The Four Elements of the Wise Ivo Dominguez, 2021 The four elements are the pillars that uphold the manifest world and anchor spirit to matter. They are associated with diverse spiritual entities ranging from small elemental to divine beings. The four elements also comprise a system of understanding that supports most of the magic of the West and Paganism. Longtime practitioner and respected teacher Ivo Dominguez Jr discusses the use of the elements in a wide range of systems and presents the information in a way that is accessible and significant to newcomers and experienced practitioners alike. In this definitive work, Dominguez provides an in-depth exploration of the elements and their lore, history, correspondences, and use in spellwork and ritual. Each of the four elements is covered in detail, including the fifth element, quintessence. Practical applications for working with the elements are woven throughout the book. Book jacket

The Priestess & the Pen Sonja Sadovsky, 2014-12-08 This important book by debut author Sonja Sadovsky shines new light on how three captivating minds shaped the course of history. The fantasy novels of Dion Fortune, Marion Zimmer Bradley, and Diana L. Paxson influenced the image of the priestess in Neopagan and Goddess-centered spirituality throughout the world. The Priestess the Pen shows how their work changed the way women are depicted in literature, created space for women to reclaim their power, and energized the women's equality movement. Presenting a reinterpretation of the Goddess as fourfold rather than threefold, The Priestess the Pen adds dimension and relevance to the traditional Triple Goddess archetype in a way that has never before been considered with such compelling clarity. This book is poised to become a vital interpretation of the Pagan priestess.

Zen and the Art of Subration Ashoka Annamaya Ishaya, 2019-04-15 Zen and the Art of Subration is a three-part masterwork arising from the author's thirty-five year journey to overcome cultural conditioning and achieve the ultimate transformation: living on light and oxygen.
