

THE ELECTIONS IN ISRAEL 1999

Edited by Asher Anan and Michal Shamir

The Elections In Israel 1999

Lynda Lee Kaid, Christina Holtz-Bacha

The Elections In Israel 1999:

The Elections in Israel 1999 Asher Arian, Michal Shamir, 2012-02-01 This volume highlights Israel's 1999 elections in which the prime ministerial race between incumbent Benjamin Netanyahu and Ehud Barak ended with Barak winning by the biggest landslide ever in Israel. Although some observers interpreted these results as a fundamental shift in public opinion, there is little evidence to support this. The book shows how old patterns funneled into a new system of voting produced the 1999 results where a weak candidate Barak bested a wounded prime minister Netanyahu abandoned by most of his political allies. Leading social scientists from Israeli and American universities using a variety of approaches and coming from diverse intellectual traditions address topics including the emergence of political blocs, strategic voting and split ticket voting. In addition to major party performance, special interest parties who did better than ever in 1999 are also discussed, such as the haredi ultra orthodox non Zionist Shas, the anti haredi secular Shinui, two parties appealing to former Soviet migrants and Arab parties.

The Elections in Israel 2003 Michal Shamir, 2018-02-06 The Elections in Israel 2003 brings together leading Israeli and North American social scientists and their state of the art in depth analysis of the 2003 Israeli national elections. These elections returned Ariel Sharon and the Likud to power amid one of the bloodiest rounds of conflict between Israel and the Palestinians and a severe economic downturn in Israel. Contributors analyze the electoral behavior of the voters as a whole and various subgroups, highlighting social cleavages and identity as well as issues and other strategic considerations. Three chapters analyze in detail the Arab, the national religious and the Russian vote. The 2003 elections saw Israel's return to the family of parliamentary nations after it experimented with the direct election of the prime minister from 1996 through 2001. The impact of the adoption and repeal of this unique Israeli system of government is another major topic covered in this volume and several contributions explore the impact of these changes upon the electorate, the party system and party financing. Other unusual features of the 2003 elections were the low turnout levels among Jewish and Arab voters, political moves to disqualify Arab candidates and lists from running for office which were overruled by the Supreme Court of Israel, the collapse of the left, the spectacular showing of the centrist Shinui party and the dominant status of the Likud in the Knesset and in Israeli politics. Through its focus on the 2003 elections, this volume also illuminates developments and changes in Israeli society and politics. Many of these developments, multiculturalism, changes in social stratification, the growing role of the judiciary and of the media and political reforms, characterize other Western democracies as well and these are discussed from a comparative perspective. The Elections in Israel 2003 will be of particular interest to those concerned with politics in Israel as well as those concerned with comparative politics and elections in general.

[The Elections In Israel](#) Alan Arian, Michal Shamir, The Elections in Israel 2003 brings together leading Israeli and North American social scientists and their state of the art in depth analysis of the 2003 Israeli national elections. These elections returned Ariel Sharon and the Likud to power amid one of the bloodiest rounds of conflict between Israel and the Palestinians and a severe economic

downturn in Israel Contributors analyze the electoral behavior of the voters as a whole and various subgroups highlighting social cleavages and identity as well as issues and other strategic considerations Three chapters analyze in detail the Arab the national religious and the Russian vote The 2003 elections saw Israel's return to the family of parliamentary nations after it experimented with the direct election of the prime minister from 1996 through 2001 The impact of the adoption and repeal of this unique Israeli system of government is another major topic covered in this volume and several contributions explore the impact of these changes upon the electorate the party system and party financing Other unusual features of the 2003 elections were the low turnout levels among Jewish and Arab voters political moves to disqualify Arab candidates and lists from running for office which were overruled by the Supreme Court of Israel the collapse of the left the spectacular showing of the centrist Shinui party and the dominant status of the Likud in the Knesset and in Israeli politics Through its focus on the 2003 elections this volume also illuminates developments and changes in Israeli society and politics Many of these developments multiculturalism changes in social stratification the growing role of the judiciary and of the media and political reforms characterize other Western democracies as well and these are discussed from a comparative perspective The Elections in Israel 2003 will be of particular interest to those concerned with politics in Israel as well as those concerned with comparative politics and elections in general Asher Arian is Distinguished Professor of Political Science at the Graduate Center of the City University of New York a senior research fellow at the Israel Democracy Institute and professor of political science at the University of Haifa Michal Shamir is professor of political science at Tel Aviv University

The Elections in Israel 2006 Asher Arian, Michal Shamir, 2017-09-08 Several dramatic events preceded the elections to the Seventeenth Knesset on March 28 2006 beginning with the unilateral withdrawal from Gaza in August 2005 and its attendant and unprecedented removal of Jewish settlements and settlers followed by major shifts among and within the various political parties Most dramatic was the split in Likud when Prime Minister Ariel Sharon decided to form a new party Kadima leading to the breakup of the Likud party that Sharon had formed in 1973 This volume charts the 2006 elections

The Elections in Israel 2009 Michal Shamir, 2017-07-28 The elections to the 18th Knesset legislature of Israel were held on February 10 2009 almost three years after the elections to the 17th Knesset and approximately twenty months before the original date set for them to be held The elections are best understood in the context of the wars that were at each end of Ehud Olmert's government tenure corruption scandals involving the prime minister and the failure of Tzipi Livni the newly elected head of the ruling center party Kadima to form a new coalition following Olmert's resignation The election campaign of 2009 began with the resignation of Ehud Olmert in the shadow of his corruption scandals and issues of integrity and clean government This was followed by the world financial crisis which directed attention towards the economic dimension and performance of the candidates On the face of it the campaign was cut short when military action began in Gaza Still the election was on the minds of candidates and the question of who can best ensure security prevailed in the campaign It became personalized and

focused on the candidates the two candidates who had once headed the government and aspired to return Benjamin Netanyahu and Ehud Barak and the chairperson of Kadima Tzipi Livni who was running for the first time as head of a party

The Elections in Israel 2009 will be of particular interest to those concerned with comparative politics and elections in an open society This volume is the latest in the series begun in 1969 *The Elections in Israel 2015* Michal Shamir, Gideon Rahat, 2017-05-23 The newest volume in the Elections in Israel series focuses on the twentieth Knesset elections held in March 2015 following the collapse of the third Netanyahu government Prime Minister Benjamin Netanyahu's main opposition party the Zionist Camp ran a negative personalized election campaign assuming that Israelis had grown tired of him Netanyahu however achieved a surprising and dramatic victory by enhancing and radicalizing the same identity politics strategies that helped him win in 1996 The Elections in Israel 2015 dissects these and other campaigns from the perspective of the voters the media and opinion polls the political parties and electoral competition Several contributors delve into the Left and Arab fear mongering Likud campaign which produced strategic identity voting Other contributions analyze in depth the Israeli party and electoral systems highlighting the exceptional decline of the mainstream parties and the adoption of a higher electoral threshold Providing a close analysis of electoral competition legitimacy struggles stability and change in the voting behavior of various groups partisanship personalization and political polarization this volume is a crucial record of Israeli political history

Israel at the Polls 2003 M. Ben Mollov, Jonathan Rynhold, Shmuel Sandler, 2013-09-13 Israel's 2003 election took place against the background of a deteriorating security situation due to Palestinian violence and the impending US War in Iraq and severe disillusionment with the Oslo peace process The election which brought about a decisive victory of the Likud Party and Ariel Sharon took place amidst strong accusations of corruption and the virtual collapse of the Israeli left The election also featured the rise of the anti clerical Shinui party which resulted in the exclusion of the ultra Orthodox parties from the new coalition In this volume leading Israeli political scientists explore the main actors and processes that shaped the election and its outcome This book was previously published as a special issue of the journal Israel Affairs

The Elections in Israel 2022 Gideon Rahat, Noam Gidron, Michal Shamir, 2025-02-17 The 2022 Israeli elections stand out as a turning point in the country's political history Following a period of unprecedented political instability the right wing government formed following the elections Benjamin Netanyahu's sixth government was the most radical in Israel's history This book examines the 2022 Israeli elections through various theoretical perspectives and diverse research designs and data sources The first part scrutinizes various aspects of Israeli democracy related to the elections These include ideological and affective polarization cleavages voter turnout involvement of citizens and civil organizations in election campaigns and the nature of the government that was established following the elections The second part of the book presents studies of parties that participated in the elections those that declined Labor those that ascended Religious Zionism and Otzma Yehudit and those that ascertained their power United Torah Judaism and Shas A valuable addition to the

Elections in Israel series the book written by leading scholars of Israeli politics and society touches on key themes including political personalization polarization populism the radical right party decline and adaptation and democratic backsliding The book will be of particular interest to students and researchers of Israeli politics and society especially relating to the events of 2023 and the war in Gaza as well as to social scientists interested in these political phenomena and their effects on democratic countries worldwide *Sephardic Jewry and Mizrahi Jews* Peter Y. Medding, 2008-02-15 The newest volume of the annual Studies in Contemporary Jewry series features the major and rapid changes undergone by Sephardic Jewry in the last fifty years drawing on essays from the fields of demography history political science literature sociology gender studies and anthropology The themes of the symposium papers include identity manifested in the emergence and increasingly wide usage of Mizrahi in place of Sephardic the invigoration of Sephardic Judaism and the emergence of Sephardic politics in Israeli politics and the tensions between Sephardim and Ashkenazim As is standard for the series this volume contains review essays and book reviews **Being Israeli** Gershon Shafir, Yoav Peled, 2002-02-14 A timely study by two well known scholars offers a theoretically informed account of the political sociology of Israel The analysis is set within its historical context as the authors trace Israel's development from Zionist settlement in the 1880s through the establishment of the state in 1948 to the present day Against this background the authors speculate on the relationship between identity and citizenship in Israeli society and consider the differential rights duties and privileges that are accorded different social strata In this way they demonstrate that despite ongoing tensions the pressure of globalization and economic liberalization has gradually transformed Israel from a frontier society to one more oriented towards peace and private profit This unexpected conclusion offers some encouragement for the future of this troubled region However Israel's position towards the peace process is still subject to a tug of war between two conceptions of citizenship liberal citizenship on the one hand and a combination of the remnants of republican citizenship associated with the colonial settlement with an ever more religiously defined ethno nationalist citizenship on the other Israel at the Polls 2013 Eithan Orkibi, Manfred Gerstenfeld, 2017-10-02 The 2013 elections took place less than two years after the overwhelming wave of social protests of summer 2011 At first the election campaign did not raise much public interest but the emergence of new players and young political forces energized the political race Polls conducted throughout the campaign greatly deviated from the final results which eventually enabled Prime Minister Benjamin Netanyahu to form a cabinet again despite a loss of 11 seats for his list This book describes and analyses a variety of political and sociological developments in Israel both before and after the elections These include the nature of the campaign the developments in the National Camp among religious Zionists the ultra Orthodox parties and the Russian vote Furthermore it assesses the impact of media including new media The variety of subjects makes the book suitable for undergraduate and graduate students in Middle Eastern Israeli and Jewish studies as well as political science and liberal arts in general Israel at the Polls has been updated and published regularly for thirty five years providing readers with

up to date analysis and continuity of scholarship This book offers a long term assessment of Israeli politics This book was published as a special issue of Israel Affairs **The Elections in Israel, 2019-2021** Michal Shamir, Gideon

Rahat, 2022-10-27 The 16th book in The Elections in Israel series this book covers an extraordinary political event of having four national elections in two years which were much but not all about one person King Bibi Analyzing Israel's national elections from 2019 to 2021 this book argues the four elections became to a large extent a referendum on Benjamin Netanyahu the incumbent prime minister and head of the Likud party facing investigations a hearing and indictment on charges of bribery fraud and breach of trust Thus the first part of the book is dedicated to political personalization and to Netanyahu himself The second part of the volume covers the traditional actors in parliamentary elections voters parties and the mass media The book relies on empirical analysis including extensive use of the Israel National Election Studies data on theoretical rigor and on the contextualization of the elections from comparative and long term perspectives The book should interest students and researchers of Israeli politics and society electoral studies and the crisis of democracy more generally Many chapters will be of interest to political science communications and sociology students and scholars who study themes that are prominent on the academic and public agenda including political personalization and personalized politics populism party decline and democratic backsliding Chapter 8 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

The Elections in Israel 2013 Michal Shamir, 2017-09-08 The elections for Israel's nineteenth Knesset were held on January 22 2013 This volume offers an in depth analysis of Israel's 2013 elections from various perspectives It presents an up to date picture of the complexity of Israeli democracy and its challenges achievements and failures The chapters in this collection shed light on different facets of Israeli democracy Yaron Ezrahi provides a sceptical perspective on prospects for democracy Gayil Talshir explains the party system's slowness to respond to citizen demands and to social movements Michal Shamir and Keren Weinshall Margel explore the politics of the right to be elected to the Knesset Nir Atmor and Chen Friedberg highlight the decline in participation in Knesset elections in the Periphery versus the Center Assaf Shapira and Gideon Rahat reveal the complexity of inter party democracy Dganit Ofek analyses the stability of government coalitions Gal Levy examines Mizrahi Jews and the Shas Party Mtanes Shihadeh discusses the voting patterns of Israeli Arabs Asher Cohen focuses on religious Zionism and the success of the renewed Jewish Home Party Michal Shamir and Einat Gedalya Lavy document a gender gap in voting Elections in Israel 2013 analyses the give and take between the public and its leaders that is at the heart of elections In doing so it illuminates the role of elections in providing representation for different groups in Israeli society and in giving voice to their political choices *The Handbook of Election News Coverage Around the World* Jesper Strömbäck, Lynda Lee Kaid, 2009-09-10 The Handbook of Election Coverage Around the World focuses on the news coverage of national elections in democracies around the globe It brings together and compares election news coverage

within a single framework offering a systematic consideration of various factors. Considering the prominence and power of the press in the election process, this volume will offer unique breadth in its global consideration of the topic. The volume will appeal to scholars in political communication, political science, mass media and society, and others studying elections and media coverage around the world.

Public Policy in Israel Dani Korn, 2005-01-01. In a nation that lacks consensus on the very nature of the state and where policy making is heavily controlled by partisan politics, improved policy implementation capabilities are crucial for the very survival of Israeli society. *Public Policy in Israel* presents a framework for understanding this country's fractured decision making process and a blueprint for the radical reform of its policy making system.

The SAGE Handbook of Political Advertising Lynda Lee Kaid, Christina Holtz-Bacha, 2006-06-14. *The SAGE Handbook of Political Advertising* provides a comprehensive view of the role political advertising plays in democracies around the world. Editors Lynda Lee Kaid and Christina Holtz-Bacha, along with an international group of contributors, examine the differences as well as the similarities of political advertising in established and evolving democratic governments. Key Features: Offers an international perspective. This Handbook examines the political television advertising process that has evolved in democracies around the world, including countries in Asia, Europe, Australia, Africa, Latin America, and North America. In addition, a comparative overview addresses the effects of political advertising on the voters and the systems of which it is a part. Provides comprehensive coverage. For each country presented, an analysis is given of its political advertising history, its cultural implications, the political and regulatory systems related to political advertising, the effects of media system structures, and the effects of new technologies. Includes examples from recent elections. The role specific candidate or party controlled television plays in a specific region's electoral process is examined. Original research on recent elections confirms the expanding significance of this form of political communication. This is an excellent resource for media professionals and practicing journalists, as well as a welcome addition to any academic library. It can also be used as a textbook for advanced undergraduate and graduate courses on Political Advertising in the fields of Political Science, Communication, Broadcasting, Journalism, and International Relations.

International Bibliography of Political Science Compiled by the British Library of Political and Economic Science, 2000-02. IBSS is the essential tool for librarians, university departments, research institutions, and any public or private institution whose work requires access to up to date and comprehensive knowledge on the social sciences.

Critical Issues in Israeli Society Alan Dowty, 2004-01-30. Fashioning a working political structure in Israel that will bring together all aspects of society from Jews to Arabs, ultra Orthodox to assertively secular, has never been easy. However, two developments have intensified this challenge: demographic changes have sharpened the differences between the groups, and open challenges of legitimacy have undermined the previous de facto acceptance of pluralism. There has been no strong civic framework of Israeliness to replace Zionism as a shared identity that would override more parochial identities and interests. Added to these pressures are the collapse of the peace process in late 2000 and the influence of global

developments on the Arab Israel conflict and on Israeli domestic society In this volume twelve noted scholars of Israel present authoritative and analytic overviews of these important issues The ability of the Israeli political system to bridge differences through a Jewish tradition of power sharing has in the past managed to overcome enormous divisions at least within the Jewish sector Economic progress and globalization have brought Israel closer to other developed societies in many respects while exposing Israel to pressures associated with these trends Closer analysis of these critical issues reveals that there are also positive forces at work as the nation seeks a broader synthesis of its Jewish legacy and universal liberal values

Israel at the Polls 2015 Eithan Orkibi, Manfred Gerstenfeld, 2018-10-15 Less than two years after winning the 2013 elections Prime Minister Benjamin Netanyahu announced his intention to dissolve his government paving the way for general elections While the initial impression was that the upcoming elections were pointless and unnecessary the campaign gradually turned into a passionate and dramatic political competition which reflected and reenergized the ideological social ethnic and cultural divides of Israeli society This book describes and analyses a great variety of political sociological and cultural dimensions of the 2015 elections for the 20th Knesset Covering issues such as voters behaviour coalition formation figures of leadership political identities political communication and persuasion this rich collection of essays offers a unique and comprehensive perspective on Israeli political culture in general and on the Israeli society in the midst of the 2015 elections in particular It also offers theoretical insight to anyone interested in parliamentary politics and party systems in general This book was originally published as a special issue of the journal Israel Affairs

The Globalization of Israel Uri Ram, 2013-10-18 This book focuses on how globalization is impacting contemporary Israel It is a concise and originally argued introduction to Israel but the author Uri Ram is careful to frame his analysis in a broader discussion of Israeli history and broader social currents Focusing in particular on two defining and conflicting contemporary trends one toward advanced liberal democracy with a cosmopolitan edge and the other toward ethno religious traditionalism and rejection of the secularism associated with market driven globalization The cosmopolitan high tech driven city of Tel Aviv represents the former trend and Jerusalem a city increasingly dominated by orthodox Jews represents the latter Using Benjamin Barber's Jihad versus McWorld thesis to good effect Ram's book will stand as an ideal introduction to contemporary Israel and its place in the world

Embracing the Beat of Appearance: An Psychological Symphony within **The Elections In Israel 1999**

In some sort of consumed by screens and the ceaseless chatter of instant transmission, the melodic splendor and mental symphony created by the published term usually fade in to the back ground, eclipsed by the constant noise and disturbances that permeate our lives. However, nestled within the pages of **The Elections In Israel 1999** a charming fictional treasure full of organic thoughts, lies an immersive symphony waiting to be embraced. Constructed by a masterful musician of language, this charming masterpiece conducts viewers on a psychological trip, well unraveling the hidden tunes and profound affect resonating within each cautiously constructed phrase. Within the depths of the moving evaluation, we will investigate the book is key harmonies, analyze its enthralling writing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
