries and definitions of key terms and with each chapter supported with real world data and examples this book is essential reading for all students of sport management and sport business

The Insane Chicago Way John M. Hagedorn, 2015-08-19 His account of relationships between street gangs of this period and Chicago's Outfit the legacy of Al Capone and others is especially important James F Short author of Poverty Ethnicity and Violent Crime In The Insane Chicago Way John M Hagedorn's lively stories of extensive cross neighborhood gang organization tales of police gang corruption and discovery of covert gang connections to Chicago's Mafia challenge conventional wisdom and offer lessons for the control of violence today The book centers on the secret history of Spanish Growth Development SGD an organization of Latino gangs founded in 1989 and modeled on the Mafia's nationwide Commission It also tells a story within a story of the criminal exploits of the C Note the minor league team of the Chicago's Mafia called the Outfit which influenced the direction of SGD Hagedorn's tale is based on three years of interviews with an Outfit soldier as well as access to SGD's constitution and other secret documents which he supplements with interviews of

key SGD leaders court records and newspaper accounts The result is a stunning heretofore unknown history of the grand ambitions of Chicago gang leaders that ultimately led to SGD s shocking collapse in a pool of blood on the steps of a gang organized peace conference The Insane Chicago Way is a compelling history of the lives and deaths of Chicago gang leaders At the same time it is a sociological tour de force that warns of the dangers of organized crime while arguing that today s relative disorganization of gangs presents opportunities for intervention and reductions in violence An intricate tale of violence mafia influence and police corruption Chicago Reader

Dope Double Agent Michael Agar,2006 Dope Double Agent is a war on drugs story one that starts in the 60s and only ends with the last lines of the book More than this it is the story of a young Berkeley student and occasional drug user who turns into an insider expert in the drug war with a personal agenda to subvert and correct it He checks in as a heroin patient works the streets of New York dips into worlds of PCP and LSD and seeks the sources of crack heroin and ecstasy The delusions of the experts the public and the politicians amaze him and make him think the double agent job will be easy Instead it is impossible He fails spectacularly so on such hallowed ground as the National Academy of Sciences and the National Institutes of Health Come behind the scenes and watch the drug policy emperor march along for decades thinking he wears a new suit of clothes

The Wallet Allocation Rule Timothy L. Keiningham,Lerzan Aksoy,Luke Williams,Alexander J. Buoye,2015-02-04 Customer Loyalty Isn t Enough Grow Your Share of Wallet The Wallet Allocation Rule is a revolutionary definitive guide for winning the battle for share of customers hearts minds and wallets Backed by rock solid science published in the Harvard Business Review and MIT Sloan Management Review this landmark book introduces a new and rigorously tested approach the Wallet Allocation Rule that is proven to link to the most important measure of customer loyalty share of wallet Companies currently spend billions of dollars each year measuring and managing metrics like customer satisfaction and Net Promoter Score NPS to improve customer loyalty These metrics however have almost no correlation to share of wallet As a result the returns on investments designed to improve the customer experience are frequently near zero even negative With The Wallet Allocation Rule managers finally have the missing link to business growth within their grasp the ability to link their existing metrics to the share of spending that customers allocate to their brands Learn why improving satisfaction or NPS does not improve share Apply the Wallet Allocation Rule to discover what really drives customer spending Uncover new metrics that really matter to achieve growth By applying the Wallet Allocation Rule managers get real insight into the money they currently get from their customers the money available to be earned by them and what it takes to get it The Wallet Allocation Rule provides managers with a blueprint for sustainable long term growth

Drugging the Poor Merrill Singer,2007-08-10 Singer offers a fresh set of ideas for understanding how the global socioeconomic system insures that massive quantities of psychotropic drugs reach the poorest sectors of American society Drugging the Poor provides a unified theoretical framework to assess how all drugs including tobacco heroin alcohol cocaine

and diverted pharmaceuticals contribute to maintaining social inequality among the wealthier and poorer social classes in American society Singers analysis rejects conventional approaches that see tobacco or alcohol manufacturers and distributors on the one hand and drug cartels and mafias on the other as completely different entities Instead he shows how legal and illegal drug corporations share key features and follow the same economic principles He also emphasizes that mixing legal and illegal drugs to self medicate against social discrimination poverty and structural violence offers short term relief but in the long run it functions to maintain an unjust and oppressive system Drugging the Poor actively challenges the assumption that how things are is how they always have been or how they need to be *Semantic Software Design* Eben Hewitt,2019-09-25 With this practical book architects CTOs and CIOs will learn a set of patterns for the practice of architecture including analysis documentation and communication Author Eben Hewitt shows you how to create holistic and thoughtful technology plans communicate them clearly lead people toward the vision and become a great architect or Chief Architect This book covers each key aspect of architecture comprehensively including how to incorporate business architecture information architecture data architecture application software architecture together to have the best chance for the system s success Get a practical set of proven architecture practices focused on shipping great products using architecture Learn how architecture works effectively with development teams management and product management teams through the value chain Find updated special coverage on machine learning architecture Get usable templates to start incorporating into your teams immediately Incorporate business architecture information architecture data architecture and application software architecture together Writers Directory NA NA,2016-03-05 **Getting the Most Out of Business** E. Freedom...At Last! Solly Border,2012-01-12 FREEDOM AT LAST chronicles the journey of an ordinary family of immigrants arriving to United States from Communist Romania Held captive for than twenty years by a dictatorship regime the author discovered the benefits of freedom in his country of adoption and walks boldly through plenty of experiences The author wrote this book with the belief that the reader would voyage with him from the first day when he left his native country sharing impressions compiled over the years of adventures travels and observations He cant pretend to be an ordinary person lucky enough to fulfill his dreams In order to validate not only the travel experiences but also the events that converged in their day to day life the book touches the authors financial and social status evolution in America It would encounter his struggles of making a living successes and defeats a tragedy and many other events told with wit or sadness as they happened A typical biography would start from the first days of a persons life yet this narrative began only when Border family arrived in the free world and ended thirteen years later when their son Lt lee border lost his life in the service of US Army From now on life will never be the same

Organised Crime in European Businesses Ernesto Savona,Michele Riccardi,Giulia Berlusconi,2016-07-28 The infiltration of organised crime in the legitimate economy has emerged as a transnational phenomenon This book constitutes an unprecedented study of the involvement of criminal groups in the legitimate economy and their infiltration in legal businesses and is the first to bridge the research gap between money laundering and organised crime It analyses the main drivers of this process explaining why how and where infiltration happens Building on empirical evidence from the Netherlands Slovenia Spain Sweden the UK Ireland Italy France and Finland Organised Crime in European Businesses is divided into four parts Part I explores the infiltration of legitimate businesses to conceal and facilitate illicit trafficking Part II examines the infiltration of legitimate businesses to develop fraud

schemes Part III focuses on the infiltration of legitimate businesses to control the territory and influence policy makers Part IV concludes by considering the research and policy implications in light of these findings Bringing together leading experts and detailed case studies this book considers the infiltration of organised crime in legitimate business around Europe It is an ideal resource for students and academics in the fields of criminology economics and sociology as well as private sector practitioners public officials and policy makers
